Dear Officer Amy Myers,

I want to thank you for your continued assistance in our Damage to State Property Cost Recovery Program. Your efforts in tagging damaged property are critical to the success of the program which has gained national and local attention.

When roadway assets are damaged in accidents, and you tag the damage with a pink tag, we are able to identify the damage, assess it and bill the responsible party. In FY2023, we were able to collect \$13.3 million from responsible parties to pay for damage that otherwise would be paid for by hardworking Hoosier taxpayers.

By utilizing the tagging kits, INDOT is able to recover the cost of repairing the damaged state property quickly and efficiently.

I very much appreciate your ongoing support and partnership.

Regards,

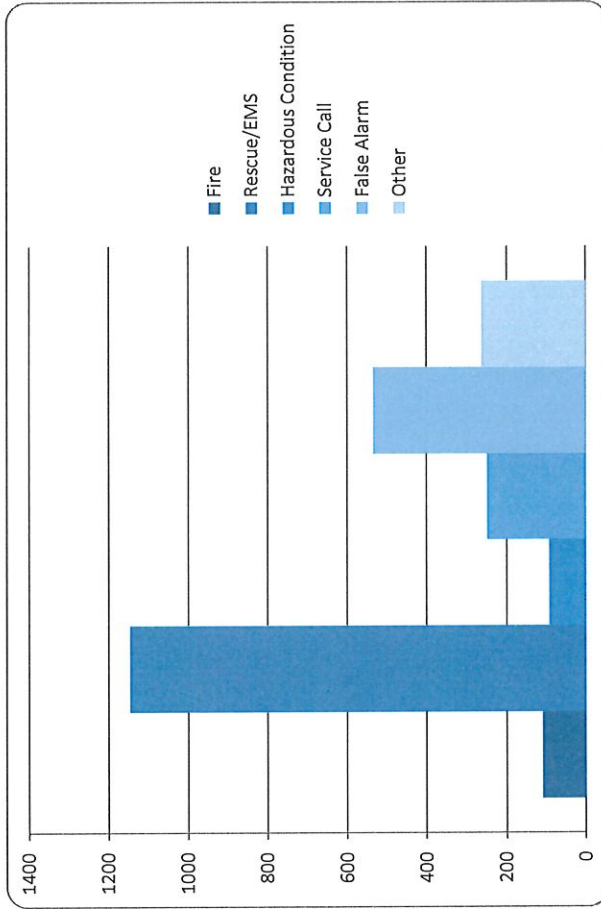

Michael Smith
Commissioner

MIH "WINS"

One MIH Team Member became a Child Passenger Safety Technician (car seat tech).

Two MIH Team Members were recognized as 2024 Monro County Mental Health Champions and were nominees in the 'Outstanding First Responder' category.

A patient is feeling great after receiving her prosthesis and participating in therapy sessions. She feels more free to do what she wants to do. She is also thankful that yes, her right leg is gone, but she isn't feeling sick any longer. She is thankful for MIH visits and is looking forward to more as she is feeling well.

With the assistance of MIH, a patient FINALLY received a motorized scooter after months of being without.
