**C. OTHER BUSINESS**

**C-1. Review/Approval of 2016 Event Permit Application Changes**

Becky Higgins-Community Events Manager requested the Board approve the updated 2016 application forms. The Special Event Permit Application, the B-Lines Special Permit Application, the Mobile Stage Rental and the Alcohol Guidelines. There have been no significant changes to the forms.

Ms. Jane St. John made a motion to approve the 2016 Event Permit Application Changes. Mr. Joe Hoffman seconded the motion. Motion unanimously carried.

**C-2. Review/Approval of Partnership Agreement with Mother Hubbard's Cupboard**

Ms. Robin Hobson, Program Specialist recommended the Board approve the Partnership with Mother Hubbard's Cupboard. The Community Gardening Program (CGP) and Mother Hubbard's Cupboard (MHC) intend to continue a program at the Rev. Ernest D. Butler Park Community Garden. This program will provide education, gardening opportunities for low-income residents, produce food to be distributed by MHC and offer a healthier life style to participating gardeners.

MHC conducted an extensive evaluation of their sites. Due to low participation numbers and other issues, MHC will no longer be involved at the Crestmont Park Community Garden and the Benjamin Banneker Community Center (BBCC).

Community Garden Program staff conducted their own survey at the Crestmont and Banneker locations. Due to survey results it has been decided to close the Crestmont site. This neighborhood will be provided with a gardening program through MHC, Bloomington Housing Authority (BHA) and the Crestmont Boys and Girls Club. The BBCC garden will continue to serve pre-school program participants as well as becoming a venue for the Near West Side Neighborhood Association to enjoy a shared garden space by means of a provisional arrangement in 2016. Ms. Hobson introduced Stephanie Sullivan, Director of Education and Outreach at Mother Hubbard's Cupboard.

Ms. Sullivan approached the podium. It has been a pleasure to work with BPRD in providing the community with garden programs and look forward to continuing the program at Butler Park. It was a difficult decision to decide what the future of community gardening education would look like at MHC. MHC is thrilled to have the opportunity to explore what a partnership BHA and the Boys and Girls Club could look like. MHC sees a lot of opportunity with the new sites and believe this transition will be great for those using the services at MHC and Crestmont neighborhood.

Ms. Jane St. John made a motion to approve the Partnership Agreement with Mother Hubbard's Cupboard. Mr. Joe Hoffman seconded the motion. Motion unanimously carried.

### **C-3. Review/Approval of Pesticide Use Policy**

Steve Cotter, Natural Resources Manager recommended the approval of the Bloomington Parks and Recreation Pesticide Use Policy. To meet the 2016 Commission for Accreditation of Park and Recreation Agencies (CAPRA) accreditation standards and address citizen's inquiries a Pesticide Use Policy has been created. The BPRD currently has two certified pesticide applicators on staff and two additional qualified employees will seek their certifications in 2016. After several staff meetings a pesticide use policy was drafted and presented to four citizen groups, the Environmental Resources Advisory Council, the Tree Commission, the Pesticide Use Policy Study Committee and the Bloomington Environmental Commission. These groups reviewed and provided excellent suggestions on how to improve the policy. This policy, if approved, will be the foundation for the development of an integrated pest management (IPM) plan that will be created in 2016. Staff are in the process of collecting and studying existing IPM plan form exemplary agencies in the preparation for the creation of an IPM plan for BPRD.

Mr. Mick Renneisen, Director stated the Department has received public concerns on what chemicals are used in the Parks. To capture public feedback and concerns the staff presented the draft to the four citizen groups. These groups were comprised of groups that were both for and against the use of herbicides and pesticides. The Board has two copies of the policy. The original policy and the strike through version showing the changes made after receiving the recommendation of the four public entities. Mr. Renneisen made the public aware, they have access to this policy and to the current inventory list used by the Department.

Ms. Jane St. John made a motion to approve the Approval of Pesticide Use Policy. Mr. Joe Hoffman seconded the motion. Motion unanimously carried.

### **C-4 Review/Approval of PROPOSED CHANGES TO POLICY 14010, VOLUNTEER GUIDELINES**

Julie Ramey, Community Relations Manager recommended the approval to the proposed changes to the Parks and Recreation Department Policy #14010, Volunteer Guidelines. The Department's process for recruiting, training, tracking, evaluating and thanking volunteers have incrementally changed over the past few years. Changes to the policy reflect these simplified methods for gathering information. The guidelines reflected in this policy have been thoroughly reviewed and updated to align with 2016 CAPRA accreditation standards, and updated to reflect changes in the Special Services Coordinator position and associated record keeping and file location.

Ms. Jane St. John made a motion to approve the Proposed Changes to Policy 14010, Volunteer Guidelines. Mr. Joe Hoffman seconded the motion. Motion unanimously carried.

### **C-5 Review/Approval of Partnership Agreement with Bluestone Tree to Remove Seminary Park White Oak.**

Lee Huss, Urban Forester Recommended the approval of the proposed partnership with Bluestone Tree for the removal of the historic white oak tree in Seminary Park. A white oak in the Seminary Park was identified as "high risk" by Bartlett Tree Experts in October 2014. This high risk rating necessitates the tree's removal to prevent personal injuries or property

damage. Bluestone Tree, a local tree care company proposed to remove the tree at no cost to BPRD. The staff feels this company has the expertise, equipment, staff and ability to safely remove the tree.

The Board requested clarification on who would retain the wood from the tree.

The Department will retain all of the wood product but has agreed to give Bluestone Tree some wood in appreciation of their services.

## **REPORTS**

### **D-1. Operations Division – Switch Yard Park Design**

Mr. Mick Renneisen, Administrator gave a brief overview of the Switchyard Master Plan. Three years ago the original Master Plan was complete by Rundell, Ernstberger and Associates. Since 2012, the staff has continued to work on design elements. Public discussions were held to better understand community needs and to acquire guidance on some design components. Mr. Kevin Osburn, Lead Consultant with Rundell, Ernstberger and Associates will present the schematic design phase today. This design is not refined, we look forward to receiving feedback from the Board and the Community over the next month. Mr. Renneisen introduced Mr. Osburn.

Mr. Osburn presented the schematic design to the Board. The design is three quarters of the way completed. The schematic design phase gives us the opportunity to think in broad conceptual terms about the park and the design elements. What we are looking at tonight is the overall layout of the park, the arrangements and relationships of the design components. Two main changes to the original design occurred when the BPRD acquired two pieces of property. One on the east side and one on the west side, allowing access to the park from Walnut Street and Rogers Street.

Mr. Osburn reviewed the following Park's components;

1. Entrances
  - a. Three vehicular entrances
  - b. Multi bicycle and pedestrian entrances
  - c. B-line Trail
2. Dog Park
3. Large Events Lawn
  - a. Festival ground
  - b. Multi-purpose area
  - c. Performance stage
4. Platform zone
  - a. Playscape
  - b. Spray plaza
  - c. Skate park
5. Pavilion
  - a. Kitchen
  - b. Bar/serving area
  - c. Indoor/outdoor space
  - d. Attached event lawn
  - e. Attached plaza space
  - f. Restrooms
  - g. Area for food trucks to park
6. Two smaller event lawns
7. Community Garden
8. Court games
  - a. Basketball

- b. Pickleball
  - c. Hibachiball
9. Additional buildings
- a. Police sub-station (existing building)
  - b. BPRD maintenance/storage (existing building)

The Board stated while the design of the park should tie back to the history of the Switchyard, it is important to keep a balance between the natural and industrial feel of the park.

The Board expressed concern if the design will cause conflict between the users of the B-Line Trail and those using the park. It is important to keep a feeling of flow when using the trail or park.

Mr. Osburn stated there is a series of trails and loops in the park for public use. This will give people options to get off the B-Line and go at a slower pace. This design is not unlike that at the Showers Building where the B-Line runs through the Farmer's Market.

Mr. Carter requested Mr. Renneisen review how the Public Discussions were conducted.

Mr. Renneisen stated the discussions were divided into sub-sections of the design elements. During each block of time staff and Stakeholders discussed the intended use of each component. From these discussion the design team compiled pertinent information on what was most important to the potential users of the park. This aided in the development of the schematic design plan. The compilation of this information will be beneficial during the final stages of the design. When cost are refined and if funding requires changes, we will be able to determine what features are most important to the community.

The Board showed interest in how the area around the park will redevelop in the future.

Mr. Renneisen stated this is a very important piece of the plan. This was a topic of discussion during Stakeholder meetings. In the near future, PBRD will be working with the Planning Department on how to proceed with this part of the plan.

Mr. Renneisen stated this will be his last Board of Park Commissioners meeting as he has accepted the interim position of Deputy Mayor. Ms. Paula McDevitt will be the Active Director of Bloomington Parks and Recreation Department.

**SUBJECT:** **BRAVO AWARD- Dave Everton**  
**DATE:** January 26, 2016

The Bloomington Parks and Recreation Department would like to recognize Dave Everton, who served as Santa at the Skate with Santa event at the Frank Southern Ice Arena on December 19, 2015. We are pleased to present Dave with the BRAVO award for his exceptional service as Santa.

Sports Facility Supervisor Hsiung Marler said Dave did an outstanding job. Many parents commented on what a great Santa he was. He patiently posed for pictures, spent time with all the children, and helped some nervous young skaters on the ice. Dave even spent time on the ice doing ice angels with the children, not to mention being dressed up in the Santa suit throughout the event! Hsiung said Skate with Santa was a great event, largely thanks to Dave!

Dave attests that getting to make people smile and laugh is his passion. He says that getting to do that while on skates as Santa was a great treat!

Dave moved to the Bloomington community in 1984. In February, Dave will celebrate his 28<sup>th</sup> work anniversary at Indiana University. In his spare time, Dave is a cave explorer and mapper. He is also a talented local musician as lead guitar and vocals for the classic rock band SoulStricken! Dave has been involved in past Parks and Recreation programs such as Leonard Springs Nature Day.

Dave's passion for making people happy, combined with his patience and enthusiasm, made for a vibrant and successful Skate with Santa event. We are pleased to have Dave Everton as our January 2016 **BRAVO Award** winner.

**FROM:** Terrance Thomas  
**DATE:** January 20, 2016  
**SUBJECT:** **Staff Introduction-Terrance Thomas-Program Specialist**

**Background**

My name is Terrance and I am excited to be joining the City of Bloomington Parks & Recreation Department and the Recreation Division team as a Program Specialist at the Banneker Community Center.

I was born and raised in Detroit, Michigan and came to Bloomington in 2007 on a football scholarship, where I lettered four years as a member of the football team. While attending Indiana University I studied criminal justice and enjoyed volunteering with many youth organizations. After graduation in May of 2011, I began working at the Banneker Community Center, as a Recreation Leader and then as a Specialist, where I developed a passion for helping people in this community.

I am excited to have a bigger role and eager to continue impacting the lives of the families connected with the Benjamin Banneker Community Center. I also look forward to being a part of the Parks and Recreation team. This is truly a passion for me and what I believe to be God's will.

I am honored to have this opportunity.

Respectfully Submitted

**Background**

My name is Nikki Wooten, and I am excited to be joining the City of Bloomington Parks & Recreation Department as the Special Services Coordinator. In this role, my major responsibilities will be volunteer services and program sponsorships. I will also assist the community relations team in marketing and event planning.

I was born and raised in Memphis, Tennessee. After attending college at the University of Tennessee at Chattanooga, I came to Indiana University to study at the School of Public and Environmental Affairs (SPEA). As a SPEA Fellow for the Parks Department, I assisted with the Bloomington Community Farmers' Market and Community Garden programs. During that time I developed a passion for local food and sustainable agriculture. One of my fondest memories is helping initiate the Double Market Bucks program.

Following graduate school, I worked for two years at the South Central Community Action Program to develop a new program called Growing Opportunities, which is a job training program for low-income adults with disabilities. In that role I gained experience and knowledge in volunteer management and fundraising.

I had an amazing experience serving as a SPEA Fellow, so I am thrilled to be returning in a full-time capacity! It is a great privilege to have this opportunity, and I look forward to working with everyone within the department on all the great programs Parks has to offer!

Staff recommends approval of the 2016 partnership agreement with Indiana University Health Bloomington

**Background**

Collaboration between Indiana University Health Bloomington staff and Parks and Recreation staff has been occurring for many years. The mission of each organization is similar as it pertains to efforts to improve the overall health and wellness of the community. The first formal partnership agreement was signed in 2010 and has been continuously successful through five strategic action plans in the areas of administration, sports medicine, employee wellness, community health education and community health programming. The respective teams will continue to meet quarterly to update progress and revise future goals. Both entities know this partnership will provide outstanding benefits to the constituencies that we both serve while further enhancing the missions of each organization.

## **COOPERATIVE PROGRAM PARTNERSHIP AGREEMENT**

### **Partner(s):**

This Agreement is made and entered into this \_\_\_\_\_ day of January, 2016 by and between the City of Bloomington Parks and Recreation Department (“BPRD”), and Indiana University Health - Bloomington (“IU Health Bloomington”),

### **WITNESSETH:**

WHEREAS, there is a need to provide programs which promote social, physical, emotional, mental, and environmental health in the community; and

WHEREAS, the BPRD and IU Health Bloomington desire to cooperate in the provision of community health education collaboration programs; and

WHEREAS, the BPRD is authorized to plan and develop partnerships with other community organizations to ensure delivery of services; and

WHEREAS, IU Health Bloomington is authorized to enhance the community’s quality of life through wellness education that creates awareness, promotes healthy choices, fosters self-responsibility and encourages prevention practices; and

WHEREAS, services provided by each party will reflect on the other in this partnership agreement requiring clear communication and outline of expectations.

NOW, THEREFORE, the parties do mutually agree as follows:

- 1.0 Purpose of Agreement.** The purpose of this agreement is to outline a program partnership, which will provide community health education, programs, training, marketing, and opportunities to benefit the health and wellness of the community by combining available resources from each party in the agreement.
- 2.0 Duration of Agreement.** The term of this Agreement shall begin upon signing and run through December 31, 2016, unless terminated earlier as provided under Article 4, below. The partners may agree to extend the term of the agreement on an annual basis.

### **3.0 Agreement Terms Mutually Agreed to By Both Partners:**

- 3.1 The staff involved in this agreement will complete tasks outlined in Exhibit A, Strategic Action Plan Spreadsheets, which is attached hereto and incorporated herein by reference as though fully set forth.
- 3.2 The Administrative strategy will identify opportunities to improve health/wellness opportunities via infrastructure improvement.
- 3.3 The Sports Medicine strategy will involve BPRD and IU Health Bloomington dividing the costs of providing sports medicine services at the national softball tournament. BPRD will cover the costs for the Twin Lakes Sports Park site and IU Health Bloomington will cover the costs at the Winslow Sports Complex site.
- 3.4 The Marketing strategy will review both organizations' current marketing strategies, and identify and utilize opportunities to collaborate, co-brand, and enhance those strategies to promote health and wellness to the community. Strategies will be periodically evaluated for success and modified based on changing communication technology and processes.
- 3.5 The Employer strategy will focus on promoting BPRD health/wellness, sports and recreation programs and volunteer opportunities to the IU Health Bloomington Health Investment Program (HIP) participants.
- 3.6 The Community Health Resource and Facility strategies will work with the Active Living Coalition to compile comprehensive nutrition and physical activity guidelines, and health/wellness information and community resources for medical practitioners and patients. Facility resources will be shared with staff to support education and programming opportunities in the community.
- 3.7 The Community Health Programming and Education strategies will provide joint programming for targeted populations such as senior citizens (Silver Sneakers luncheon speakers/screenings; 50+ Expo); youth (G.O.A.L., Skate Nights; Bike Rodeos); community (lead screenings, car seat checks); pre-school and at-risk populations and a new Prescription for Health initiative.
- 3.8 The staff and personnel involved in this agreement will at all times represent all parties to this agreement in a professional manner and reflect the commitment of all parties to quality services and customer satisfaction.
- 3.9 IU Health Bloomington shall maintain comprehensive general liability insurance, with a minimum combined single limit of \$1,000,000 per occurrence and \$2,000,000 in the aggregate. The policy shall name the City of Bloomington as an additional insured, and IU Health Bloomington shall provide BPRD with a certificate of insurance prior to the

commencement of operations under this Agreement. IU Health Bloomington and its insurer shall notify BPRD within ten (10) days of any insurance cancellation.

- 3.10 The commitment of personnel, facilities, supplies will be honored according to the timetable agreed upon by all parties.
- 3.11 The possession of alcoholic beverages, drugs and other illegal controlled substances, fireworks, air rifles, paintball guns, bow and arrows, cross bows, swords, and pellet guns is strictly prohibited in any park or park facility. In addition, pursuant to Bloomington Municipal Code 14.20.020, the discharge of a firearm is strictly prohibited within the City's jurisdiction. Amplified music, or the promotion or sale of any article is expressly prohibited without a Special Use Permit.
- 3.12 The parties will evaluate this Agreement and the services provided during the month of January, 2017.

#### **4.0 Termination.**

- 4.1 Termination by mutual agreement: The parties may mutually agree to terminate this Agreement. Unless otherwise terminated per the terms of this Agreement, the Agreement shall be in effect from the date signed until December 31, 2016.
- 4.2 Unilateral termination: In the event that one of the partners to this Agreement breaches any of its terms and conditions, the non-breaching party shall serve written notice of the breach to the other party by certified mail. The breaching party shall then have ten (10) days from the date of mailing in which to cure the breach. If the breaching party fails to cure the breach within ten (10) days, the non-breaching party may, at its option and in writing, unilaterally terminate the Agreement.

#### **5.0 Notice:**

- 5.1 Notice regarding any significant concerns or issues of non-compliance shall be given to those contacts as follows:

Bloomington Parks & Recreation  
Paula McDevitt (812) 349-3713

IU Health Bloomington  
Wylene Watts (812) 353-9966

**STAFF REPORT**

Agenda Item C-4  
Date 01/20/2016

Administrator  
Review\Approval  
PM

**TO:** Board of Park Commissioners  
**FROM:** Robin Hobson, Community Events Program Specialist  
**DATE:** January 20, 2016  
**SUBJECT:** **REVIEW/APPROVAL OF PATNERSHIP AGREEMENT WITH THE TRUSTEES OF INDIANA UNIVERSITY (HILLTOP GARDENS AT INDIANA UNIVERSITY) UPDATE**

**Recommendation**

Staff recommends the approval of the partnership between the Trustees of Indiana University and BPRD for the purpose of providing for collaborative programming and sharing of resources to better serve the community with educational opportunities presented around a variety of gardening topics.

**Background**

BPRD offers a varied roster of popular class offerings to area adults at Hilltop Gardens at Indiana University, including topics such as Landscaping with Native Plants, Getting Started with Backyard Chickens, and Soil Building and Cover Crops. In addition, classes on cultivating specific orcharding skills offered through BPRD in cooperation with partner organization, the Bloomington Community Orchard, continue to draw numerous participants to the Hilltop venue in each of the three Program Guide seasons in the year.

Hilltop's role in helping to cross-promote these highly-valued events increases the reach of our programming. Staff appreciate and enjoy working with Hilltop personnel and feel fortunate to be able to bring the gardening and orchard classes to area citizens in partnership with this long-serving, dedicated, horticultural facility.

No significant changes were adopted to this agreement in the past year.

**RESPECTFULLY SUBMITTED,**

## **COOPERATION SERVICES AGREEMENT PROGRAM/ FACILITY PARTNERSHIP**

### **Partner(s):**

This Agreement is made and entered into this \_\_\_\_ day of \_\_\_\_\_, 2016 by and between the City of Bloomington Parks & Recreation Department ("BPRD"), and The Trustees of Indiana University, which operates Hilltop Gardens at Indiana University ("Hilltop").

WHEREAS, the BPRD and Hilltop desire to cooperate in providing gardening classes; and,

WHEREAS, Hilltop is dedicated to reaching out into the community to promote garden programs and classes for the general public; and,

WHEREAS, the BPRD would like to expand gardening class offerings to incorporate more hands-on experience; and,

WHEREAS, the BPRD is authorized to plan and develop partnerships and contractual arrangements with non-city organizations to ensure delivery of services;

NOW THEREFORE, the partners do mutually agree as follows:

### **Purpose of Agreement:**

The purpose of this Agreement is to establish a partnership which will provide for collaborative programming and a sharing of resources to better serve the community.

### **1.0 Duration of Agreement:**

The term of this Agreement shall begin February 2, 2016 and run through January 31, 2017. The partners may agree to renew or extend the term of this Agreement in writing only.

### **2.0 Bloomington Parks & Recreation Department Agrees to:**

- a. Maintain close communication with Hilltop staff, and bring any related facility issues to their attention.
- b. Assist with the distribution of promotional materials produced by BPRD, including flyers and registration information.
- c. Register all program participants, collect class charges and fees through the BPRD, maintain a database of registrant information, and distribute class information to participants.
- d. Provide program publicity by publishing information in the BPRD's seasonal program brochure and on its website.

- e. Provide and pay instructors to teach gardening classes for the Community Garden Program (CGP) offered at Hilltop Gardens.
- f. Provide a site supervisor for all CGP programs.

### **3.0 Hilltop Gardens at Indiana University Agree to:**

- a. Maintain close contact with BPRD staff, and address with them any related facility issues.
- b. Assist with identifying potential instructors and coordinating class schedules for CGP.
- c. Assist with the distribution of promotional materials, including flyers and registration information.
- d. Provide program publicity on CGP programs on the Hilltop Gardens website.
- e. Provide the facility where the classes will be taught, and the appropriate garden area for seed starting, planting, maintenance and other class and event activities.
- f. Coordinate with BPRD the provision of any gardening tools necessary for class use, which include, but are not limited to, wheelbarrows, shovels, and rakes.
- g. Provide a safe, clean, and accessible facility that includes trash removal and restroom cleaning.
- h. Provide the BPRD staff with means to access and lock the facility. In the event this Agreement is terminated by either party, the method of access will be released back to Hilltop within 30 days of termination.

### **4.0 Agreement Terms Mutually Agreed to By Both Partners:**

- a. All marketing/promotional materials and public relations information will be shared between both partners involved **prior to** any advertising.
- b. BPRD and Hilltop staff will coordinate class schedules for the CGP.
- c. The staff and personnel involved in this Agreement will at all times represent themselves to this Agreement in a professional manner, and reflect the commitment of both partners to quality services and customer satisfaction
- d. Both partners agree that the following policies will apply to all activities undertaken at Hilltop pursuant to this Agreement:
  - 1. Indiana University Bloomington campus firearm policy, which prohibits introducing, possessing, using, buying, or selling unauthorized weapons in university facilities and at university activities regardless of whether the owner has a valid state permit to carry the firearm.

2. Indiana University Bloomington campus prohibitions of smoking and the consumption of alcoholic beverages shall apply to all participants in and visitors to gardening classes.
3. Indiana University Bloomington campus tobacco policy, which prohibits the use or sale of tobacco on university-owned, -operated, and -leased property as well as in university-owned, -operated, and -leased vehicles.
4. Indiana University Bloomington campus substance-free policy, which prohibits the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance or alcohol on university property or while conducting university business off university property.
5. Pursuant to Ind. Code 22-5-1.7-11(a), BPRD and Hilltop shall enroll in and verify the work eligibility status of all newly hired employees through the E-Verify program. None of the Partners to this Agreement are required to continue this verification if the E-Verify program no longer exists.

- g. The Parties acknowledge and agree that, as of the execution date of this MOU, BPRD is planning only programming for adult participants at Hilltop. BPRD acknowledges that the University has adopted a policy entitled Programs Involving Children, a copy of which is attached ("PIC Policy"). Additional resources and information concerning the Policy, may be found at: <http://policies.iu.edu/policies/categories/administration-operations/public-safety-institutional-assurance/PS-01.shtml> BPRD agrees that if it adds programming that is directed at youth participation, including one-off events, it will comply with the PIC policy.

## **5.0 Insurance**

The Trustees of Indiana University and City of Bloomington Parks & Recreation Department shall furnish each other with a certificate of insurance upon execution of this partnership Agreement. Each party will maintain comprehensive general liability insurance.

## **6.0 Termination**

- a. Termination by mutual agreement: The partners may terminate this Agreement prior to January 31, 2017 by mutual written agreement only.
- b. In the event that one of the partners to this Agreement breaches any of its terms and conditions, the other party shall serve written notice of the breach to the other party by certified mail. The offending party shall then have ten (10) days from the date of mailing in which to cure the breach. If the breach is not cured within ten days, the non-breaching party may, at its option and in writing, unilaterally terminate this Agreement.

## 7.0 Notice

- a. Notice regarding any significant concerns or issues of non-compliance shall be given to:

Review\Approval  
PM

**TO:** Board of Park Commissioners  
**FROM:** Dave Williams, Operations Director  
**DATE:** January 26, 2016  
**SUBJECT:** **REVIEW/APPROVAL OF CONSULTANT CONTRACT AGREEMENT  
INTERIOR RENOVATIONS TO ALLISON-JUKEBOX CENTER  
REHABILITATION OF BUILDING TRADES PARK RESTROOM**

### **Recommendation**

It is recommended the Board approve a consultant contract agreement with Tabor/Bruce Architecture & Design of Bloomington for interior renovations to the Allison-Jukebox Community Center and rehabilitation to the Building Trades Park restroom facility at a fee of \$21,742.00.

### **Background**

TIF bond funds were allocated in 2015 for rehabilitation of the Alison Jukebox Center to include electrical upgrades, restroom renovations, floor covering replacement, and exterior site accessibility improvements. TIF funds were also approved for the renovation of the outdoor public restroom at Building Trades Park.

Funds for consultant design services were approved from the FY 2015 General Fund. The anticipated schedule for the rehabilitation work at both facilities is Fall 2016.

**RESPECTFULLY SUBMITTED,**

## **AGREEMENT FOR CONSULTING SERVICES**

This Agreement, entered into on this \_\_\_\_ day of January, 2016, by and between the City of Bloomington through its Board of Park Commissioners (hereinafter referred to as “Board”), and **Tabor/Bruce Architecture & Design** (hereinafter referred to as “Consultant”),

### **WITNESSETH:**

WHEREAS, the Board wishes to **complete construction design and bidding documents for interior renovation and repair of the Alison-Jukebox Community Center restrooms, electrical system, and flooring and the outdoor restroom facility at Building Trades Park;** and

WHEREAS, the Board requires the services of a professional design and construction consultant in order to complete construction documents, project bidding, and construction administration, which shall be hereinafter referred to as “the Services”;

WHEREAS, it is in the public interest that such Services be undertaken and performed; and

WHEREAS, Consultant is willing and able to provide such Services to the Board;

NOW, THEREFORE, in consideration of the mutual covenants herein contained, the parties hereto agree as follows:

**Article 1. Scope of Services:** Consultant shall provide the Services for the Board as set forth in Exhibit A, Scope of Services. Exhibit A is attached hereto and incorporated herein by reference as though fully set forth.

Consultant shall diligently pursue its services under this Agreement and shall complete the Services as described in Exhibit A in a timely manner consistent with the Standard of Care identified in Article 2.

In the performance of Consultant’s work, Consultant agrees to maintain such coordination with the Board as may be requested and desirable, including primary coordination with the Parks and Recreation Department official(s) designated by the Board as project coordinator(s). Consultant agrees that any information or documents, including digital GIS information, supplied by the Board pursuant to Article 3, below, shall be used by Consultant for this project only, and shall not be reused or reassigned for any purpose.

**Article 2. Standard of Care:** Consultant shall be responsible for completion of the Services in a manner consistent with that degree of care and skill ordinarily exercised by members of the same profession currently practicing under similar circumstances. Upon notice to the

Consultant and by mutual agreement between the parties, the Consultant will without additional compensation, correct those services not meeting such a standard.

**Article 3. Responsibilities of the Board:** The Board shall provide all necessary information regarding requirements for the Services. The Board shall furnish such information as expeditiously as is necessary for the orderly progress of the work, and Consultant shall be entitled to rely upon the accuracy and completeness of such information. The Board shall designate who is authorized to act on its behalf with respect to this Agreement.

**Article 4. Compensation:** The total compensation paid, including fees and expenses, **shall not exceed the amount of Twenty-One Thousand Seven Hundred Forty Two Dollars (\$21,742.00).** The payments will be made according to Consultant's monthly progress statements for each phase and shall be invoiced for the percentage of work completed only.

Any additional services not set forth in this Agreement will be submitted for approval as an addendum to this Agreement.

**Article 5. Appropriation of Funds:** Notwithstanding any other provision of this Agreement, if funds for the continued fulfillment of this Agreement by the Board are at any time not forthcoming or are insufficient, through failure of any entity, including the Board itself, to appropriate funds or otherwise, then the Board shall have the right to terminate this Agreement without penalty as set forth in Article 7 herein.

**Article 6. Schedule:** Consultant shall perform the Services according to the schedule set forth in Exhibit B, Schedule. Exhibit B is attached hereto and incorporated herein by reference as though fully set forth. The time limits established by this schedule shall not be exceeded, except for reasonable cause as mutually agreed by the parties.

**Article 7. Termination:** In the event of a party's substantial failure to perform in accordance with the terms of this Agreement, the other party shall have the right to terminate the Agreement upon written notice. The nonperforming party shall have fourteen (14) calendar days from the receipt of the termination notice to cure or to submit a plan for cure acceptable to the other party.

The Board may terminate or suspend performance of this Agreement at the Board's prerogative at any time upon written notice to the Consultant. The Consultant shall terminate or suspend performance of the Services on a schedule acceptable to the Board and the Board shall pay the Consultant for all the Services performed up to the date that written notice is received, plus reasonable termination or suspension expenses. Upon restart, an equitable adjustment shall be made to the Consultant's compensation and the schedule of services. Upon termination or suspension of this Agreement, all finished or unfinished reports, drawings, collections of data and other documents generated by Consultant in connection with this Agreement shall become the property of the Board, as set forth in Article 10 herein.

**Article 8. Identity of Consultant:** Consultant acknowledges that one of the primary reasons for its selection by the Board to perform the duties described in this Agreement is the qualification and experience of the Project Team whom Consultant has represented will be responsible therefor. Consultant thus agrees that the services to be done pursuant to this Agreement shall be performed by the Project Team described in Exhibit C, and such other personnel in the employ under contract or under the supervision of Consultant whom the Board shall approve. Exhibit C is attached hereto and incorporated herein by reference as though fully set forth. The Board reserves the right to reject any of the Consultant's personnel or proposed outside professional subconsultants, and the Board reserves the right to request that acceptable replacement personnel be assigned to the project.

**Article 9. Reuse of Instruments of Service:** All documents, including but not limited to, drawings, specifications and computer software prepared by Consultant pursuant to this Agreement are instruments of service in respect to this project. They are not intended or represented to be suitable for reuse by the Board or others on modifications or extensions of this project or on any other project. The Board may elect to reuse such documents; however any reuse or modification without prior written authorization of the Consultant will be at the Board's sole risk and without liability or legal exposure to the Consultant. The Board shall indemnify, defend, and hold harmless the Consultant against all judgments, losses, claims, damages, injuries and expenses arising out of or resulting from such unauthorized reuse or modification. Any verification or adaptation of documents by the Consultant will entitle the Consultant to additional compensation at rates to be agreed upon by the Board and the Consultant.

**Article 10. Ownership of Documents and Intellectual Property:** All documents, drawings and specifications, including digital format files, prepared by Consultant and furnished to the Board as part of the Services shall become the property of the Board. Consultant shall retain its ownership rights in its design, drawing details, specifications, data bases, computer software and other proprietary property. Intellectual property developed, utilized or modified in the performance of the Services shall remain the property of the Consultant.

**Article 11. Independent Contractor Status:** During the entire term of this Agreement, Consultant shall be an independent contractor, and in no event shall any of its personnel, agents or sub-contractors be construed to be, or represent themselves to be, employees of the Board.

**Article 12. Indemnification:** Consultant shall defend, indemnify and hold harmless the City of Bloomington, the Board, and the officers, and employees of the City and the Board from any and all damages, costs, expenses or other liability arising out of the Agreement or occasioned by the reckless or negligent performance or attempted performance of its professional services, including, any reckless or negligent act or omission to act or any willful misconduct on the part of the Consultant, its employees, subconsultants, or anyone for whom the Consultant is legally liable, except that the above shall not apply to the sole negligence or willful misconduct of the Board or the Board's agents, servants or independent contractors who are directly responsible to the Board. This indemnification provision shall apply even if there is concurrent or joint

negligence of the Consultant and the Board, and even if there is active or passive negligence by either or both parties.

**Article 13. Insurance:** During the performance of any and all Services under this Agreement, Consultant shall maintain the following insurance in full force and effect:

- a. General Liability Insurance, with a minimum combined single limit of \$1,000,000 for each occurrence and \$2,000,000 in the aggregate.
- b. Automobile Liability Insurance, with a minimum combined single limit of \$1,000,000 for each person and \$1,000,000 for each accident.
- c. Professional Liability Insurance (“Errors and Omissions Insurance”) with a minimum limit of \$2,000,000 annual aggregate.
- d. Workers’ Compensation Insurance in accordance with the statutory requirements of Title 22 of the Indiana Code.

All insurance policies shall be issued by an insurance company authorized to issue such insurance in the State of Indiana. The City of Bloomington, the Board, and the officers, employees and agents of each shall be named as insured under the General Liability, Automobile, and Worker’s Compensation policies, and such policies shall stipulate that the insurance will operate as primary insurance and that no other insurance affected by the City will be called upon to contribute to a loss hereunder.

Consultant shall provide evidence of each insurance policy to the Board prior to the commencement of work under the Agreement. Approval of the insurance by the Board shall not relieve or decrease the extent to which Consultant may be held responsible for payment of damages resulting from service or operations performed pursuant to this Agreement. If Consultant fails or refuses to procure or maintain the insurance required by these provisions, or fails or refuses to furnish the Board required proof that the insurance has been procured and is in force and paid for, Board shall have the right at Board’s election to forthwith terminate the Agreement.

**Article 14. Conflict of Interest:** Consultant declares that it has no present interest, nor shall it acquire any interest, direct or indirect, which would conflict with the performance of Services required under this Agreement. The Consultant agrees that no person having any such interest shall be employed in the performance of this Agreement.

**Article 15. Waiver:** No failure of either party to enforce a term of this Agreement against the other shall be construed as a waiver of that term, nor shall it in any way affect the party’s right to enforce that term. No waiver by any party of any term of this Agreement shall be considered to be a waiver of any other term or breach thereof.

**Article 16. Severability:** The invalidity, illegality or unenforceability of any provision of this Agreement or the occurrence of any event rendering any portion or provision of this Agreement void shall in no way affect the validity or enforceability of any other portion or provision of this Agreement. Any void provision shall be deemed severed from this Agreement, and the balance of the Agreement shall be construed and enforced as if it did not contain the particular provision to be held void. The parties further agree to amend this Agreement to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision. The provisions of this Article shall not prevent this entire Agreement from being void should a provision which is of the essence of this Agreement be determined void.

**Article 17. Assignment:** Neither the Board nor the Consultant shall assign any rights or duties under this Agreement without the prior written consent of the other party; provided, however, Consultant may assign its rights to payment without the Board's consent. Unless otherwise stated in the written consent to an assignment, no assignment will release or discharge the assignor from any obligation under this Agreement.

**Article 18. Third Party Rights:** Nothing in this Agreement shall be construed to give any rights or benefits to anyone other than the Board and the Consultant.

**Article 19. Governing Law and Venue:** This Agreement shall be governed by the laws of the State of Indiana. Venue of any disputes arising under this Agreement shall be in the Monroe Circuit Court, Monroe County, Indiana.

**Article 20. Non-Discrimination:** Consultant shall comply with City of Bloomington Ordinance 2.21.020 and all other federal, state and local laws and regulations governing non-discrimination in employment.

**Article 21. Compliance with Laws:** In performing the Services under this Agreement, Consultant shall comply with any and all applicable federal, state and local statutes, ordinances, plans and regulations, including any and all regulations for protection of the environment. When appropriate, Consultant shall advise Board of any and all applicable regulations and approvals required by the Federal Environmental Management Agency (FEMA). Where such statutes, ordinances, plans or regulations of any public authority having any jurisdiction on the project are in conflict, Consultant shall proceed using its best judgment only after attempting to resolve any such conflict between such governmental agencies, and shall notify the Board in a timely manner of the conflict, attempts of resolution, and planned course of action.

**Article 22. Verification of New Employees' Immigration Status.** Consultant is required to enroll in and verify the work eligibility status of all newly-hired employees through the E-Verify program. (This is not required if the E-Verify program no longer exists). Consultant shall sign an affidavit, attached as Exhibit D, affirming that Consultant does not knowingly employ an unauthorized alien. "Unauthorized alien" is defined at 8 U.S. Code 1324a(h)(3) as a person who is not a U.S. citizen or U.S. national and is not lawfully admitted for permanent residence or authorized to work in the U.S. under 8 U.S. Code chapter 12 or by the U.S. Attorney General.

Consultant and any subcontractors may not knowingly employ or contract with an unauthorized alien, or retain an employee or contract with a person that the Consultant or subcontractor subsequently learns is an unauthorized alien. If the City obtains information that the Consultant or subcontractor employs or retains an employee who is an unauthorized alien, the City shall notify the Consultant or subcontractor of the contract violation and require that the violation be remedied within 30 days of the date of notice. If the Consultant or subcontractor verified the work eligibility status of the employee in question through the E-Verify program, there is a rebuttable presumption that the Consultant or subcontractor did not knowingly employ an unauthorized alien. If the Consultant or subcontractor fails to remedy the violation within the 30 day period, the City shall terminate the contract, unless the City board or department that entered into the contract determines that terminating the contract would be detrimental to the public interest or public property, in which case the City may allow the contract to remain in effect until the City procures a new Consultant. If the City terminates the contract, the Consultant or subcontractor is liable to the City for actual damages.

Consultant shall require any subcontractors performing work under this contract to certify to the Consultant that, at the time of certification, the subcontractor does not knowingly employ or contract with an unauthorized alien and the subcontractor has enrolled in and is participating in the E-Verify program. Consultant shall maintain on file all subcontractors' certifications throughout the term of the contract with the City.

**Article 23. Notices:** Any notice required by this Agreement shall be made in writing to the addresses specified below:

Nothing contained in this Article shall be construed to restrict the transmission of routine communications between representatives of the Board and the Consultant.

**Article 24. Intent to be Bound:** The Board and the Consultant each bind itself and its successors, executors, administrators, permitted assigns, legal representatives and, in the case of a partnership, its partners to the other party to this Agreement, and to the successors, executors, administrators, permitted assigns, legal representatives and partners of such other party in respect to all provisions of this Agreement.

**Article 25. Integration and Modification:** This Agreement, including all Exhibits incorporated by reference, represents the entire and integrated agreement between the Board and the Consultant. It supersedes all prior and contemporaneous communications,

representations and agreements, whether oral or written, relating to the subject matter of this Agreement.

This Agreement may be modified only by a written amendment signed by both parties hereto.

**IN WITNESS WHEREOF**, the parties hereto have caused this Agreement to be executed the day and year first written above.

6. Seal concrete floor.
7. Paint concrete interior walls.
8. New toilet fixtures.
9. Install new FRP ceiling.
10. Install new LED lighting.

We understand the following for both projects:

1. We will measure and create a floor plan of the toilet rooms and electrical gear room for the Jukebox and measure and draw plans, exterior elevations and roof plan of the Building Trades facility.
2. We will create bid and state and local permit drawings for both projects and file for both permits.

3. We will administer the bidding process and advise the city on the most responsive bid received.
4. We will not perform construction administration, which will be performed by the city. We will be available for issues as needed on an hourly basis during construction. Our hourly rates are \$128.00 for Architect and \$48.50 per hour for drafting/staff.
5. Our fees we propose to perform the necessary renovations and drawings as described above for both projects is \$21,742.00 broken down for the following phases. Our fees include us hiring a consultant to provide us the work we will need to perform for the clean up of the electrical service entrance at the Jukebox.

**TO:** Board of Park Commissioners  
**FROM:** Lee Huss, Urban Forester  
**DATE:** January 13, 2016  
**SUBJECT:** **REVIEW/APPROVAL OF PARTNERSHIP AGREEMENT WITH  
BLOOMINGTON COMMUNITY ORCHARD**

### **Recommendation**

It is recommended the Board approve the 2016 Partnership Agreement with the Bloomington Community Orchard (BCO)

### **Background**

This agreement outlines a program partnership to create the Orchard as a community orchard at Winslow Woods Park that will provide fruit-growing and sharing experiences for community members, produce food to be distributed to community members, and provide a venue for free educational classes. The Orchard is a publicly-owned, volunteer-maintained fruit park. The Orchard covers an area approximately one acre in size, located south of the Willie Streeter Community Gardens and the playground in Winslow Woods Park.

The current partnership agreement has been in effect since 2012. There are no changes in the 2016 partnership agreement.

**RESPECTFULLY SUBMITTED,**

## **COOPERATION SERVICES AGREEMENT PROGRAM PARTNERSHIP**

Partner(s):

This Agreement is made and entered into this \_\_\_\_ day of \_\_\_\_\_, 2016 by and between the Bloomington Parks and Recreation Department (BPRD) and the Bloomington Community Orchard Co., an Indiana non-profit corporation ("BCO"), WITNESSETH:

WHEREAS, BCO and BPRD desire to cooperate in the development and implementation of a community orchard (the "Orchard") at 2120 S. Highland Avenue in Winslow Woods Park; and

WHEREAS, BCO is qualified to perform such services with BPRD; and

WHEREAS, BPRD is authorized to plan and develop partnerships and contractual arrangements with non-city organizations to ensure delivery of services.

NOW THEREFORE, the partners do mutually agree as follows:

### **1.0 Purpose of Agreement:**

The purpose of this Agreement is to outline a program partnership to create the Orchard as a community orchard at Winslow Woods Park that will provide fruit-growing and sharing experiences for community members, produce food to be distributed to community members, and provide a venue for free educational classes. The Orchard is a publicly-owned, volunteer-maintained fruit park. The Orchard will comprise an area approximately one acre in size, located south of the Willie Streeter Community Gardens and the playground in Winslow Woods Park.

### **2.0 Duration of Agreement:**

This Agreement shall begin on the date first set forth, and run through December 2016 unless terminated earlier as provided in Section 8 herein. The partners may agree in writing to renew or extend the term of the Agreement.

### **3.0 Bloomington Parks & Recreation Department**

a. The goal of BPRD is to assist with the development and maintenance of the Orchard in cooperation with BCO.

- b. BPRD may agree to coordinate and assist BCO with certain purchases made by BCO for the Orchard, provided that all such purchases must be agreed upon by BPRD in advance of the purchase. This section in no way obligates BPRD for any financial commitment in connection with any purchases for the Orchard on behalf of BCO.
- c. BPRD agrees to provide the site for the Orchard, including the fenced-in orchard; the compost area at the south-western boundary of the fenced orchard (“Compost Area”); paths connecting the fenced-in orchard and the Compost Area; and possible future expansion north of the fenced in orchard up to the perimeter of the playground at such time as both partners agree to said expansion and this Agreement is amended to provide for such expansion.
- d. BPRD agrees to assist in fulfilling BCO’s water needs for the Orchard, including provision of a water trailer when reasonably needed and agreed upon between the partners. BPRD will set the annual cost for each fill-up and delivery of the water trailer and will invoice the BCO annually. The partners will consider the potential for water catchment as a future plan for meeting the Orchard’s water needs.
- e. BPRD will assist with mulch acquisition and delivery of materials to the site when both partners agree.
- f. BPRD agrees to provide off-site storage of compostable materials and delivery to the orchard site when agreed upon by both partners.
- g. BPRD agrees to promote the Orchard in its Program Guide, The City of Bloomington Volunteer Network list-serve, and other appropriate venues.
- h. BPRD agrees to include BCO representatives in discussions related to the future planning and construction of accessible routes to the Orchard.
- i. BPRD will promote the BCO free classes on Orchard Management and other topics in the Parks Program Guide, through the Community Gardening Program (CGP) Gardening Classes flier and other CGP promotional channels.
- j. BPRD will create a promotional flier for CGP and Orchard classes for each Program Guide season and provide the Orchard with copies or the means to create copies of the same.
- k. BPRD agrees to mow the grass outside the fenced area of the Orchard.
- l. BPRD agrees to provide one staff person to participate in meetings related to this Agreement.

#### **4.0 Bloomington Community Orchard**

- a. The goal of BCO is to enrich communities through growing and sharing fruit.
- b. BCO agrees to oversee and maintain the Orchard and its site, including the Compost Area and the paths between the fenced area and the Compost Area. BCO agrees to construct and maintain a BPRD-approved storage shed. BCO agrees to implement an aesthetically-pleasing and sustainable design for the Orchard, maintain Orchard plantings, and assist with educational

programs on-site and in other community locations.

c. BCO agrees to plan for distribution of the fruit harvested from the Orchard.

d. The BCO will offer free classes on orchard management, pay the instructors for these classes directly, and compensate BPRD \$50 for each class. Payments will be submitted for all classes in a given Program Guide season all at once and will be due within 30 days of the beginning of the Program Guide season (January 1, April 1, and September 1).

e. BCO will share with the CGP tracked date about the number of participants and evaluations from participants in the free classes.

f. BCO agrees to enlist, educate, and manage volunteers who will maintain and develop the Orchard and its site.

g. BCO agrees to maintain financial records related to the Orchard.

h. BCO will be responsible for removal of the shed at the Orchard within one month of termination or expiration of this Agreement. If BCO does not remove the shed in a timely manner upon termination or expiration of this Agreement, the shed and its contents shall become the property of BPRD.

i. BCO agrees to provide one BCO board member to participate in meetings related to this Agreement.

j. BCO agrees to pay for water trailer charges on an annual basis.

## **5.0 Terms Mutually Agreed to by Both Partners**

a. The intent of this agreement is to document a mutually-beneficial partnership between BPRD and BCO.

b. The staff and personnel involved will at all times represent both partners in this Agreement in a professional manner and reflect the commitment of all partners to quality services and customer satisfaction.

c. The commitment of personnel, promotions, equipment and funding sources will be honored according to the timetable agreed upon by all partners.

d. Municipal code sections 6.12.020 and 14.36.090, respectively, prohibit smoking inside City of Bloomington facilities, and the consumption of alcoholic beverages on City of Bloomington property.

e. Pursuant to Indiana Code 35-47-11.1-2 and 3, the City is prohibited from enforcing its former policy on firearms in public parks and city facilities as of July 1, 2011. However, per Indiana Code 35-47-11.1-4(10), BCO may develop and implement, at its own discretion, rules of conduct or admission regarding the carrying and storage of firearms, upon which attendance at and participation in its activities is conditioned. If BCO develops such a policy for its activities, the City may implement and enforce it. If BCO wishes to develop such a policy, it shall provide a copy of the policy to the City, which shall be attached to and made a part of this Agreement.

f. This Agreement and the services provided will be evaluated in April 2016.

#### **6.0 Indemnification:**

The BCO hereby agrees to indemnify, defend, and hold harmless BPRD against any and all liability in connection with the BCO's activities related to this partnership agreement and/or the BCO's operation of the Orchard, including the activities of its successors, agents, employees, contractors, or assigns, including, but not limited to, liability for bodily injury and/or damage to the property of any person, even if caused by negligence of release.

#### **7.0 Insurance:**

The BCO will furnish the City of Bloomington with a certificate of insurance upon execution of this Agreement. The BCO shall maintain comprehensive commercial general liability insurance. Coverage shall be in the amount of one million dollars (\$1,000,000) per occurrence and two million dollars (\$2,000,000) in the aggregate. The policy shall name the City of Bloomington as an additional insured party, and the BCO shall provide the City of Bloomington with a certificate of insurance prior to the commencement of operations under this Agreement. The BCO and its insurer shall notify the City of Bloomington within ten (10) days of any cancellation to the aforementioned insurance.

#### **8.0 Termination:**

a. Termination by mutual agreement: The partners may terminate this Agreement prior to December 31, 2016 by mutual written agreement.

b. In the event that one of the partners to this Agreement breaches any of its terms and conditions, the non-breaching partner shall serve written notice of the breach to the other partner by certified mail. The breaching partner shall then have ten (10) days from the date of mailing in which to cure the breach. If the breaching partner fails to cure the breach within ten (10) days, the non-breaching partner may, at its option and in writing, unilaterally terminate this Agreement.

#### **9.0 Notice:**

a. Notice regarding any significant concerns or issues of non-compliance shall be given to the following contact persons:

REGARDING CONTRACTUAL EMPLOYEES

### **Recommendation**

It is recommended the Board approve the proposed changes to the Parks and Recreation Department Policy # 4140, Contractual Employees.

### **Background**

The process for Contractual Employees have changed over the past few years. Changes to the policy mirror these simplified methods. The guidelines reflected in this policy have been thoroughly reviewed and updated to align with 2016 CAPRA accreditation standard 4.8.

### **POLICY RE: Contractual Employees**

When contracting with employees, the following must be considered:

1. Contractual employees are required to complete a contractual timesheet(s) (example attached) prior to beginning the assignment. The contractual timesheet(s) explicitly outlines the logistics and pay rates agreed upon by the contractor and the Bloomington Parks and Recreation Department.
2. All contractual employees should be renegotiated annually and submit a new PIR document.
3. Independent contractors are not considered employees of the City. Which means they are not eligible for employee benefits.
4. Independent contractors should never be left in charge of a facility nor shall they receive keys.
5. Bus drivers are the only independent contractors allowed to drive City of Bloomington vehicles
6. The independent contractors must comply with department rules and regulations including background checks on themselves and any contractor they hire.
7. Written permission must be obtained from the department in order for the independent contractor to distribute promotional materials.
8. The City's liability insurance will cover the City for the program, but it will not cover the contractor. The independent contractor should make arrangements to obtain necessary insurance coverage to protect him/herself from personal liability.

**TO:** Board of Parks Commissioners  
**FROM:** Natural Resources Laborer  
**DATE:** January 26, 2016  
**SUBJECT:** Invasive Plant Control

**Background**

Invasive Species Management

- What is an invasive species? An invasive species is a plant, fungus, or animal species that is not native to a specific location (an introduced species), and which has a tendency to spread to a degree believed to cause damage to the environment, human economy or human health. Invasives are present in all local parks that have natural areas. Invasive species represent the largest threat to the biodiversity of our parks. They also impact the experience of people using the parks by decreasing opportunities for recreation activities such as fishing, boating, bird watching, etc.
- List of parks where invasive species were actively controlled during 2015
  - Griffy Lake Nature Preserve
  - Leonard Springs Nature Park
  - Winslow Woods
  - The Goat Farm
  - Miller-Showers Park
  - Butler Park
  - Cascades Park
  - Bryan Park
  - Crestmont Park
  - Ferguson Dog Park
  - Latimer Woods
  - Olcott Park
  - RCA Park
  - Sherwood Oaks Park
  - Wapehani Mountain Bike Park

- List of invasive plants we are currently managing
  - Asian Bush Honeysuckle
  - Japanese Stiltgrass
  - Japanese Barberry
  - Japanese Honeysuckle
  - Air Potato
  - Vinca
  - Multiflora Rose
  - Callery Pear
  - Asian Bittersweet
  - Canada Thistle
  - Dame's Rocket
  - Reed Canary Grass
  - Tree of Heaven (ailanthus)
  - Privet
  - Japanese Hops
  - Johnson Grass
  - Crown Vetch
  - Canada Goldenrod
  - Tall Fescue
  - Autumn Olive
  - Purple Wintercreeper
  - Lesser Celandine
  - Garlic Mustard
  - Burning Bush
  - Japanese and Giant Knotweed
  - Bicolor Lespedeza
  - White Mulberry
  
- The management goal is to preserve and protect the vibrant ecosystems within parks. These spaces give park users an opportunity to observe and study the natural areas that provide our community a sense of place as well as a home for a number of species whose habitat is disappearing from our landscape. Decisions to control a species are based on a number of criteria such as our ability to restore the area to a healthy ecosystem, whether the species can be controlled effectively without endangering the ecosystem we are trying to protect, and if the species has shown itself to be invasive in similar ecosystems.
- EDRR – Early Detection/Rapid Response Monitoring for new invasive species that are spreading into this area and controlling them before they become established is vitally important both from a cost perspective and to prevent damage to our natural areas. We monitor our parks on a season by season basis especially in disturbed areas such as roadsides and trails to prevent these new invaders from establishing themselves.
- With the large areas that we manage volunteer efforts are vitally important to reaching our goals. We have great support from our community through groups such as MC-IRIS, and we are reaching out to groups such as the Hoosier Acres Neighborhood Association to help manage invaders outside park boundaries that threaten natural areas in parks.
- We use a number of techniques to manage invasive plants in natural areas, always with an eye for the safest, most effective method that will cause as little disturbance to the surrounding ecosystem as possible. Some techniques used to control invasive plants in parks:
  - Mechanical – hand pulling, weed wrenches, flame weeders

- Chemical – herbicide is one of the more effective tools but requires great care in application. Techniques such as cut stump treatment, basal bark application and directed foliar spot spraying are used to minimize off target damage. No broadcast spraying is done in natural areas.
- Going forward we are creating an IPM policy to direct management of pests in an effective and safe manner, we are in the process of creating vegetation management plans for natural areas. In cooperation with Joanna Sparks, the City Landscaper, we look forward to expanding the use of native plants in parks to promote biodiversity and reduce the use of pesticides, fertilizers and water.

**TO:** Board of Park Commissioners  
**FROM:** Marcia Veldman, Program Coordinator  
**DATE:** **January 26, 2016**  
**SUBJECT:** **FARMERS' MARKET GMO LABELING POLICY**

**Background**

Due to consistent inquiries from Market customers, Market staff, with support from the Farmers' Market Advisory Council (FMAC), decided to research customer interest and concerns regarding Genetically Modified Organisms (GMOs), provide educational opportunities for the community to learn more about GMOs and explore options for appropriate policy regarding their sale at the Market. Following is a timeline outlining the process for FMAC, farmer and customer involvement in the policy development.

- At the December 8, 2014 FMAC meeting, staff and the FMAC discussed the possibility of labeling GMO produce. The FMAC supported moving forward with the discussion.
- In the February 5, 2015 *Market Beet*, vendors were informed that Market staff and the FMAC were considering policy around the sale of GMO crops at Market.
- In the June 13, 2015 *Market Beet*, vendors were informed that a panel discussion would take place regarding GMOs and were invited to participate.
- In June and July 2015, the IU School of Public Health surveyed 204 Market customers asking them to rate their level of agreement with the following statement: I would prefer that all Genetically Modified Organism (GMO) foods sold at the Bloomington Community Farmers' Market be labeled. 77% agreed or strongly agreed; 17% were neutral; and 4% disagreed or strongly disagreed.
- In the August 29, 2015 *Market Beet*, vendors were invited to a panel discussion.
- On September 14, 2015, a panel discussion was held in the atrium of City Hall. About 50 people were in attendance. A video of that discussion is available.
- In the October 17, 2015 *Market Beet*, vendors were asked to provide their input on the possibility of requiring labeling of GMO produce. Survey results are below.
- Additionally, during the season staff received emails from Market customers with input on this topic. Content of all emails is below.
- On December 3, 2015 Parks staff met to discuss a proposed policy requiring labeling of GMO produce.
- On December 7, 2015 the FMAC discussed and support the proposed GMO policy.

### **Market GMO Labeling Policy**

In 2016 the BCFM will require labeling of all GMO produce, plants, Farm Vendor produced Value Added Food and Home Based Vendor products containing GMO produce for the following reasons:

- Customers have expressed a strong interest in having GMO product labeled via the IU School of Public Health survey and in email comments. Nationally, a 2013 New York Times poll found that 93% of consumers want GMO labeling. 64 countries require GMO labeling.
- To maintain a high level of integrity. A frequently cited reason for shopping at Farmers' Markets is concern for how a product is raised and its safety.
- Farm vendors generally supported labeling.
- At this point the number of farmers growing GMO crops for Market and the number of different GMO produce varieties are very few.

### **The following concerns have been raised about labeling:**

- Labeling infers risk.
  - This is not necessarily true. There are all kinds of labels placed on food – “Certified Organic”, “Natural”, “Hormone Free”, etc.
- GMOs are already regulated and determined to be safe by the EPA, FDA and/or the USDA. People should trust that they are safe.
  - The USDA organic standards do not allow for use of GMO products.
  - Most of the studies on GMO's have been done by or paid for by the businesses that stand to benefit from them.
- There are many misconceptions about GMOs, therefore customers don't have accurate information with which to make decisions.
  - While it's true there are people who don't have a clear understanding of what a GMO crop is and what the benefits and risks associated with them are, that doesn't mean the information should be kept from them.
  - The Market Info Table could have an informational sheet to assist in customer edification.
  - Farmers' selling GMO crops could provide information regarding their choice.
- Why not require vendors who use herbicides and pesticides to label their product as such? Or have vendors growing non-GMO produce label as such?
  - There are a very small number of farmers, probably 5 or less, growing GMO crops in the Market and there are only a small number of potential produce items that might be GMO (sweet corn, zucchini and yellow summer squash). Of the about 65 farm vendors who sold produce in 2015, an estimated 50% use herbicides and pesticides. Typically farmers who don't use herbicides and pesticides label accordingly. By deduction customers can assume that ones who do not inform customers that they don't use herbicides and pesticides, probably do. Other than asking, there is no way to know if sweet corn, zucchini and yellow squash are GMO unless they are labeled.
- What if a farmer doesn't realize they are growing GMO product?
  - Farmers who sell GMO crops sign technology agreements.
  - Additionally, we will provide farmers with a list of all the GMO varieties of sweet corn, zucchini and yellow squash.
- How will it be enforced?
  - As with most Market enforcement, we rely heavily on farmers fulfilling the terms of the contract that they signed. Additionally farmers often have significant knowledge of what crops other farmers are growing.

- In the farm vendor application, farmers will indicate if they plan to sell a GMO crop.
- If there are questions as to whether a certain farmer is or is not growing a GMO crop, like with farm investigations as to whether or not a farmer is growing the product they sell at Market, if there is reasonable evidence, an inspection of the farmers records will be done. All farmers should maintain records of receipts for seed purchases for tax purposes.

### **Market GMO Policy Implementation**

- Inform vendors in the February 2016 *Market Beet* of the GMO policy.
- Update the Farm Vendor Handbook to include the following language:  
Produce and plants derived from GMO's, and Home Based Vendor and Value Added Food products containing GMO produce are required to be labeled as such. Labels must be easily read, clearly associated with the GMO produce and utilize the following phrase, "GMO Crop" in letters at least 1 ½ inches in size.

A Genetically Modified Organism (GMO) is defined as an organism whose genetic material (DNA) has been altered using *in vitro* nucleic acid techniques. An "*in vitro* nucleic acid technique" is defined as a method whereby deoxyribonucleic acid (DNA) or ribonucleic acid (RNA) is prepared outside of organisms and then introduced into a recipient cell or organism in such a way that the genetic material of the recipient is changed. GMOs are also said to be "genetically engineered (GE).

- Update the application to provide a complete list of GMO crops and require vendors indicate which, if any, of the GMO crops they intend to grow.

### **Farm Vendor Survey Responses**

**Staff and the Advisory Council are considering requiring labeling of GMO produce sold in the Market (see Market Beet for more details). What are your thoughts on the possibility of a GMO labeling requirement?**

- 1 We support giving as much info as possible, but we also believe consumers need to ask questions. The proposed federal law may, unfortunately, make this a moot point.
- 2 I think labeling should be required.
- 3 No GMO's—Period
- 4 I think GMO labeling should be required customers should have the choice.
- 5 We feel all products containing GMO's should be labeled as such.
- 6 This market is about integrity and transparency. (Any farmers market should be). Integrity says we shouldn't have GMOs at all here—that is my vote. Transparency says that if they do have to be here, they should at least be labeled—my customers are already frustrated that GMO produce is being sold here and they didn't know it.
- 7 I think GMO products should be labeled customers should have the right to know what they are buying without having to ask.
- 8 It would be a great thing to require labeling. People want to know if our products are Non-GMO and they need to be informed. With the growing awareness of GMO I would definitely feel it is of necessity.
- 9 I don't think GMO should be allowed at market in the first place. We don't need them and it makes this a less safe place for our customers.
- 10 I am in agreement to eliminate all GMO produce from Bloomington markets. They harm the environment and cause many health issues. Labeling GMO products would be acceptable, but eliminating them would be best.
- 11 I do not see the harm in it...but will it add more confusing to the already existing terms of "natural", "chemical-free", organic, etc.? I do believe the consumers have the right to know and the vendor has an obligation to inform the consumer, verbally or through labeling.

- 12 I do not think GMOs should be allowed at market. If allowed, strict labeling requirements should be put in place.
- 13 Fine by me. I imagine that is something a majority of the market shoppers would appreciate.
- 14 Yes! Labeling is crucial—next step would be banning GMO altogether—at this market.
- 15 I think this is an extremely important decision Bloomington has a nationally recognized market both in quality and size. We should be leading the way not only in requiring labeling, but in banning the sale of GMO produce. Consumers should be able to lazily see exactly what they are purchasing.
- 16 Not only should GMO produce be labeled—they should not be allowed at all in our market. I understand that one GMO vendor made a big deal at the forum about GMO corn looking just like normal corn. Precisely why it should at minimum be labeled. But as a policy matter we should go further and ban them.
- 17 I think it should be required.
- 18 Probably a good idea, but should be up to the farmer/vendor. Consumers should be responsible to educate themselves on their purchases.
- 19 I think this is a great idea, but I may be hard to know if seed is GMO and I wonder how you would be able to regulate it.
- 20 I think they should have to be labeled.
- 21 I think GMO veggies should be labeled. Labeling of non-GMO veggies would be most vendors, so would appease that all vendors were non-GMO
- 22 Irrelevant. Customers have said if there is a question, the food would be tested. There is not such test. Even if there were, who would pay for it? The Market? Farmer? Customer? People will just lie when asked if they use GMOs just as they lie about growing organically.
- 23 I would like to see labeling for all GMO products including grain and produce. I would also like to see labeling or grass finished vs. grain finished for ruminants (both meats and dairy).
- 24 Honesty and transparency have always been the cornerstone of customer loyalty. The consumer has the right to know what they are feeding their families. To not require GMO labeling at the market will be the first step in our undoing.
- 25 I have mixed feelings. If customers are concerned they should ask the vendor before purchasing. I personally do not raise GMO vegetable crops, but I worry vendors who do will penalized by customers who are not educated about GMO. A lot of customers believe hybrids are GMO. When you evaluate the vegetable crops that are available GMO, it is very limited. How enforcement would take place is an issue. It boils down to a matter of honesty, just like organic. I know “organic” growers who are not even close. Why not have vendors label their products as “non-GMO” if they so choose. What happens when cross-pollination occurs between summer GMO squash and winter non-GMO squash?? Non-GMO was planted buy the resulting offspring could produce a GMO fruit ever if not planted on same farm due to the distance bees travel. I believe it’s a no win situation.
- 26 Yes to labeling
- 28 I would like label GMO produce sold at the market

### **2015 Customer Input Received**

Customers’ responses on the Vendor Survey

**Staff and the Advisory Council are considering requiring labeling of GMO produce sold in the Market (see Market Beet for more details). What are your thoughts on the possibility of a GMO labeling requirement?**

- Yes, please label! With the plethora of local growers who are succeeding at growing without GMOs, there is no reason to be selling GMO produce at our beloved Bloomington Market.—Amanda Mckenzie
- I think that this would be great! I assume we want transparency and integrity at the market.

- GMOs should be labeled for transparency to customers. Customers should know what they are buying.
- Definitely want to know if it's GMO or not. I want to choose.

**What comments or suggestions regarding any other aspect of the Market do you have?**

- The market is a valuable part of my every Saturday.
- Bloomington market has an amazing reputation and dedicated following! I would love to see us set an example for other markets by labeling GMOs (and hopefully removing them eventually too!) To not label them would be unkind to families who choose intentionally to shop at market based on ethics, nutritional wisdom, concern for their children's health, etc. – Amanda McKenzie

- Debby Harris-- [debbydharris@gmail.com](mailto:debbydharris@gmail.com)-- I am writing to support keeping GMOs out of the farmers market. If they do get accepted as part of the market, please do label them as such. I would like to suggest two important benefits of labelling GMOs at the Farmers Market. First, this could be a very good opportunity to educate the public about the facts regarding GMOs. Many people, myself included, want more information about GMOs and would like them from a trusted source like the Farmers' Market. In addition to labelling GMOs, there could be a campaign to distribute information that debunks common myths about GMOs and provides a balanced understanding of the facts. This could have a positive outcome for all involved, including the farmers who are concerned that GMO products are unfairly maligned because of misunderstandings about what they are and are not. Second, transparency is fundamental to democracy. It is also fundamental to a free market economy. As a community, we must be committed to educating our citizens so that they can make informed decisions. Controlling consumer behavior by limiting information is wrong. Educating the public and allowing individuals to make their own decisions is the cornerstone of a democratic society. This is true whether we are talking about labeling GMOs, crops that are sprayed with pesticides or anything else that impacts decision making.
- Betsy Marshall-- [maemarsh@hotmail.com](mailto:maemarsh@hotmail.com)-- I'm writing as a concerned patron of the Bloomington Farmer's Market. It has come to my attention that some of the farmers may be selling GMO-containing foods. I want to express that I do not want my family buying or consuming products with GMOs and the Farmer's Market is the LAST place GMOs should be...please keep GMOs out of the Bloomington Farmer's Market and make those who use them LABEL their products as containing GMOs!
- Brian Flaherty-- [creektivity@gmail.com](mailto:creektivity@gmail.com) -- I am just adding my opinion that GMOs *not* be allowed at the market in the future, and that if they are, they be clearly labeled as such.
- Jana Anna-- [janachannel@gmail.com](mailto:janachannel@gmail.com)-- I shop at the farmer's market in Bloomington 12 months out of the year. I choose to purchase local foods so I can eat as fresh as possible, lessen the carbon footprint and support local farmers and food vendors. I have recently become aware that genetically modified foods have made their way unmarked into our market place. There is a level of trust that I have as I shop locally. Upon learning that these foods are allowed to be sold unmarked a long side heirloom and non-modified foods I feel as if my trust has been violated. I support labeling all foods. I feel we all need to be given a choice. When foods are not marked that choice is taken away. I nationally support full labeling and disclosure. If these modified foods are as benign as they claim then why not proudly label them.
- Crystal Olry-- [crystalolry@gmail.com](mailto:crystalolry@gmail.com)-- It has recently been brought to my attention that GMO's awareness is needed at our local farmers market. I support labeling regulations that informs consumers of any GMO products at the farmers market. It's very important to me that the market customers know what food they are putting in their bodies and whether they are GMOs or not.

- Christine Barbour-- [barbour@indiana.edu](mailto:barbour@indiana.edu)-- I understand that the Winter Market is debating whether or not to require vendors to label their usage of GMO products. I teach a food and politics class at IU in addition to writing about food for *Bloom Magazine* so I am familiar with the general controversy about GMO's. I realize that using GMO seeds are a legitimate choice for many farmers and I don't know that there is necessarily any harm in them, but I don't know that there isn't, either. Until we have definitive evidence on that one way or another, and even after that, it seems to me that it is a no-brainer that consumers should have the same choice farmers have about whether they want to consume GMO products. I would strongly urge the Market Board to require labeling by farmers so consumers can make informed choices. The Market has always been at the forefront of consumer concerns and awareness and to fail to require full disclosure on this important point seems to me to strike at the Market's very integrity.
- Millie Jackson-- [milliecm@gmail.com](mailto:milliecm@gmail.com)-- I shop weekly at our precious Farmer's Market--it is the bulk of my grocery shopping. I am adamantly opposed to GMO's being sold there. It seems to be the anti-thesis of what I thought our Farmer's Market stands for--making available healthy, local produce that supports local growers. Yes, I am educated about GMO's! We MUST cultivate an environment where there is not a market for them or we will see more and more GMO produce introduced at the market. Farmers not wanting to label the existence/use of GMO's reinforces the fact that not as many consumers would buy them if they knew what they are buying--proof that consumers don't want them! Allowing GMO's at our market is dangerous and short-sighted. Not requiring disclosure and transparency about their existence is irresponsible and an act of trying to dupe the consumer. Our market has attracted warranted positive national attention--PLEASE, let's take a stand against the dangers both known and unknown about GMO's to our bodies and to our environment.
- David and Lynn Rogers-- [lrogers345@gmail.com](mailto:lrogers345@gmail.com)-- Both my husband and I support labeling. We hope to hear that this will take place in the near future.
- Mary-Kate Oreovicz-- [marykateoreo@gmail.com](mailto:marykateoreo@gmail.com)-- As a long time Bloomington resident and supporter of local farmers, the issue of GMOs and GMO labeling is important to me as a consumer. I don't want GMOs sold at the farmers market - that said, if they must be allowed, then please, please make sure they are clearly labeled. I don't feel that is too much to ask of the farmers selling GMOs - they label the name, variety, price, etc. so this should not be too much to ask of them. If they are taking the time and energy to invest in GMOs, I can't imagine that they would want to hide this information from us, the customers.
- Ash Vega-- [vegastylista@gmail.com](mailto:vegastylista@gmail.com)-- I vote NO GMO! At the farmer's market. It is my understanding all items MUST be labeled, please do not allow a difference here if this terrible produce gets in.
- Jeremy Stone-- [bornofgaia@gmail.com](mailto:bornofgaia@gmail.com)--NO GMO! At the farmer's market PLEASE. IF god forbid this were allowed, they MUST be labeled! "It is not our part to master all the tides of the world, but to do what is in us for the succor of those years wherein we are set, uprooting the evil in the fields that we know, so that those who live after may have clean earth to till. What weather they shall have is not ours to rule."

- Kristine Ader-- [aderkristy@gmail.com](mailto:aderkristy@gmail.com)-- I attend market thinking that the products are natural, and likely nearly organic in practice, but certainly not GMO. I want the GMO's labeled so I know which to stay away from. Farmers that do not want to label GMO produce for customers should not be allowed to attend this market. No GMO's should be allowed here.
- Jennifer Steinbachs-- [jen@naturopath.pro](mailto:jen@naturopath.pro)-- I am a naturopath with a clinical practice at the Center for Wholism. I find I spend much of my time teaching clients about food sourcing and connecting them with local farmers. I have yet to expand into clinical work with herbals and homeopathics because I have to spend so much time educating clients about food choices. In principle, I oppose

the sale of GMOs at the Bloomington Farmers Market. I feel for those who sell corn (soybean, flax, sunflower, or pretty much any other GMO crop) because, in my opinion as a naturopath and as a PhD-level botanist, I don't believe that there is any form of corn (or other crop) that is free of GMO material. A former IU professor, Prof. Loren Rieseberg, documented that sunflowers can send their pollen much farther than the EPA regulations consider. However, I probably oppose it for different reasons than many. The use of GMOs in one's field requires that the farmer use tremendous amounts of biocides (pesticides, herbicides, etc.), generally in the form of glyphosate (RoundUp). It is actually this product to which I object because of the impact it has both on soil quality, soil microbe composition, and the designation by the WHO as a carcinogen. We already have a vast number of farmers who do not farm according to holistic farming practices, sticking to quasi-organic practices. We do not need more of these, as the fruits of these efforts can already be found in Kroger, Lucky's Market, and other grocery stores. If you decide to permit the sale of GMOs at the Bloomington Farmers Market, I implore that you require labeling. If one considers that the use of GMOs are "free speech", then the need to know about that usage should also be similar to "free speech". Even as Proctor and Gamble are now at the beginning of disclosing the ingredients of their feminine hygiene products, farmers should be willing (indeed, required) to disclose if they have planted GMO seed. And while this may not be enough (pollen does move from one field to another), it would be a start.

- Raileen Murray-- [raileen@gmail.com](mailto:raileen@gmail.com)-- Please do not allow GMO foods to be sold at the market. Your customers believe they are getting a healthier option by shopping local & directly supporting farmers. GMO is a violation of our trust & will ultimately undermine the validity of the experience, hurting your business & creating yet another frustrating food purchasing relationship for the many consumers who care what's in their food & are seeking safer options.
- Spring McCullagh-- [springmccullagh@yahoo.com](mailto:springmccullagh@yahoo.com)-- I Know that it is sometimes hard for local farmers not to use GMO because of financing. I do not agree with having GMO at a farmers market but if those local farmers have to use GMO's , the vegetables or produce should be labeled, so that the consumer can make an informed decision whether to purchase them or not. Thank you so much for looking into this and addressing what's best for the customers.
- Michael McCafferty-- [mmccaffe@indiana.edu](mailto:mmccaffe@indiana.edu)-- Please, if you must allow GMO's in vegetables and fruits at the Farmers' Market, please have those products clearly identified. If the vendors of such products are unconcerned about the effects of GMO's on humans, then they should have no trouble labeling their products accordingly.
- Ali Mitchell-- [alicmitch@gmail.com](mailto:alicmitch@gmail.com)-- I've recently heard about this issue and I stand against GMOs being sold at the farmers market. And if they must be and are still allowed, then they should be labeled. That's not too much to ask of the farmers selling GMOs – if they are so great, why would they not want them labeled? And why, would they want to hide this information from a customer? I hope you hear our voice because we care about healthy, local food and transparency. We have a right to know what is going into our bodies.
- Jon E. Key-- [the.chozen.one@gmail.com](mailto:the.chozen.one@gmail.com)-- We don't want GMO'S at the Farmers Market. If we must have them, we sand they be labeled as such. Please and thank you.
- Alexis Smith-- [ahs2@uemail.iu.edu](mailto:ahs2@uemail.iu.edu)-- As a weekly farmers' market shopper, I'd like to express my opinion on GMOs. I do not think GMOs should be sold at the market and if they are, they really should be labeled to inform customers. Not labeling them is deceptive.
- Claire Woods-- [clairedwoods@gmail.com](mailto:clairedwoods@gmail.com)-- I would like to let the farmers market know that we should NOT allow GMO produce to be sold at the market. If it is to be allowed, labeling should be required! Please consider this.
- Ron Day-- [dayronaldeugene@gmail.com](mailto:dayronaldeugene@gmail.com)-- I understand that there are GMOs being sold at the Bloomington market. I am very much against this, and if it is allowed, I think that the foods should be labeled as such. GMOs are labeled in Europe and I think that is model of consumer safety that

we should be emulating, not Big-Agriculture capitalism in the US. If GMOs are allowed without labeling at our market, I will make sure to ONLY buy from those few vendors whom I trust not to have GMOs. I spend the money necessary to protect myself and my family and will do so in this case. I will tell others of the problem if this is not resolved so they and their families may be protected as well and they can shop at the market or elsewhere if necessary.

- Shaina Dwiel-- [shaina@dwiel.net](mailto:shaina@dwiel.net)-- I'm a customer of the Bloomington Farmers Market and I'm writing to say that I DO NOT want GMO food sold at the market at all. If there must be some, I would expect it to be labeled. Thank you.

**RESPECTFULLY SUBMITTED,**
