NOTE: Formal minutes are not produced for committee meetings; however the following summarizes actions taken at the following meeting of Budget Task Force.

Meeting called to order: 9:34am

Committee members present: Isak Nti Asare

Committee members present via Zoom: Sydney Zulich

Committee members absent: none

Staff present: Jessica McClellan, Gretchen Knapp, Lisa Lehner, City Clerk Nicole Bolden

Topics Discussed:

The meeting focused on outlining priorities on budget outcome areas and to come to an agreement on priorities important to the council and the mayor. The group discussed the need for clarity in desired achievements, defining high-performing government and core services, and providing outcome areas that are meaningful to the public. They agreed on six main buckets: affordable housing and homelessness, public safety, community health and vitality, economic development, transportation and mobility, and high-performing government. The priorities will go before the full council for discussion.

Meeting ended: 10:34am
