

Start 5:05

### **Previous items**

Follow up about the Criminal justice response committee and possibly attend the meeting.

Discussing bringing up infrastructure for those experiencing houseless. Future research and recommendation.

Start Program - Research is possibly done with the Public and Environmental Affairs or PACE program. Jason will look into and be the main writer for the grant program

### **Introduced Items**

For research questions community assessment.

- discrimination from the water/trash department
- In what ways have people experienced discrimination or microaggressions while using city programs/organizations/facilities such as trash, water, and parks? Did you try to contact the department? What was your experience when trying to file a complaint?

Timeline:

Oct: Report Budget break down & Start Program

November: Application for Start
