

BDU / Technology Infrastructure Advisory Committee

Meeting Date: September 04, 2014, 4PM

Location: Bloomington City Hall McCloskey Room

Board Attendance: Michelle Cole, Dennis Cromwell

Staff Attendance: Rick Dietz, Jason Carnes

Rick Dietz reported on CoB activities:

- CTP Infrastructure: meetings and follow up conversations with Brock Ridgeway and associates about City fiber and conduit infrastructure in the the CTP area for 10th St project. Challenge is figuring out how to accommodate all current and prospective utilities and telecom providers. May end up with duct bank managed by CoB for telcos. Planning is ongoing.
- IT Policies pending in OOTM
- IUHealth use agreement approved by BPW. Laterals and connection work being done by third party contractor.
- Controllers office is now on Quali Time.

Jason Carnes

- CoB is holding a Showers Admin Building open house
- Brock Ridgeway is working on the 10th St project. Utilities survey is ongoing.
- RFP release for 10th St realignment and alley work is planned for October.
- RFP for CTP master site developer by the end of the year.

Dennis Cromwell

- IU Statewide IT Conference Oct 7-8. All are welcome to attend.

Mike Trotzke

- Combine will be in April 2015, website will launch soon
- Ignite Bloomington 13 on Oct 30
