

BDU / Technology Infrastructure Advisory Committee

Meeting Date: January 08, 2015, 4PM

Location: Bloomington City Hall Kelly Room

Board Attendance: Mike Trotzke, Mike Allen, Michelle Cole

Staff Attendance: Rick Dietz, Jason Carnes

Jason Carnes

- CTP Update. Anderson Bollander is leading the CTP streetscape project. Public kickoff will be in the Spring, tapping into team's marketing group

Rick Dietz reported on CoB activities:

- Big projects coming up in 2015 - Connecting Upper Cascades, Council Chambers, GIS, requisitions in ERP, and many more.
- Will pursue Google Summer of Code again, looking at Code for America in conjunction with community partners (open211/open311), may be possible to revisit Gig.U with IU in 2015.
