ADDITIONAL PUBLIC COMMENT

Piedmont-Smith noted the upcoming meeting of the Special Committee on Council Processes (SCCP).

COUNCIL SCHEDULE [8:15pm]

Asare moved to dispense with the meeting the following week and instead attend the meeting proposed by the mayor to discuss Showers West.

Piedmont-Smith noted that there was a piece of legislation scheduled for second reading at that meeting and asked what he proposed for handling it.

Asare moved and Ruff seconded to suspend the rules to allow for consideration of Ordinance 2024-01 on the same night that it was introduced.

Piedmont-Smith noted that there was not any member of the administration at the meeting to present the legislation.

Asare noted that the motion was not debatable.

Piedmont-Smith asked for clarification.

Stephen Lucas, Council Attorney, said that motions to suspend the rules were not debatable. He also said a motion to adopt Ordinance 2024-01 that evening would require unanimous consent to take it up for consideration and a two-thirds vote to adopt the legislation.

The motion to suspend the rules received a roll call vote of Ayes: 6, Nays: 3 (Piedmont-Smith, Stosberg, Rosenbarger), Abstain: 0.

Vote to suspend the rules  
[8:15pm]

Piedmont-Smith asked what the next steps could be since the motion to suspend the rules passed.

Lucas explained that the motion to take up the legislation for consideration could be made, and would pass only with unanimous consent.

COUNCIL SCHEDULE (cont'd)

Stosberg concurred, and added that since some members had voted no on the motion to suspend the rules, it was suggestive that they would vote no on taking up the legislation as well.

Piedmont-Smith asked if there were any other motions, and there were none.

Piedmont-Smith adjourned the meeting.
