Reminder: Jack Hopkins Social Services Funding Committee Meets on Wednesday at 5:30 p.m. in the Council Library

Same Four Items Discussed Last Week at the Committee of the Whole are Ready for Final Action at the Special Session on Wednesday, March 10th

The Council will hold a Special Session next Wednesday (March 10th) to take final action on the four items discussed at the last Committee of the Whole meeting. Those items, summaries, and background material can be found in the packet for March 3rd (which was distributed on February 27th). Please note that Greg Volan submitted a revised balance sheet for App Ord 04-03 at the Committee of the Whole. App Ord 04-03 appropriates \$37,000 from the Infrastructure account in the Telecom Fund and the revised balance sheet shifts \$1,000 from the Infrastructure to the Services account. This money covered the cost of the emergency repair contract for the last two months of 2003 and was attributed to the wrong account.

Happy Birthday Jason Banach!
