Memo

There is one Resolution and an Internal Work Session Schedule Ready for Final Action at the Regular Session on February 2nd and an Ordinance and Resolution Ready for Consideration for this Next Legislative Cycle

There are two items ready for final action at the Regular Session next week. The first is a resolution which approves the interlocal agreement with Monroe County and Town of Ellettsville regarding payment for animal shelter services in 2011. It can be found online as indicated above. The second item is a revised Council Schedule that includes the Staff/Council Internal Work Sessions for the rest of the year. A copy is included in this material and a brief mention of it appears herein.

There is also a resolution approving the collective bargaining agreement with the Fraternal Order of Police and an ordinance making the related amendments to the Police and Fire salary ordinance ready for consideration during the next legislative cycle. Both are included in this packet.

Council Schedule

There is a revised Council Schedule for 2011 that includes the dates and times for the Staff/Council Internal Work Sessions for the rest of the year. These fall on the Friday before the beginning of each of the remaining legislative cycles. This will give Council members an opportunity to hear and influence legislation before it is introduced at the Council. Please note that while there was some interest in holding a second meeting to increase attendance, there wasn't a consensus on the time it should be held. Assuming this schedule is adopted next week, the Council could still decide to hold a second meeting as needed during the year.

**Legislation for Consideration During the First Legislative Cycle
in February**

**Res 11-03 Approving a 4-Year Collective Bargaining Agreement
Between the City and the Fraternal Order of Police
(Don Owens Memorial Lodge 88)**

and

**Ord 11-01 Amending the Police and Fire Salary Ordinance for 2011
(Ord 10-09) to Reflect that Terms of that Agreement**

This packet includes two pieces of legislation related to the recently-negotiated collective bargaining agreement between the City and the Fraternal Order of Police, Don Owens Memorial Lodge 88. The first is Res 11-03 which approves the agreement and the second is Ord 11-01 which amends the Police and Fire Salary Ordinance for 2011 (Ord 10-09) to reflect changes negotiated by that agreement. The ordinance will be introduced next week and, along with the resolution, will be discussed on February 9th and be ready for final action on February 16th. There is a memo to the Council from Daniel Grundmann, Director of Human Resources, which appears in front of, and introduces, both pieces of legislation.

Item 1 - Res 11-03 approves and authorizes the execution of a new four-year collective bargaining agreement between the City and the Fraternal Order of Police, Don Owens Memorial Lodge 88, which will operate from the year 2011 through the year 2014. The negotiations extended through December and culminated in January after a second vote of the bargaining unit. The result of that vote was 59-2-1. The City was represented by Kevin Robling (lead negotiator) who consulted with Chief Diekhoff, Daniel Grundmann, Mike Trexler, and Dan Sherman. The FOP was represented by Marty Deckard (lead negotiator), Jason Shaevitz/Jim Witmer, Randy Gehlhausen, Jeff Rees, and Brandon Lopossa.

Chapter 2.32 of the BMC sets forth the procedures for negotiating this agreement and the appropriate subjects of bargaining. Those subjects generally include salary and pay schedules, vacation schedules, the accumulation of vacation time, lay off and grievance procedures, and group insurance. The Council must approve the agreement before it goes into effect, but since it is negotiated between the City and the bargaining unit, does not have a direct means to amend it. The agreement is attached to the resolution.

Summary of Proposal

The changes to the contract can be separated into terms that are largely monetary and terms that are largely non-monetary. The monetary terms constitute the bulk of the Agreement. Please note that Mike Trexler, Controller, estimates that increases over the four year agreement will have a fiscal impact of about \$450,000.

Monetary

The monetary package would increase the base pay for Police Officers First Class and Senior Police Officers by 1.5% per year for the first two years of the contract and 3% for the next two years of the contract. This means that these officers will receive \$46,995 and \$49,294 respectively in 2011 and \$50,605 and \$53,080 respectively in 2014. (Section 20) Also, according to the contract, the City will continue to contribute an amount equal to 4% of the base pay for an Officer First Class to PERF on behalf of each officer. Please note that, in addition to this contribution, the City pays the State a supplemental retirement amount for each officer that is equal to 25% of the base pay for an Officer First Class with 20 years of service.

The other monetary changes to the agreement affect the following provisions:

- **Unit Pay Plan** - The contract compensates officers for years of service (capped at 30), certifications, professional classifications, and education in accordance with a Unit Pay Plan. Under this Plan, each unit is worth \$100; the maximum number of units allowed is 48 (or \$4,800). The proposal moves “Detectives” from Category 2 (7 units) to a new Category 3 professional classification, which is worth 14 units. It also clarifies that members will be paid for the units if they maintain their certifications and perform any duties related to those professional classifications during the course of the year even if only on a temporary or part-time basis. (Section 23)
- **Overtime Pay** - The proposal increases the rate for overtime pay from \$33 to \$35 per hour in the last two years of the contract. Officers called in to work overtime or who have mandatory extra duty will be paid for a minimum of two hours (currently 1.5 hours). (Section 21)
- **Benefit Time Buy-Back and Bank** – The contract currently allows officers to sell their benefit time back to the City at a rate of \$175 per day. That amount will rise to \$200 per day for 2013-14. (Section 6)
- **Bereavement Leave** – The contract allows three days leave in the event of the death of a member’s immediate family and one day of leave in the event

of the death of certain relatives other than the immediate family. This agreement brings this policy in line with the rest of the City by adding parent of spouse, the parent of a domestic partner, grandparent, grandchild and step-equivalents thereof as part of a member's immediate family. (Section 9)

- **Hours of Employment** – The current contract gives Detective Officers who may be on-call for as many as 8 *weekends* a year a choice in how they are compensated. They may elect to receive two hours overtime for every day they are on call in addition to overtime for the actual hours they work. The new contract acknowledges that they are on call for as many as 8 *weeks* a year and offers them four hours of overtime for that on-call status, plus a minimum of four hours of overtime when called out, and overtime for the additional hours worked at that time. In the alternative, Detective Officers may elect to take compensatory time off within two weeks after the overtime was incurred. The new contract gives these officers four weeks to use the compensatory time. (Section 27)
- **Terms and Conditions** – As with past agreements, the proposed contract increases the threshold amount of revenue received by the City which, if not obtained, would allow the City to reopen the salary provisions in Section 20. (Section 1)

Non-Monetary

There were four non-monetary changes to the contract which are mentioned below:

- **Shift Transfers** – The current contract provides for officers in the Patrol Division to bid for and be assigned to a shift¹ based upon their preference and seniority, but provides for certain exceptions to that assignment process. The proposed contract provides for officers to list three rather than two choices and allows detectives to request return to the patrol division both during and outside of the regular “bidding season” (December 1st to 15th). The request made during the regular bidding season cannot be unreasonably denied by the Chief. Lastly, it requires the Chief to notify the Union in writing along with the Board of Public Safety in the event s/he declares that there is a manpower shortage allowing for temporary 90-day reassignments. (Section 14)
- **Duties of a Police Officer** – The current contract requires job descriptions for officers to be on file in the Chief's Office and available for inspection during regular business hours. This contract requires them to be on file and

¹ There are three shifts: Morning - 5:30 a.m. to 2:00 p.m.; Afternoon – 1:30 p.m. to 10:00 p.m.; and, Night – 9:30 p.m. to 6:00 a.m.

available for inspection in the Human Resources Department as well.
(Section 17)

- **Rights of Employees** – The current contract sets forth the protections accorded officers in the event they are accused of violating departmental policies. These protections apply to Level 1 (less serious) and Level II (more serious) investigations/interrogations. The proposal makes two changes here. First, it allows both the investigator and accused to have any attorney present (rather than allowing the accused to have an attorney present if the investigator has one). Second, it prohibits the suspension of an officer to include a bar against outside employment, unless that employment requires the officer to use his/her police powers. (Section 28)
- **Negotiation Schedule** – This contract introduces an “evergreen” clause which keeps the terms of this contract in place for one year after its expiration in the event a new contract is not negotiated by the end of the current contract. As Grundmann says in his memo, this will provide stability in the interim period. (Section 30)

Ord 11-01 amends Ord 10-09 (Police and Fire Salary Ordinance for 2011) to reflect the collective bargaining agreement negotiated between the City and the Fraternal Order of Police. As noted above, the changes:

Pay Schedule

- Increase the pay of the Senior Police Officers and Officer First Class by 1.5% and the remaining uniformed positions by same amount to keep them comparable.

Professional and Command Classifications (Under Unit Pay Plan)

- Move Detectives from Category 2 (7 units) to a new Category 3 (14 units).

Deadlines for Legislation: The deadline for submitting legislation and all accompanying materials, including a summary memo, is noon on the date listed. For information on the manner for submitting these materials, please inquire with the Council Office.

Unless otherwise indicated, the Council meets on the first four Wednesdays of the month in the Council Chambers in Room 115 of the Showers Center, 401 North Morton, at 7:30 p.m. The following footnotes list and explain the exceptions to this general rule:

- The Council will hold an annual Organizational Meeting on this date, when it elects officers and gives legislation first reading. The meeting is generally held on the first Monday in January, except when it is a legal holiday, in which case the meeting is held on the first Tuesday. (BMC 2.04.050[c & d]). However, by the adoption of this schedule, the Council has set this meeting for the first Wednesday after the first Monday in January. This meeting will be immediately followed by a Committee of the Whole.
- The Council will not meet during Spring Break and will move its second Regular Session and Committee of the Whole in March to the fourth Wednesday and fifth Wednesdays in March.
- The Council will hold a Council Budget Advance in the McCloskey Room of City Hall at 5:30 p.m. on Wednesday, May 11th and Departmental Budget Hearings in the Council Chambers at 6:00 p.m. on Monday, July 18th, Tuesday, July 19th, Wednesday, July 20th, and Thursday, July 21st, 2011.
- In order to schedule three evenings of meetings for the first legislative cycle in July and hold a week of departmental budget hearings starting on the third Monday of that month, the Council will hold what would ordinarily be the first three meetings in July on the fifth Wednesday in June and the first two Wednesdays in July.
- Since it will take a brief recess after first meeting in August and the second Regular Session in December, the Council will not introduce legislation for first reading at these meetings. (BMC 2.04.060 [e] & [g])
- The Council will consider the City Budget for 2012 along with routine legislation during the first legislative cycle in September. The City Budget will be considered at a public hearing during the Committee of the Whole to be held immediately after the Regular Session on the first Wednesday in September and be ready for final adoption at a Special Session on the Second Wednesday in September. Typically, non-budget related legislation for that legislative cycle will be discussed at a Committee of the Whole to be held immediately after the Special Session on the second Wednesday in September and will be given final action at the Regular Session on the third Wednesday in September.
- The Council will move its Committee of the Whole from the fourth Wednesday of September to the fourth Tuesday to avoid meeting on Rosh Hashanah (the Jewish New Year).
- The Council will not meet on the fourth Wednesday of November because it is the night before the Thanksgiving Holiday (BMC 2.04.050(f)). Since there are five Wednesdays that month, the Council will hold the second Committee of the Whole on the fifth Wednesday of November.
- Staff/Council Internal Work Sessions provide an opportunity for the Council members to learn about City initiatives, most of which, are close to being formally considered by the Council. These meetings are held in the McCloskey Room, unless otherwise indicated.

**COLLECTIVE BARGAINING AGREEMENT
BETWEEN THE CITY OF BLOOMINGTON
AND THE DON OWENS MEMORIAL LODGE 88,
FRATERNAL ORDER OF POLICE, INC.**

This Agreement is entered into by and between the City of Bloomington, Indiana (hereafter "City") and Don Owens Memorial Lodge 88, Fraternal Order of Police, Inc. (hereafter "Union").

The City and the Union recognize and declare that they have bargained collectively with respect to terms and conditions of employment for police officers, and it is their desire and in the best interests of the citizens of the City of Bloomington to promote harmonious relations between the City and the Union and improve police protection for the citizens of the City. Understandings reached have been incorporated into this written contract which will provide an orderly, equitable and binding means of resolving any future differences between the parties.

IT IS THEREFORE AGREED AS FOLLOWS:

SECTION I. Terms and Conditions of Agreement

This Agreement between the parties constitutes a four (4) year settlement of all bargainable issues, as defined in Bloomington Municipal Code § 2.32, and following, for calendar years 2011, 2012, 2013 and 2014. It is understood and expressly agreed by the parties that all terms and conditions in this Agreement are contingent on and subject to the following conditions:

(1) Receipt in each and every year of the Agreement by the Civil City of Bloomington of no less than one million, two-hundred thousand dollars (\$1,200,000.00) from the Utility Department of the City of Bloomington in satisfaction of what is commonly known as the "Interdepartmental Agreement."

(2) The City of Bloomington being legally authorized in each and every year of the Agreement to increase its *ad valorem* property tax by a minimum of three percent (3%) rate of growth over the previous year's maximum permissible *ad valorem* property tax levy, and a maximum increase equal to the total non-farm personal income growth multiplied by the maximum permissible *ad valorem* property tax levy for the preceding year (beginning with fiscal year 2011) as provided for and defined in Ind. Code § 6-1.1-18.5-1 *et seq.* entitled "Civil Government Property Tax Controls." The City shall not be required to petition for financial relief as provided for and defined in the above-cited chapter as a prerequisite to showing its inability to increase its *ad valorem* property tax levies in the above-stated amounts.

(3) Receipt in each and every year of the Agreement by the City of Bloomington of no less than seven million, five-hundred thousand dollars (\$7,500,000.00) as county option income tax distribution as provided for and defined in Ind. Code § 6-3.5-6-1 *et seq.* entitled "County Option Income Tax."

(4) Any and all changes in State and/or Federal law, policies, procedures, or regulations which have a fiscal impact upon the City of Bloomington shall be fully funded by the source from which such change originates.

In the event that any of the above-stated conditions do not occur, then it is specifically understood and agreed by the parties that the City may declare this

Agreement open with respect to the salary rates provided in Section XX for all subsequent years covered by this Agreement. The City shall inform the Union of such declaration in writing. In the event of such declaration by the City, the parties shall immediately as practicable begin new negotiations on the subject of said salary rates only, pursuant to Bloomington Municipal Code 2.32, and following. In the event that Bloomington Municipal Code 2.32.040, "Issues Subject to Bargaining" is amended, then it is specifically understood and agreed by the parties that either party may declare this Agreement open with respect to said added issue (or issues) for all subsequent years covered by this Agreement.

SECTION II. Recognition

This Agreement between the parties is entered into pursuant to and in compliance with Bloomington Municipal Code § 2.32, and following.

SECTION III. Management Rights

This Agreement shall not be deemed in any way to limit or diminish the authority and responsibility of the City to manage and direct the operation and activities of the City, including the police operation and activities, to the full extent authorized or permitted by law.

Nothing in this Section shall be construed to negate the clear and unambiguous meaning of this Agreement.

SECTION IV. Labor-Management Committee

The City and Union agree to form a joint labor/management committee which shall consist of two representatives appointed by the Mayor and two representatives appointed by the Union. The committee shall meet quarterly or as needed and may discuss, *inter alia*, issues not subject to bargaining pursuant to the Bloomington Municipal Code Section 2.32. The results of the committee deliberations shall be in the form of a recommendation forwarded to the Chief of police. The Chief shall have thirty (30) days to forward the recommendation to the board of public safety along with his/her comments. The board may then consider the recommendation at a subsequent regularly scheduled meeting.

In the event the Chief is a member of the committee, the recommendation shall be forwarded directly to the board of public safety along with any comments, pro or con, from committee members.

SECTION V. Benefit Time

Unit members will receive Benefit Time by the following formula:

Members who have completed one year of employment shall receive twenty-eight (28) vacation days (also referred to as “benefit time”) per year. One additional vacation day per year shall be added at the completion of year five (5) through year twenty-six (26). Vacation days under this section shall not exceed fifty (50) days per calendar year.

Work days are eight and one-half (8 ½) hours for members assigned to Uniform Division and eight (8) hours for members assigned to Detective or Administration duty. Benefit Time may be taken subject to staff approval which will not be arbitrarily withheld. The minimum amount of benefit time taken at any one time shall be no less than one-half hour, but additional time after the first one-half hour may be used in increments of fifteen (15) minutes.

No accumulated Benefit Time may be carried over into the next year.

In addition, any bargaining unit member who resigns or retires shall be eligible to receive a credit for earned benefit time prorated over the entire year by payroll periods and based upon the last day the employee is actually present and working. For the purposes of benefit time credit, 16 of the benefit time days are considered to be subject to pro-ration. The formula is as follows: 16 benefit time days divided by number of payroll periods in year times number of payroll periods worked. The number of payroll periods worked shall include any partial payroll period worked, even if only one day of the payroll period is worked. The number of days shall be rounded up if the calculation contains a decimal of .5 or above, and rounded down if below .5. (For example, an employee "eligible" for 28 benefit time days in 2011 works his/her last day on October 2, 2011. The calculation is: 16 days divided by 26 payroll periods = .615, times 20 periods worked = 12.3 days. This employee is entitled to receive 12 prorated benefit days and the 12 benefit days not subject to pro-ration for 2011).

SECTION VI. Benefit Time Buy-Back and Bank

Throughout the term of this Agreement, a bargaining unit member may opt to sell Benefit Time back to the City at a buy-back rate as follows:

2011 – 2012 – One hundred seventy-five dollars (\$175.00) per day

2013 – 2014 – Two hundred dollars (\$200.00) per day

A maximum of ten (10) vacation days per calendar year may be sold back by each member of the unit.

A bargaining unit member may request that a benefit bank be established for a qualifying event under the Family Medical Leave Act (FMLA). Eligibility shall be determined by the Employee Services Department and the member shall be required to utilize one-half (1/2) of their benefit leave before utilizing donated leave. Each member of the bargaining unit may donate a maximum of six (6) benefit days per calendar year to a benefit bank in lieu of selling days back to the City.

SECTION VII. Pay Days

Employees shall be paid their wages bi-weekly every other Friday. An annual bi-weekly schedule of pay days shall be posted before the first pay day of the calendar year.

When possible, overtime pay shall be paid with the next pay check following the period such overtime pay was earned.

When possible, errors in an employee's pay shall be corrected no later than the next pay period.

SECTION VIII. Personnel Service Records

Inspection of documents contained in an employee's personnel file shall be in accordance with state law. Each employee shall be given a copy of all additions to their personnel file at the time such additions are made.

Complaints determined to be unfounded or those in which the employee was found not to be involved or is exonerated will not be placed in the personnel file or any other departmental file. Sustained complaints will be retained in accordance with state law.

Adverse personnel actions may not be considered by the department beyond three (3) years from date of the personnel action.

SECTION IX. Bereavement Leave

Upon the death in an officer's immediate family (spouse, registered domestic partner, child, brother, sister, parent, parent of spouse, the parent or child of domestic partner, grandparent, grandchild, or step equivalents thereof) the officer will be granted three (3) days of leave with pay.

Upon the death of a relative other than immediate family (brother-in-law, sister-in-law, aunt, uncle, cousin, niece, or nephew), the officer will be granted one (1) day leave with pay.

Bereavement leave shall be granted at the officer's request, unless extreme circumstances, including but not limited to civil emergency or manpower shortage, require rescheduling of such leave.

Additional leave in the above cases, or leave in connection with the death of other relatives or friends, may be granted with pay at the discretion of the Chief of Police, by using benefit time. Special circumstances may be approved without pay at the discretion of the Chief of Police.

SECTION X. Clothing and Uniform Allowance

A basic departmental uniform, clothing, and accessory issue shall be established by general order. This initial issue shall be at the City's expense. All maintenance, repair, replacement, cleaning and upkeep of said items is to be borne by the individual officer except for the following items (which remain the property of the department):

1. helmet
2. gas mask (if issued)
3. firearm, magazines and duty ammunition
4. handcuffs; 1 pair w/2 keys
5. portable radio and batteries
6. shield, badge, shoulder patches
7. identification
8. defensive weapons, unless damage is due to individual negligence or misuse.

Changes in style or additional clothing or equipment mandated by the Department shall be furnished at City expense. Maintenance, repair, cleaning and upkeep shall be an employee expense.

An annual allowance to defray the costs of the replacement purchase, maintenance, etc. of the officer's uniform and equipment in the amount of One Thousand Six Hundred Dollars (\$1,600.00) shall be provided by the City to each officer after the first full year of employment and annually thereafter. This allowance shall be paid in two (2) equal installments on or before June 15 and December 15.

SECTION XI. Private Vehicle Parking

SECTION XII. Meal and Rest Breaks

Employees are entitled to meal and rest breaks for a period not to exceed one (1) hour for each eight (8) hour shift worked. Work periods of less than four (4) hours do not entitle the employee to a break. Extended work periods of twelve (12) or more hours entitle the employee to an additional half ($\frac{1}{2}$) hour break for each four (4) hour period in excess of eight (8) hours.

Breaks will be taken at times acceptable to shift supervisors and are subject to cancellation or interruption because of emergencies or staff shortages. The employee will be entitled to resume the break at the next opportunity to do so and at the shift supervisor's discretion.

SECTION XIII. Bulletin Boards

Union shall have access to all bulletin boards, voice mail and electronic mail channels of communication within the Police Department for information from either the Lodge Executive Board or the Bargaining Committee.

SECTION XIV. Shift Transfers

All shift transfers shall conform with the following procedures:

1. Between December 1 and December 15 for each year affected by this Agreement, a "bidding season" shall be open for each member in the Bargaining Unit to submit their first, second and third choice for shift assignment in the patrol division. Shift assignments will be determined based solely upon seniority, with the most senior members of the unit assigned to their preferred shifts first. Management retains the authority and responsibility for the determination of the required staffing level assigned to each shift. Shift assignments become effective on the first (1st) day of January of each year of this Agreement following the "bidding season." The most junior officers on the shift to which the transfer is made can be reassigned.
2. Officers assigned to the patrol division may not request, nor be granted an assignment to detective division or other position in the department solely on the basis of seniority. The "bidding season" described in paragraph one (1) shall apply to assignments only within the patrol division.

3. Officers may agree to temporarily exchange shifts for full or partial days with the approval of their supervisors. Shift differential pay will not be altered unless the temporary exchange is in excess of one (1) month.

4. An officer in the detective division or other position within the department, with the approval of the Chief, the approval which shall not be unreasonably withheld, may return to the patrol division by:

- a. Requesting transfer to patrol division; or
- b. Requesting transfer to a desired shift during "bidding season" of each year of this Agreement.

5. Officers and detectives may request a shift transfer outside of the "bidding season" for special circumstances such as medical or family needs. The officer or detective must submit supportive documentation of the special circumstance, including the reasons the present assignment cannot reasonably be fulfilled. The Chief of Police shall retain the final authority for such reassignment based upon special circumstances. The most junior officer on the requested shift shall be reassigned, and such reassignment shall not exceed ninety (90) days.

6. The Chief or a designee of the Chief may offer a Senior Assignment shift differential to officers who are entitled to a shift bid seniority preference in exchange for another shift assignment that management perceives to be in the best interest of the department. The offer shall only apply to officers who are entitled to their first "choice" preference and shall be made to the officer in the presence of a labor representative. The duration of a Senior Assignment shall be for three (3) months and may be extended for that period of time upon mutual agreement of the Chief or designee and the officer.

The Senior Assignment shift differential shall be in addition to any other applicable shift differential. (See Section XXII) Officers may elect to accept the offer for the Senior Assignment shift differential and be assigned to another shift or to remain on their preferred shift. Officers who have accepted the offer for the Senior Assignment may, at the conclusion of the three (3) month assignment or any increment thereof, elect to return to their preferred shift.

7. Shift assignments may be altered during this Agreement only by the procedures indicated in this section and by:
 - a. Agreement of the City and the Union; or
 - b. In the event of a civil emergency declared by the Mayor; or
 - c. By order of the Police Chief on a temporary basis (not to exceed ninety (90) consecutive days per year), due to a manpower shortage as expressed in writing to the Board of Public Safety and the Union. In the case of a declaration of civil emergency by the Mayor, or a temporary order by the Police Chief, officers shall be paid at current contractual rates of accumulation and pay for all time worked outside their regular schedule.

SECTION XV. Sickness/Injury

Officers of the Department shall report sick only when they are suffering from an illness or injury which would prevent them from properly performing their assigned duties. Such report shall be made to the commanding officer at least one (1) hour prior to reporting time for each tour of duty.

The Chief of Police or Board of Public Safety may order a member to consult a physician, psychiatrist or clinic regarding a physical or psychological condition or for the purpose of obtaining a second opinion. Cost of such diagnostic consultation and/or testing shall be borne by the Department. Cost of therapy and/or treatment shall be borne by the officer. Reports of diagnostic consultation and/or testing shall be submitted to the Chief or Board.

Officers shall be entitled to sick leave with full pay without limitation, subject to processing of medical disability pension status under current Indiana law. Additionally, the City will pay for the medical expenses of the officer in accordance with Indiana law at the time of the illness or injury. Such expenses will be paid by the City to the extent that such expenses are not reimbursed by the officer's medical insurance or worker's compensation insurance, subject to a maximum liability to the City of the amount of non-reimbursed medical expenses that would have been incurred if the officer was on the City's medical insurance plan.

A police officer who is unable to perform his or her full duties due to temporary medical limitations documented by the officer's physician and provided to the Chief of Police as indicated herein, may be assigned to other duties in the Department, at the discretion of the Chief of Police or his/her designee, so long as the reassignment is consistent with the recommendation of the police officer's physician that such reassignment will not jeopardize the health, safety, and welfare of the police officer.

SECTION XVI. Layoffs

In the event that the City may find layoffs necessary they shall determine the number of sworn personnel to be laid off.

Sworn personnel with the least seniority will be laid off first and recalled last. Sworn personnel that have been laid off will be given the opportunity to return to duty before any new personnel will be hired.

Civilian personnel will not be hired as the result of a layoff to perform the duties of a police officer.

SECTION XVII. Duties of Police Officer

A police officer's duties shall be outlined in job descriptions maintained in the office of the Chief of Police and the City's Human Resources Department. It shall first be the responsibility of the grievant to reduce the grievance into writing within fourteen (14) days after it arises and present it to the Chief.

If the grievance is not resolved after a period of fourteen (14) days after being presented to the Chief, the written grievance shall be presented to the Board of Public Safety. The Board of Public Safety shall recommend a remedy consistent with the terms of this Agreement.

If the matter is not resolved by the Board of Public Safety within fourteen (14) days to the satisfaction of the grievant, the matter may be submitted to the Mayor.

Such compensation shall be compensatory time at straight time, unless the Chief of Police approves a union member's request for contractual overtime pay in lieu of compensatory time off.

SECTION XXVII. Hours of Employment

Current non-supervisory sergeants and officers assigned to the Detective Division shall work five (5) eight (8) hour days, Monday through Friday, with two (2) days off, Saturday and Sunday, without regard to recognized holidays, and will not be assigned to be "on-call" more than one (1) Saturday and Sunday per month.
