

AGENDA
UTILITIES SERVICE BOARD MEETING

Utilities Service Board Room
City of Bloomington Utilities
600 E. Miller Dr.
Bloomington, Indiana 47402

Sam Frank, President
Jim Sherman, Vice President
Jason Banach
Amanda Burnham
Jeff Ehman
Julie Roberts
Jim Sims
Terri Porter, ex-officio

September 5, 2017
5:00 P.M. Regular Meeting

- III. Call to order
- IV. Approval of the minutes of previous meeting (Aug 21)
- V. Approval of the claims
- VI. Public Bid Opening for Dillman Road WWTP Effluent Filter Improvements project - Mike Hicks
- VII. Resolution Approving Energy Savings Contract – Chris Wheeler
- VIII. Subcommittee reports
- IX. Resolution Regarding Unclaimed Customer Credit Balances – Efrat Feferman
- X. Old business
- XI. New business
- XII. Staff reports
- XIII. Petitions and communications*
- XIV. Adjournment

* Brief public comment will be limited to 5 minutes per person.

UTILITIES SERVICE BOARD MEETING

August 21, 2017

Utilities Service Board meetings are recorded electronically or stenographically and are available during regular business hours in the office of the Director of Utilities.

Board President Frank called the regular meeting of the Utilities Service Board to order at 5:10 p.m. The meeting was held in the Utilities Service Board room at the City of Bloomington Utilities Administrative Building in Bloomington, Indiana.

Board members present: Sam Frank, Jason Banach, Amanda Burnham, and Julie Roberts.

Staff members present: Chris Wheeler, Phil Peden, Tom Axsom, Jon Callahan, John Langley, Michelle Waldon, Cindy Shaw, Robin Guyton, Holly McLaughlin, Efrat Feferman, and Vic Kelson.

MINUTES

Board Member Burnham moved and Board Member Roberts seconded the motion to approve the minutes of the August 7th meeting. Motion carried, 4 ayes, 3 members absent (Sherman, Ehman, and Sims).

CLAIMS

Burnham moved and Roberts seconded the motion to approve the standard claims as follows:

Vendor invoices submitted included \$245,898.13 from the Water Utility; \$93,955.10 from the Wastewater Utility; and \$6,914.22 from the Stormwater Utility. Total Claims approved, \$346,767.45.

Motion carried, 4 ayes, 3 members absent (Sherman, Ehman, and Sims).

Board asked about payment to Crowe Horwath. CBU Assistant Director (Finance) Efrat Feferman stated this was the payment for the second phase of an \$80,000 contract. The bulk of that contract has been paid, although there will still be smaller invoices related to closing bonds and the miscellaneous fee study.

Burnham moved and Roberts seconded the motion to approve the utility claims as follows:

Utility invoices submitted included \$4,375.95 from the Water Utility; \$29,727.06 from the Wastewater Utility; and \$0.00 from the Stormwater Utility. Total Claims approved, \$34,103.01.

Motion carried, 4 ayes, 3 members absent (Sherman, Ehman, and Sims).

Burnham moved and Roberts seconded the motion to approve the ACH payment as follows:

Utility invoices submitted included \$200,834.62 from the Water Utility; \$0.00 from the Wastewater Utility; and \$0.00 from the Stormwater Utility. Total Claims approved, \$200,834.62.

Motion carried, 4 ayes, 3 members absent (Sherman, Ehman, and Sims).

Burnham moved and Roberts seconded the motion to approve the wire transfers and fees for the month of July in the amount of \$385,247.90.

Motion carried, 4 ayes, 3 members absent (Sherman, Ehman, and Sims).

Burnham moved and Roberts seconded the motion to approve the customer refunds as follows:

Customer refunds submitted included \$33.28 from the Water Utility; \$2,534.83 from the Wastewater Utility; and \$0.00 from the Stormwater Utility. Total Claims approved, \$2,568.11.

Motion carried, 4 ayes, 3 members absent (Sherman, Ehman, and Sims).

Board asked why no reasons were listed for this set of refunds. Feferman explained that these refunds were from closed accounts with a balance which is normal for this time of year with student housing turnovers.

Burnham moved and Roberts seconded the motion to approve a second set of customer refunds as follows:

Customer refunds submitted included \$.97 from the Water Utility; \$1,543.92 from the Wastewater Utility; and \$0.00 from the Stormwater Utility. Total Claims approved, \$1,544.89.

Motion carried, 4 ayes, 3 members absent (Sherman, Ehman, and Sims).

CUSTOMER APPEAL OF WATER BILL

Roberts moved and Burnham seconded the motion to deny the appeal of the Olive St property. Motion carried, 4 ayes, 3 members absent (Sherman, Ehman, and Sims).

Roberts moved and Burnham seconded the motion to deny the appeal of the Bryan St property. Motion carried, 4 ayes, 3 members absent (Sherman, Ehman, and Sims).

Feferman presented a request for appeal from Stan Garus, a property owner and customer of CBU. Feferman said that this customer's request had gone through the internal departments and had been most recently denied by Director Vic Kelson. Staff involved were present to answer any questions. Written material from staff and a packet of materials from the customer were given to each Board member present. Board invited Customer Garus to present his case.

Garus said that he has 2 properties for which he would like a reduction in the water bill. At 124 N Bryan a pipe burst over the winter resulting in water loss of 20 gallons per minute. CBU had already waived the sewer portion of that bill but Garus argues that since the water was not used for its designed purpose, he would like a reduction of the bill and will work out a payment plan for the reduced bill. He also says that CBU should have been more helpful in a timely detection of the leak.

At 1521 S Olive St, Mr. Garus's house was broken into and the perpetrator turned on the water from the valve, used water, and also ran an outside faucet maliciously. Mr. Garus had turned it

off due to a leak. Mr. Garus is not sure if the person lived there for days or weeks; the police are investigating. Mr. Garus says two of his properties were broken into 3 times this year.

Feferman recommends a denial of any further relief on both properties. CBU has written off over \$7,000 at 1521 S Olive St. The bill was high because the leak had gone on for a lengthy time without being addressed. CBU alerted Garus about leak when a tenant had water in the tenant's name. In addition to writing off the sewer portion during the leak, CBU wrote off the tenant's water bill after her account was closed. At 124 N Bryan, CBU again adjusted sewer portion which was over \$1, 000. It is not CBU policy to adjust water unless an error occurred in reading the meter, which is not the case here.

Garus pointed out that the \$7,000 write-off was to his tenant who refused to turn off water at the valve. Feferman stated that CBU does not get into landlord-tenant disputes.

Board expressed empathy with the situation, particularly crime at the property, but agrees with staff that CBU has followed their policy and excused as much of each bill as is reasonable and in accordance with current policy. Other CBU ratepayers should not have to absorb the remaining cost. Improved leak detection is planned for future capital investments.

Feferman reminded Garus that next step would be to appeal to the IURC and CBU would provide contact information if Garus disagreed with Board's decision.

REQUEST FOR APPROVAL OF AGREEMENT WITH GROOMER CONSTRUCTION

Burnham moved and Roberts seconded the motion to approve contract; motion carried, 4 ayes, 3 members absent (Sherman, Ehman, and Sims).

CBU Engineer Phil Peden presented a contract with Groomer as a result of bid opening at last meeting. Groomer was the lowest bid for 14 curb replacement ramps on West 3rd St. Board approved.

REQUEST FOR APPROVAL OF ISOLUX ASSIGNMENT LETTER REGARDING I69 PROJECT

Burnham moved and Roberts seconded the motion to approve contract; motion carried, 4 ayes, 3 members absent (Sherman, Ehman, and Sims).

City attorney Chris Wheeler presented a letter from Isolux which assigns all of their contracts with CBU to INDOT. All obligations from original agreements, including payment for services rendered from CBU employees, remains the same. INDOT has different software so submitting invoices will be different. There are currently 2 months of outstanding invoices totaling just over \$5,000; INDOT has indicated they will reimburse CBU for those invoices. Wheeler also commented that some issues that CBU has been negotiating with Isolux which are not yet in a written contract, such as certain utility relocations, will be resolved with INDOT and CBU employees will be reimbursed for the time spent in negotiations which is about \$6,500. Board approved letter.

FINDING OF AN EMERGENCY FOR MOLD REMEDIATION WITH FIELDS ENVIRONMENTAL

Board Member Banach moved and Roberts seconded the motion to approve contract with \$50,000 not to exceed limit; motion carried, 4 ayes, 3 members absent (Sherman, Ehman, and Sims).

Wheeler said that mold was discovered at Blucher Poole and was inspected by Fields Environmental Group. The mold could present some hazard to workforce at the plant so CBU is asking the Board to declare this an emergency which, under Indiana code 5, relieves CBU from some obligation to go through contracting protocol. Fields would act as a general contractor to expedite remediation including ductwork, exhaust fans, carpeting, surfaces, HEPA filters, drywall, and HVAC system. Cindy Shaw from CBU Purchasing spoke to the flexibility to go with different options as the extent of the problem was discovered. CBU Deputy Director John Langley said Fields has been reasonable in the past with expenses.

The Board agreed that any risk to staff health is an emergency and wanted to ensure staff working in the building were safe. Langley said the risk happens when the mold is disturbed during remediation work. The Board expressed concern over the idea of not having any ideas how much this could cost and the full extent of work to be done. Board asked if a vote could be done over email but a vote outside of a public meeting is not allowed. Wheeler suggested approving a contract for identification and mitigation not to exceed a price the Board felt comfortable with. The Board agreed to this and set the limit at \$50,000 for the initial work; a full contract for long-term solutions is expected at a future meeting.

RATIFICATION OF ESG CONTRACT

Kelson stated that contract is in development at City Hall and will be tabled for the next meeting.

OLD BUSINESS: N/A

NEW BUSINESS: N/A

SUBCOMMITTEE REPORTS: N/A

STAFF REPORTS: Kelson said the 2018 budget presentation to Council was last Tuesday and there were many good questions and CBU appreciates support from board. Photovoltaic power generation contract still in development. On 9/5, the level of Lake Lemon will be lowered as agreed by the Lake Lemon Conservancy District to allow the Indiana Railway to repair the trestle. It is anticipated that 2 inches will come down per day; 3 feet in total to do work. The work should go quickly, especially if the weather remains warm and dry. Flyers for a staff picnic, 50th Anniversary shirts, and the 50th Anniversary event were distributed. Frank invited everyone to join CBU at the farmer's market on September 16th from 9am to 1pm, say hello, and celebrate 50 years of reliable drinking water thanks to the Monroe Water Treatment Plant.

PETITIONS AND COMMUNICATIONS: N/A

ADJOURNMENT: The meeting was adjourned at 5:55 p.m.

Samuel K. Frank, President

**UTILITIES SERVICE BOARD MOTION
MEETING ON SEPTEMBER 05, 2017**

To:	Utilities Service Board	From:	Kim Robertson
Dept.		Dept.	Accounts Payable
Sub:	Claims list filed: 08/30/17	Date:	08/30/17

ADVERTISEMENT FOR BIDDERS

NOTICE IS HEREBY GIVEN THAT THE UTILITIES SERVICE BOARD OF THE CITY OF BLOOMINGTON, INDIANA WILL RECEIVE SEALED BIDS FOR THE BELOW-DESCRIBED WORK AT THE LOCATION INDICATED.

DILLMAN ROAD WWTP EFFLUENT FILTER IMPROVEMENTS

The work includes replacing the existing pneumatically actuated filter valves with new valves and electric actuators, replacement of the existing service and backwash pumps with new pumps and VFDs for the service water pumps, replacement of the existing venturi flow meters with new meters, replacement of two Dresser couplings, demolition of the existing compressed air system and filter control consoles, electrical and instrumentation and control work to support the new electric actuators, and all other related work and appurtenances necessary to complete the work shown on the Drawings and described in the Specifications.

Sealed bids shall be received by the Utilities Department, at 600 E. Miller Drive, Bloomington, Indiana, 47401, at or before 4:45 PM local time on September 5, 2017. Bids will be publicly opened and read aloud by the Utilities Service Board at 5:00 PM local time on September 5, 2017 at its meeting in the Board Room, Utilities Building, 600 E. Miller Drive, Bloomington, Indiana. Any bids received after the designated time will be returned unopened. Bids will be reviewed and the award may be made at the September 18, 2017 meeting or a subsequent meeting of the Utilities Service Board.

Each Bidder shall file with his or her sealed bid: (1) a properly executed Non-collusion Affidavit as required by the laws of the State of Indiana; (2) a Questionnaire Form 96 of the State Board of Accounts; (3) a cashier's check or certified check drawn on an acceptable bank or a Bid bond equal to five (5) percent of the total amount of bid; (4) a properly executed Trench Safety Systems Affidavit, if project may require creation of a trench of at least five (5) feet in depth; and (5) a properly executed Employee Drug Testing Program Affidavit for a public works project estimated to cost at least \$150,000. For projects utilizing Federal funding Wage rates shall be in compliance with Davis Bacon. For bids of \$100,000.00 or more, the successful bidder shall furnish performance and payment bonds for one hundred percent (100%) of the contract amount prior to the execution of the contract, and said bonds shall remain in effect for a period of one (1) year after final acceptance of the work.

Each Bidder must ensure that to the greatest extent feasible, opportunities for training and employment should be given to lower income residents of the project area and purchases and/or contract for work in connection with the project should be awarded to small business concerns which are located in, or owned in substantial part, by persons residing in the area of the project.

The City of Bloomington is an equal opportunity employer, and Bidder shall meet all requirements for equal employment under Title VII of the 1964 Civil Rights Act as amended and under the Bloomington Human Rights Ordinance, as amended.

Each Bidder for proposals over \$10,000.00 shall submit and have approved by the City of Bloomington Contract Compliance Officer, Barbara McKinney, his/her written Affirmative Action Plan at least twenty-four (24) hours prior to the deadline for submission of bid. Bids received that do not

have an approved Affirmative Action Plan may be returned unopened. Each Bidder must insure that all employees and applicants for employment are not discriminated against because of race, religion, color, sex, national origin, ancestry, disability, sexual orientation, gender identity, veteran status or housing status. All the protected classes must be included in your Affirmative Action Plan for it to be acceptable. In addition to other requirements, your plan MUST include a workforce breakdown, an internal grievance procedure, a non-retaliation statement, designation of a person by name or position who is responsible for implementation of the Plan, applicability to both applicants and employees, recruitment of minorities, equal access to training programs, and an explanation of your method of communicating the operations of your affirmative action plan to employees and prospective applicants. Barbara McKinney, Contract Compliance Officer, may be contacted at (812) 349-3429, 8:00 a.m. to 5:00 p.m. Monday through Friday.

In accordance with Indiana Code 4-13-18-5, each Contractor that submits a bid for a public works project that is estimated to cost \$150,000 or more shall submit with his/her bid a written plan for an employee drug testing program to test the employees of the Contractor and Subcontractors for drugs.

If the project may require creation of a trench of at least five (5) in depth, the low bidder shall be required to submit a trench safety plan to the project engineer at least ten (10) days prior to beginning work on the project.

The contract documents, including specifications, are on file at the Bloomington Utility Office, 600 East Miller Drive. Copies of the Drawings and Specifications are also on file at Wessler Engineering, 6219 South East Street, Indianapolis, Indiana 46227, Telephone (317) 788-4551. Drawings and Specifications may be obtained from Wessler Engineering, Inc. (www.wesslerengineering.com/planroom/) for a non-refundable fee. A complete digital set of bidding documents is available for \$100. A complete hard copy set of bidding documents is available for \$150.

An up-to-date Planholders List may also be viewed at www.wesslerengineering.com/planroom/

The Utility Service Board reserves the right to waive any informality and to accept or reject any or all bids submitted. Bids may be held by the Utility Service Board for a period not-to-exceed sixty (60) days from the date of the opening of Bids for the purpose of reviewing the Bids and investigating the qualifications of the Bidders prior to awarding the contract.

Utilities Service Board, City of Bloomington, Indiana
Samuel K. Frank, President

**UTILITIES SERVICE BOARD
CITY OF BLOOMINGTON, INDIANA
RESOLUTION 2017-3**

WHEREAS, on or about June 20, 2016, the City of Bloomington issued a Request for Qualifications for guaranteed energy savings contract services to, among other things, achieve the goal of providing solar power throughout City Government; and

WHEREAS, on or about November 9, 2016, the City issued a Request for Proposal for Guaranteed Energy Contract Services for the implementation of, among other things, one or more Guaranteed Savings Contracts regarding the construction and/or installation of energy related upgrades, including renewable energy resources such as solar power to facilities owned by the City and operated by its Municipal and Utilities Departments; and

WHEREAS, on or about February 14, 2017, the City expressed its desire to work with Energy Systems Group, LLC, an Indiana limited liability company (hereinafter "ESG") with the intended goal of approval from the Bloomington Common Council to approve a Guaranteed Service Contract under Indiana Code 36-1-12.5 to implement City-wide upgrades to energy related contracting services including, among other things, solar power (photovoltaic systems or "PV" for short); and

WHEREAS, the 120th Indiana General Assembly passed Senate Enrolled Act 309 ("SEA 309"), which reduces certain financial incentives available to the City in connection with the installation of PV systems that are not fully implemented by December 31, 2017; and

WHEREAS, in light of SEA 309, the City requested that ESG immediately undertake to design, develop, and install, for completion before December 31, 2017, all PV Systems without waiting; and

WHEREAS, the City and ESG have entered into a Guaranteed Savings Contract for ESG to design, develop and install all PV Systems before December 31, 2017; and

WHEREAS, the Utilities Service Board finds the City's solarizing initiative to be beneficial for its customer base and finds the timely entered Guaranteed Savings Contract prudent given recent legislation.

NOW, THEREFORE, BE IT RESOLVED THAT:

The City of Bloomington Utilities Service Board hereby supports the City of Bloomington's solarizing initiative and hereby approves of the Guaranteed Savings Contract by and between the City of Bloomington and ESG.

SO ADOPTED by the Utilities Service Board at its regularly scheduled meeting of September 5, 2017.

**UTILITIES SERVICE BOARD
CITY OF BLOOMINGTON, INDIANA
RESOLUTION 2017-4**

Regarding Unclaimed Customer Credit Balances

WHEREAS, pursuant to Indiana Code 36-9-23-28.5 an overpayment of sewer fees that remains unclaimed by a payor for more than seven (7) years after the termination of the service for which the overpayment was made becomes the property of the municipality; and

WHEREAS, there is no comparable provision in the Indiana Code for overpayment of water fees; and

WHEREAS, the City of Bloomington Utilities Service Board is authorized pursuant to Indiana Code 8-1.5-3-4(11) to adopt rules and policies for the safe, economical and efficient management of each utility; and,

WHEREAS, the City of Bloomington Utilities Service Board is of the opinion that the rationale which underlies the Indiana Legislature's adoption of such a fee overpayment policy for the Sewer Utility also applies to the Water Utility and that a comparable policy should be adopted for the Water Utility to promote economical and efficient management of the Water Utility;

NOW, THEREFORE, BE IT RESOLVED THAT:

The City of Bloomington Utilities Service Board hereby adopts the following policy for the Water Utility:

“Any overpayment of water fees that remains unclaimed by a payor for more than seven (7) years after the termination of the service for which the overpayment was made becomes the property of the Water Utility.”

SO ADOPTED by the Utilities Service Board at its regularly scheduled meeting of September 5, 2017.
