Jeff Ehman
Julie Roberts
Terri Porter, ex-officio
Jim Sims, ex-officio

**September 21, 2017
5:00 P.M. Regular Meeting**

- I. Call to order
- II. Approval of the minutes of previous meeting (Sept 5)
- III. Approval of the claims
- IV. Request for Approval of Resolution for Bid Acceptance for the Dillman Road WWTP Effluent Filter Improvements project - Mike Hicks
- V. Request for Approval of Contract for Mold Remediation at Blucher Poole – Cindy Shaw
- VI. Request for Approval of Dump Truck Purchase – Cindy Shaw
- VII. Subcommittee reports
- VIII. Request for Approval of Resolution Regarding Purchasing Policy – Cindy Shaw
- IX. Old business
- X. New business
- XI. Staff reports
- XII. Petitions and communications*
- XIII. Adjournment

* Brief public comment will be limited to 5 minutes per person.

UTILITIES SERVICE BOARD MEETING

September 5, 2017

~~Utilities Service Board meetings are recorded electronically or stenographically and are available during regular business hours in the office of the Director of Utilities.~~

Board President Frank called the regular meeting of the Utilities Service Board to order at 5:00 p.m. The meeting was held in the Utilities Service Board room at the City of Bloomington Utilities Administrative Building in Bloomington, Indiana.

Board members present: Sam Frank, Jim Sherman, Jason Banach, Amanda Burnham, Jeff Ehman, Julie Roberts, and Jim Sims (ex-officio).

Staff members present: Chris Wheeler, Mike Hicks, Brad Schroeder, Phil Peden, Jane Fleig, Tom Axsom, Jon Callahan, John Langley, Michelle Waldon, Cindy Shaw, Nolan Hendon, Holly McLaughlin, Efrat Feferman, and Vic Kelson.

MINUTES

Board Vice President Sherman moved and Board Member Roberts seconded the motion to approve the minutes of the August 21st meeting. Motion carried, 6 ayes.

Frank welcomed Jim Sims, former voting member of the Board, as newest ex-officio member.

CLAIMS

Sherman moved and Roberts seconded the motion to approve the standard claims as follows:

Vendor invoices submitted included \$179,339.56 from the Water Utility; \$78,855.72 from the Wastewater Utility; and \$11,350.39 from the Stormwater Utility. Total Claims approved, \$269,545.67.

Motion carried, 6 ayes.

Board Member Ehman asked about SR2 meters, which are residential ¾ inch meters according to CBU Assistant Director (T&D) Axsom. Ehman also asked about backflow-related materials that were charged between water and wastewater. CBU Assistant Director (Finance) explained that backflow was a 40/60 split unlike pretreatment, which is solely funded through wastewater.

Sherman moved and Roberts seconded the motion to approve the utility claims as follows:

Utility invoices submitted included \$4,851.33 from the Water Utility; \$6,638.66 from the Wastewater Utility; and \$0.00 from the Stormwater Utility. Total Claims approved, \$11,489.99.

Motion carried, 6 ayes.

Sherman moved and Roberts seconded the motion to approve the wire transfers and fees for the month of August in the amount of \$316,844.72.

Motion carried, 6 ayes.

Sherman moved and Roberts seconded the motion to approve the customer refunds as follows:

Customer refunds submitted included \$153.61 from the Water Utility; \$2,800.44 from the Wastewater Utility; and \$0.00 from the Stormwater Utility. Total Claims approved, \$2,954.05.

Motion carried, 6 ayes.

BID OPENING DILLMAN RD WWTP EFFLUENT FILTER IMPROVEMENTS PROJECT

CBU Engineer Hicks said CBU received bids until 4:45. Any received after that time were returned unopened. Wessler Engineering did the design and Andrew Thompson of Wessler helped in bid opening

The following five base bids were received by the deadline and opened at the meeting:

Dugan & Meyers	Louisville, KY	\$1,060,000.00
Graves Construction	Switz City, IN	\$1,081,081.00
Kokosing Industrial	Westerville, OH	\$929,300.00
Mitchell & Stark	Medora, IN	\$1,541,000.00
Reynolds Construction	Orleans, IN	\$1,125,125.00

Hicks thanked all bidders for their time. CBU engineers will review the bids and bring a recommendation to the next Board meeting. Engineering's estimate for the project was \$950,000.00.

RESOLUTION APPROVING ENERGY SAVINGS CONTRACT

Sherman moved and Roberts seconded the motion to approve resolution; motion carried, 6 ayes.

CBU Director Kelson brought Resolution 2017-3 to the Board. He reminded the Board that the solar portion of the Energy Savings Contract between ESG and the City had been extracted and expedited for completion by the end of the year. Although the USB did not need to approve the contract as it is between the City and ESG, the USB will need to approve CBU funding related to the project so CBU is asking the Board to approve this resolution in support of the solar panels. City Attorney Chris Wheeler feels that his colleague Thomas Cameron skillfully negotiated the agreement and is confident in the terms presented in the contract. The Board of Public Works and the Parks Board may not do resolution, but they will be involved as well. Wheeler emphasized that he wanted this board to have an opportunity to publicly support the contract since almost one-half of the proposed photovoltaic in the contract will be at CBU facilities. City-wide solar will result in a lease payment of \$941,000; CBU portion will be a little less than half. This number will firm up as design is completed. Board stressed the critical timeline as the solar panels must be up and running by December 31st to take advantage of the federal incentive. By signing the

Resolution, the Board is not giving up the right to approve or deny other phases or funding. The Board expressed desire to have deliverables of results. When savings start, how are we going to know how it's going? Board would like a concise quarterly report of savings and also encouraged CBU to use data in the budget report Spring of 2018. Kelson said the energy bills showing kilowatt hours used is on BClear.

SUBCOMMITTEE REPORTS: Rules and Regulations subcommittee met on this day at 4:00pm. Sherman reported that the first item discussed was unclaimed balance- money owed to customers that was never collected. The proposed regulation is to credit that money in after 7 years. The subcommittee recommended to the full board that they approve the resolution.

The second agenda item at the subcommittee meeting was a discussion of the purchasing policy. The board will work with CBU staff to draft a purchasing policy that defines what amounts and situations need what approval.

RESOLUTION REGARDING UNCLAIMED CUSTOMER CREDIT BALANCES

Subcommittee recommended to approve resolution; motion carried, 6 ayes.

CBU Assistant Director (Finance) presented Resolution 2017-4 to receipt in customer balances after being unclaimed for seven years. It is modeled on a similar resolution passed by the Board to write off unpaid customer bills after seven years. It also follows related State statute. Board asked if a customer could come in after seven years to claim the amount, but Feferman said after that time, the resolution states the amount becomes CBU property. Feferman stated that CBU staff makes many attempts to contact the customer, but there are times when the customer has not left forwarding addresses, phone numbers, or email addresses.

OLD BUSINESS: N/A

NEW BUSINESS: N/A

STAFF REPORTS: Kelson stated that the Herald Times has a good article related to the water main replacement program. He mentioned that the Lake Lemon draw-down started and, weather permitting, the trestle repair should be done in a timely manner. The 50th Anniversary Celebration will be on September 16th. Kelson also reminded all that this was Feferman's last USB meeting. He said that Efrat is a pleasure to work with and a rock of stability. Feferman said she worked with a stellar team in Finance and was honored to be a part of the team for 9 years. President Frank applauded the work she's done and feels that working with people is her passion and where her heart is. He stated appreciation for presenting financial information in a digestible way.

PETITIONS AND COMMUNICATIONS: Sherman asked about new trash system. Feferman replied that CBU feels ready in its part. There is ongoing coordination with Sanitation and soon temporary Sanitation staff will be stationed at the CBU office for customer service. CBU has been testing the bill and it is probable that it will go out on time with the correct amount.

ADJOURNMENT: The meeting was adjourned at 5:41 p.m.

Samuel K. Frank, President

REVISED

UTILITIES SERVICE BOARD MOTION
MEETING ON SEPTEMBER 18, 2017

To:	Utilities Service Board	From:	Kim Robertson
Dept.		Dept.	Accounts Payable
Sub:	Claims list filed: 09/14/17	Date:	09/14/17
	USB: 09/18/2017		
	For Period: 08/19/17-09/01/17	Paydate:	09/22/17
	G/L Date: 09/22/17

Re: Evaluation of Bids
Dillman Road WWTP
Effluent Filter Improvements Project

Joseph K. Bartos, P.E.
Jonathan E. Borgers, P.E.
Ryan K. Brauen, P.E.
Jeremy A. Burns, P.E., P.L.S.
Megan E. Carr, P.E.

Dear Mr. Hicks:

Stanley S. Diamond, P.E., BCBE
Charity S. Dudley, P.E.
Andrew D. Gordon, P.E., C.F.M.

Pursuant to the advertisement, bids for the Dillman Road WWTP Effluent Filter Improvements Project were received at 4:45 p.m. on 5 September 2017 at the Utilities Department. Each of the sealed bids was opened and read aloud at 5:00 pm at the Utilities Service Board meeting that same day.

Kellen R. Hurst, P.E.
C. Aaron Hutton, P.E.
Dylan L. Lambermont, P.E., LEED AP
William J. Leber, P.E., LEED AP

Five bids were received. A copy of the official Bid Tabulation is enclosed. The contractors which submitted bids and their respective bid amounts are as follows:

	<u>Contractor</u>	<u>Bid Price</u>
	Reynolds Construction, LLC	\$1,125,125.00
	Mitchell and Stark	\$1,541,000.00
	Kokosing Industrial, Inc.	\$929,300.00
	Graves Construction Services	\$1,081,081.00
	Dugan & Myers	\$1,060,000.00

The engineer's estimate for the project was \$950,000.00. The lowest bidder was below the engineer's estimate.

We have reviewed the bid packages for all bidders. The bidding documents for Kokosing, Mitchell and Stark and Graves Construction Services were complete. Reynolds Construction and Dugan and Myers did not include the Responsible Bidder Affidavit as required by the bidding documents. Reynolds also did not include the requisite Trench Safety Affidavit. Each of these are noted in the attached bid tab.

More than a Project™

Pursuant to the contract documents, the City of Bloomington Utilities may accept the lowest bid as may be the lowest responsive and responsible bidder or reject any and all bids. Kokosing Industrial, Inc. was the apparent low bidder. For the apparent low bidder, the evaluation of their experience and qualifications demonstrates they are be capable and qualified to perform the work required. Based on the Kokosing bid and their qualifications, Wessler Engineering, Inc. recommends award to Kokosing Industrial, Inc.

Should the City of Bloomington Utilities choose to award the Project, based upon the bids received and information obtained on the low bidder, the Notice of Award may be made to Kokosing Industrial, Inc. at the contract price of \$929,300.00, contingent upon review by your legal counsel.

We have prepared a Notice of Award to Kokosing Industrial, Inc. If you have any questions or comments, we may be reached at (317) 788-4551.

Sincerely,

WESSLER ENGINEERING

Memo

To: Utilities Service Board Members
From: Vic Kelson, Director of Utilities
Date: 9/14/2017
Re: Blucher Poole Mold Remediation Contract Approval

RECOMMENDATION:

Review and approve the Scope of Work for the Blucher Poole Mold Remediation work to be completed by Fields Environmental Inc. beginning September 25, 2017 at the Blucher Poole Wastewater Treatment Plant. Scope of Work will be accompanied by the standard contract, currently being completed by Chris Wheeler for approval at the meeting on September 18, 2017.

BACKGROUND:

This project was approved by the Utilities Service Board as an Emergency Purchase at the meeting on August 21, 2017, with the Board approving up to \$50,000 for the project funding.

Subject: **MOLD REMEDIATION AND HEATING VENTILATION AND AIR
CONDITIONING (HVAC) MODIFICATIONS PROPOSAL
CITY OF BLOOMINGTON UTILITIES (CBU) BLUCHER POOLE
WASTEWATER TREATMENT PLANT (BLUCHER)
5555 N BOTTOM ROAD
BLOOMINGTON, INDIANA 47404 (PROPERTY)**

Dear Ms. Shaw,

This correspondence provides the estimated scope and costs for mold remediation activities, HVAC modifications for humidity control, project management and post mold remediation sampling in the administration building at Blucher.

Mold Remediation Activities

Mold remediation will be conducted in areas of observed mold contamination within the administration building at Blucher. The following activities will be performed:

- Removal of all water damaged ceiling tiles in the building
- Cleaning and sealing around diffusers/vents throughout the building including removing drywall if necessary
- Cleaning of all (HVAC) duct work and diffusers/vents utilizing a anti-microbial deodorizer
- Removal of wallpaper from the Control Room and Operators Office
- Removal of approximately 1824 ft² of carpeting and from the Main Entrance, Vending Machine Area, Control Room, Supt. Office, Solids Lab Office and the Operators Office
- HEPA vacuuming and cleaning of office contents/cubicles with a fungicidal solution after removal of carpet with the Control Room, Supt. Office, Solids Lab Office and Operators Office
- Cleaning the outside of duct work in the upstairs and downstairs HVAC rooms and removal of porous items in HVAC maintenance room.
- Containment and control measures will be utilized for all removals

Optional Items

- Cleaning nine exhaust vents

HVAC Modifications

The following modifications will be made to the HVAC systems:

- Cleaning four Trane air handlers
- Algae tablets will be added to the condensate pans
- Cleaning one Mitsubishi cassette unit
- Furnishing and installing three dehumidifiers
- Altering thermostat settings to run fans in "Auto"
- Duct allowance included for the HVAC contractor to perform repairs if ducts are damaged during cleaning
- Electrical work for the installation of dehumidifiers

POST REMEDIATION MOLD SAMPLING

Fields will perform a post mold cleanup visual inspection of the previously identified areas of mold, mold air sampling and surface sampling of previously sampled surfaces. Fields will utilize the same analytical testing and sample locations as in the initial investigation.

REPORTING

Documentation of the work performed and results of the sampling investigations would be presented in a letter report with supporting laboratory and contractor reports.

PROJECT TIMELINE

The project is tentatively scheduled to start the week of September 25, 2017. The work will begin with HVAC modifications, cleaning of the HVAC handlers and duct cleaning activities that will take approximately 3-5 days. Mold remediation removal activities are scheduled to start the week of October 2, 2017 and will take approximately 5 days. Post remediation sampling is scheduled to be conducted the week of October 23, 2017 and will take 1-2 days. The final report documenting the work and sampling will be delivered the week of November 6, 2017.

PROJECT COSTS

Fields proposes to conduct the remediation work and sampling investigations on lump sum basis. The total costs including analytical costs, labor and other expenses are shown below:

Description	Cost
Total cost without optional work*	\$40,037.03
Duct cleaning contractor (9 exhaust vents)	\$725.63
Total Cost including all optional work*	\$40,762.66

*Costs do not include restoration work (repairing drywall, painting, replacing flooring, etc.) please see the attached cost estimate spreadsheet for details on labor and other expenses. This proposal is based on CBU providing access to the required interior spaces of the building between the hours of 7am and 7pm and CBU providing personnel to move furniture and other items as required for the activities proposed.

The above referenced proposed activities do not address all potential mold contamination or moisture sources but are focused on addressing known conditions previously identified at the Property.

Our schedules are tentative and subject to change at this point. Please contact Rudy Fields at 812-333-5333 if you have any questions.

Respectfully submitted,
Fields Environmental, Inc.

Rudy Fields, LPG, CHMM
President

ADDITIONAL TERMS ON REVERSE SIDE
 PURCHASER City of Bloomington Utilities
 BY _____
 SALESMAN Kenny Blake
 ACCEPTED BY _____
 THIS ORDER IS NOT BINDING UNTIL ACCEPTED BY DEALER

1. **NO VERBAL PROMISES** - All terms and conditions of this sale are written and appear on this Buyer's Order and no verbal understanding or promises whatsoever are a part of this agreement.
2. **BINDING AGREEMENT** - This Buyer's Order, pending approval of financing constitutes a firm and binding purchase of the equipment as described on this annexed Buyer's Order. All expenses incurred by seller for excise, sales, consumption, and occupational taxes not included in the price on the Buyer's Order and at any time determined to be due and payable in respect of said goods will be paid to the seller in addition to the price on the reverse side.
3. **BREACH OF CONTRACT** - Upon the failure of purchaser to complete said purchase for any reason other than that mutually agreed upon and specified in writing on this Buyer's Order, the cash deposit may be retained and liquidated as damages for breach of contract.
4. **RE-APPRAISAL OF TRADE-IN** - The vehicle traded in is to be delivered by the customer to the dealer in substantially the same condition as when it was appraised. If any substantial change in condition has occurred, or more than 30 days has elapsed since the original appraisal, the truck will be reappraised and the agreement changed to the extent of the amount of the difference in appraisal. With trade-in, the purchaser shall deliver to the dealer an assigned certificate of title or other legal and sufficient evidence of ownership.
5. **CHANGES BY MANUFACTURER** - The Manufacturer reserves the right to make changes in the model, design or specifications of any ordered truck as may be made necessary for the manufacture of said truck.
6. **DELAYS, ACCIDENTS, STRIKES** - Dealer shall not be liable for delays caused by Manufacturer, accidents, strikes or other cause beyond the control of Dealer.
7. **BINDING ARBITRATION** - Any and all disputes, claims or controversies between the Buyer and Seller pertaining to the motor vehicle sold by this Buyer's Order shall be resolved by binding arbitration. The arbitration shall be conducted by a single arbitrator selected pursuant to the agreement of the Buyer and Seller. If the Buyer and Seller cannot agree on a single arbitrator, the arbitration shall be conducted according to the Commercial Arbitration Rules of the American Arbitration Association and the Indiana Uniform Arbitration Act. THE ARBITRATION SHALL BE CONDUCTED IN MARION COUNTY, INDIANA.

NOTICE: THIS ARBITRATION AGREEMENT REQUIRES THE SELLER AND BUYER(S) TO GIVE UP ANY RIGHTS THEY MAY OTHERWISE POSSESS BY LAW TO HAVE THE MATTERS DESCRIBED IN THE ARBITRATION CLAUSE DECIDED IN A LAWSUIT IN A COURT. ANY PARTY TO THIS CONTRACT WHO REFUSES TO SUBMIT TO ARBITRATION OF THE MATTERS SET OUT IN THE ARBITRATION CLAUSE MAY BE COMPELLED TO ARBITRATE BY A COURT ORDER OBTAINED BY ANY OTHER PARTY TO THE CONTRACT.
8. **INDIANA LAW WILL APPLY** - The buyer(s) and seller expressly agree that the law of the State of Indiana will apply to the Buyer's Order negotiated and concluded in Indianapolis, Marion County, Indiana. Any action involving any dispute between Buyer(s) and Seller arising out of this Buyer's Order, and which may be brought in a court, shall be brought only in the Circuit or Superior Court of Marion County, Indiana. Buyer(s) waive any right they may have under any state or federal statute or rule of court procedure to have the action to which this clause refers transferred, heard or decided in any other forum.

**UTILITIES SERVICE BOARD
CITY OF BLOOMINGTON, INDIANA
RESOLUTION 2017-6**

**Regarding the Delegation of Statutory Authority for the Review,
Approval and Signature of Contracts Under \$50,000.00**

WHEREAS, pursuant to Indiana Code 8-1.5-3-4(a)(10) this Board shall award all contracts for the purchase of capital equipment, construction of capital improvements and other property and purposes necessary for the full and efficient construction, management, and operation of each utility; and

WHEREAS, in today's rapid paced society it is no longer as acceptable in some situations to delay a utility project for several weeks waiting for the contract to be presented to the Board for review, approval and signature; and

WHEREAS, pursuant to Indiana Code 5-22-8-2, for purchases expected to be less than \$50,000.00, the purchasing agent, or the governmental body may adopt "small purchases policies"; and

WHEREAS, pursuant to Indiana Code 5-22-6-1, The Utilities Department may purchase services "using any procedure the governmental body . . . considers appropriate; and

WHEREAS, pursuant to Indiana Code 8-1.5-3-4(11) this Board shall adopt rules for the safe, economical, and efficient management and protection of each Utility which necessarily includes streamlining the purchasing procedures for the Utilities department where appropriate to enable the department to be responsive to the needs of each utility and to ensure the safe, efficient and effective maintenance, management and operation of each utility; and

WHEREAS, in an effort to streamline such procedures, the Rules and Regulations Subcommittee recommends to the City of Bloomington Utilities Service Board that the following policy be implemented:

1. That the Director of Utilities shall have the authority to review, approve and sign for and on behalf of the Utilities Service Board, all contracts under \$50,000.00; and
2. That the Director of Utilities shall have the discretion to bring any and all contracts under \$50,000.00 to the Utilities Service Board for review, approval and signature as the Director may deem necessary from time to time; and
3. That the Utilities Service Board may direct the Director of Utilities to bring any and all contracts under \$50,000.00 to the Utilities Service Board for review, approval and signature.

WHEREAS, the City of Bloomington Utilities Service Board is of the opinion that this is an appropriate delegation of Utilities Service Board authority and will help make the Utilities Department be more responsive to the needs of each utility and to ensure the safe, efficient and effective maintenance, management and operation of each utility and this policy should be adopted.

NOW, THEREFORE, BE IT RESOLVED THAT:

The City of Bloomington Utilities Service Board hereby adopts the following purchasing policy for the Utilities Department:

1. That the Director of Utilities shall have the authority to review, approve, and sign for and on behalf of the Utilities Service Board all contracts under \$50, 000.00; and
2. That the Director of Utilities shall have the discretion to bring any and all contracts under \$50,000.00 to the Utilities Service Board for review, approval, and signature as the Director may deem necessary from time to time; and
3. That the Utilities Service Board may direct the Director of Utilities to bring any and all contracts under \$50,000.00 to the Utilities Service Board for review, approval, and signature.

SO ADOPTED by the Utilities Service Board. Dated this 21st day of September 2017
