Memo

**Five Items Ready for Final Action at Special Session
on Wednesday, September 24th**

The Council will hold a Special Session next week to take final action on five items that remain to be resolved on this legislative cycle. These items are listed above in the order they will appear on the agenda. The list also indicates where you can find the legislation and related materials.

**No Council Office Summary of Ord 03-27
(Approving the Bryan Park Place PUD)**

The end of last week's memo (dated September 12th) indicated that a summary of **Ord 03-27** (approving the Bryan Park Place PUD) would be distributed sometime this week. Given the fact that the petitioners have indicated an intent to withdraw the petition and the Council was willing to accept the withdrawal, the Council Office has not completed and will not be distributing the usual summary for this piece of legislation. Please refer to James Roach's memo and the neighborhood's letter to the Council for a good overview of the issues.
