We are pleased to present Rita with the BRAVO award for her exceptional services to the Department's Natural Resources program.

#### **C. OTHER BUSINESS**

##### **C-1. Review/Approval of Contract Award TIF Funded Projects Buskirk-Chumley Theater Cinema Improvements**

Mr. Dave Williams, Operations Director, this TIF funded contract through Entertainment Supply & Technologies will provide digital cinematic replacement and upgrades to Buskirk-Chumley Theater (BCT). These technology upgrades, at a cost of \$101,390.00, will give BCT the ability to play movies they have previous been unable to show. The updates will allow BCT to more aggressively pursue film programming: adding an estimated 50 events per year which would enhance revenue collections through admission and concessions sales.

The Board inquired what type of events this upgrade would allow BCT to pursue. The Board questioned if the equipment being provided would be current and protect us from obsolescence in the near future.

Mr. Williams stated this will launch BCT into a competitive environment for programing. Allowing them to pursue a variety of events from mini-film festivals to local groups as well as giving the ability to project current films. BPRD has been working closely with the technical director of BCT, who has guided us through the purchase of this equipment. It is anticipated the equipment will hold up well into the future.

Mr. Joe Hoffman made a motion to approve the TIF Funded BCT Cinema System Improvement Contract with Entertainment Supply & Technology. Ms. Fawcett seconded the motion. Motion was unanimously carried.

##### **C-2. Review/Approval of Contract Award-Banneker Center Limestone Retaining Wall Rehabilitation**

Mr. Dave Williams, Operations Director the contract with Cusak's Masonry Restoration, Inc., at a cost of \$123,250.00, will provide rehabilitation to the historic limestone retaining walls at Banneker Center. Two *Community Development Block Grants* through the City Housing and Neighborhood Development department were awarded for this project and will provide \$146,780 in total funding. This phase will include the west wall, north wall and alley wall and complete the Banneker's rehabilitation wall project. The south wall was repaired in 2008. Three bids were obtained for this project, with Cusak's Masonry Restoration, Inc. having the lowest acceptable bid. The bid includes allowance for additional stone if conditions are discovered during demolition. It is anticipated the project will be completed by early fall.

The Board questioned the ability and references of this company. The Board inquired on the expected life span of a limestone wall.

Mr. Williams stated the pre-bid meetings were very productive and informative. Cusak's Masonry Restoration appears to be a very competent company. John Crane with BFW Crane, a local engineer and expert of limestone construction, has been guiding us through this project. In 2008, we learned how do this type of project in a more efficient and cost effective way. The damage of the wall has occurred over a 100 year time span with the weight, height, and age of the wall along with the use of rock salt contributing to the deterioration of the wall. The wall is remarkable intact for being over 100 years old and shows the fine craftsmanship of that era. BPRD is very proud of this historic and prominent facility feature and we are anxious to see the completion of this project.

Mr. Joe Hoffman made a motion to approve the Contact Award – Banneker Center Limestone Retaining Wall Rehabilitation. Ms. Fawcett seconded the motion. The motion was unanimously carried.

##### **C-3 Review/Approval of Declaration of Surplus Equipment from Buskirk-Chumley Theater**

Ms. Becky Barrack-Higgins, Community Events Manager, with the recent upgrades at Buskirk-Chumley Theater, staff has deemed some of the sound, stage and theater equipment surplus. This equipment is no longer functional, has reached its maturity, or has been upgraded and is no longer useful to the theater. Once declared surplus by the Board, City Legal has advised us of the following options; the equipment can be sold individually on an internet auctions site such as E-bay, donated to a local non-profit organization, used for trade-in value, or entered into the City auction. BCT has given some of the equipment to the BPRD to be included in BPRD sound equipment inventory. BCT intends for

some equipment to be used for trade-in value to aid in purchasing new equipment at reduced cost. If BCT cannot find a vendor to trade in, they would like to be able to sell the equipment and in turn, purchase new equipment.

Mr. Joe Hoffman made a motion to approve the Declaration of Surplus Equipment from Buskirk-Chumley Theater. Ms. Fawcett seconded the motion. The motion was unanimously carried.

#### **C-4. Review/Approval of Contract with Harris Barriers Corporation for Southeast Park Tennis and Basketball Coating.**

Mr. Turnbull, Sports Division Director, top coating and painting of lines is the final phase of the Southeast Park tennis courts and basketball court resurfacing project. Quotes were solicited from the two coating vendors located in central Indiana. Leslie Coatings did not submit a bid as their production scheduled is full. Harris Barriers has submitted a bid for \$11,314 to apply the Laykold Colorcoat System and line the courts. Harris Barriers has been our vendor of choice over the years with excellent references and solid work.

Mr. Hoffman made a motion to approve the Contract with Harris Barriers Corporation for Southeast Park Tennis and Basketball Coating. Ms. Fawcett seconded the motion. The motion was unanimously carried.

#### **C-5 Review/Approval of Declaration of Surplus Equipment for the Griffy Lake Boathouse**

Ms. Elizabeth Tompkins, Natural Resources Coordinator, six kayaks in the rental fleet at Griffy Lake Boathouse are no longer functional. These kayaks have been replaced and staff recommends the removal of the damaged boats from inventory. The Board must declare this equipment surplus for it to be removed. After equipment is declared surplus, City Legal had advised us of the following options: equipment can be entered into the City auction or disposed of. Due to the failed attempts of repair and for safety reasons, BPR plans to dispose of the kayaks by recycling the plastic. If a recycling facility cannot be found who will accept them, they will be disposed of in the landfill.

Mr. Hoffman made a motion to approve the Declaration of Surplus Equipment for the Griffy Lake Boathouse. Ms. Fawcett seconded the motion. The motion was unanimously carried.

#### **C-6 Review/Approval of Bloomington Community Park and Recreation Foundation/Don Brineman Memorial Golf Scramble: Waiving Fees**

Mr. John Turnbull, Sports Division Director, Wednesday, August 31<sup>st</sup> is the 21<sup>st</sup> Annual Parks Foundation Don Brineman Golf Scramble. The waiving of the green fees increases the amount collected by Bloomington Community Park Foundation, which supports the Lloyd Olcott Youth Endowment Fund for scholarships. The tournament generally raises between \$7,000 and \$10,000.

Mr. Hoffman made a motion to approve the Bloomington Community Park and Recreation Foundation/Don Brineman Memorial Golf Scramble: Waiving of Fees. Ms. Fawcett seconded the motion. Motion was unanimously carried.
