Staff members present: Nolan Hendon, Phil Peden, Brad Schroeder, Mike Hicks, Jon Callahan, John Langley, Michelle Waldon, Cindy Shaw, Tom Axsom, Chris Wheeler, Holly McLaughlin, and Vic Kelson.

MINUTES

Motion carried, 5 ayes (2 members absent: Ehman and Banach).

CBU Finance Manager Waldon brought to the Board's attention claims that were allocated incorrectly and said the allocations would be corrected. The dollar amount stays the same.

Sherman moved and Burnham seconded the motion to approve the utility claims as follows:

Motion carried, 5 ayes (2 members absent: Ehman and Banach).

Sherman moved and Burnham seconded the motion to approve the customer refunds as follows:

Customer refunds submitted included \$17.17 from the Water Utility; \$18.91 from the Wastewater Utility; and \$191.64 from the Stormwater Utility. Total Claims approved, \$208.81.

Motion carried, 5 ayes (2 members absent: Ehman and Banach).

REQUEST APPROVAL OF AGREEMENT FOR THE DILLMAN WWTP EFFLUENT FILTER IMPROVEMENTS

Sherman moved and Burnham seconded the motion to approve agreement; motion carried, 5 ayes (2 members absent: Ehman and Banach).

CBU Engineer Hicks presented agreement with Kokosing, the company selected through bidding process. Board checked to ensure agreement had been through Legal, Controller, and Mayor's office, which it had, although after the packet was released the previous Thursday.

REQUEST APPROVAL OF 2017-18 CIPP LINING PROJECT AGREEMENT

Sherman moved and Burnham seconded the motion to approve agreement; motion carried, 5 ayes (2 members absent: Ehman and Banach).

CBU Engineer Peden presented agreement with Layne Inliner, the company selected through bidding process. Layne was previously Reynolds, which CBU has worked with successfully in the past. The 2017 portion of the contract focuses on locations that cannot be replaced with traditional methods, such as heavily trafficked intersections. 2018 portion is in Blue Ridge neighborhood which is in need of pipe rehab. There are 25,000 ft. total lined pipes, mostly 8". Contract is not to exceed \$710,478.50 which is under Engineering Department estimate.

REQUEST APPROVAL OF LEASE-PURCHASE AGREEMENT FOR SOLAR INSTALLATIONS

Sherman moved and Burnham seconded the motion to approve agreement; motion carried, 5 ayes (2 members absent: Ehman and Banach).

Wheeler of the City Legal Department requested the Board support effort being made by City for solar installations throughout the city, about ½ of which are at CBU locations. A staff report prepared by Thomas Cameron of the City Legal Dept. spells out methods by which lease is paid compared to the energy savings. Outside legal groups have worked with City Legal and the Controller's office to prepare lease agreement. Board asked what the expected lifespan of the solar panels is. CBU Energy Manager Hendon replied that the lifespan of maximum efficiency is 30 years. Board pointed out that savings begin just as panels begin to lose efficacy, although another Board member pointed out that the savings could be interpreted differently. Board says even if the project is savings neutral, it is a worthwhile effort. ESG subcontractors PSG will install the panels. Board asked if the deadline for maximum net metering would be met. Hendon says where net metering is a factor, the service center for instance, panels will be installed before 2018.

At the plants where all the energy will be used by the facility where the panel is housed, net metering is not a factor so ESG has been released from that deadline.

REQUEST APPROVAL OF RESOLUTION 2017-17

Sherman moved and Burnham seconded the motion to approve agreement; motion carried, 5 ayes (2 members absent: Ehman and Banach).

Wheeler presented a resolution that two ordinances be presented to City Council. The ordinances are for non-recurring rates and fees for water and wastewater. CBU is attempting to adjust the rates to according to the Crowe Horwath report that was previously presented to and approved by the USB. On Nov. 1 is the first reading, Nov. 8 is public hearing, and Nov. 15 is the vote. CBU Director Kelson, Waldon, and Wheeler as well as representatives from Crowe Horwath plan to be at the public hearing to answer questions. Board asked to ensure that it was made clear that the improvements must be made, whether from these fee increases or later rate increases. Board members are also welcome to make comments at City Council meeting.

REQUEST APPROVAL OF BLUCHER POOLE MOLD REMEDIATION HVAC DEMO

Sherman moved and Burnham seconded the motion to approve agreement; motion carried, 5 ayes (2 members absent: Ehman and Banach).

Shaw from CBU Purchasing presented agreement with Fields for demolition of HVAC components and containment of mold. The not to exceed amount is \$15,926.13. Although the amount is under \$50,000, the agreement was brought to the Board because it is part of a larger project and because it is a project on which CBU feels the Board should be kept updated.

REQUEST APPROVAL OF BLUCHER POOLE MOLD REMEDIATION HVAC INSTALL

Sherman moved and Burnham seconded the motion to approve agreement; motion carried, 5 ayes (2 members absent: Ehman and Banach).

Shaw presented an agreement to install new HVAC components at Blucher to replace what Fields removes. The contractor is HFI and the amount is \$27,287.00.

OLD BUSINESS: N/A

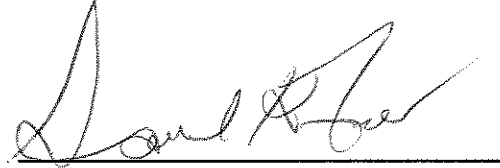

NEW BUSINESS: N/A

SUBCOMMITTEE REPORTS: N/A

STAFF REPORTS: CBU Director Kelson reported that the Labor Management Council annual retreat occurred the previous Friday and went well. Interviews for Assistant Director of Finance continue.

PETITIONS AND COMMUNICATIONS: Sherman said he feels the coverage in the Herald Times blames CBU for the incident in which a child fell in hole where a storm grate was out of place. Kelson said Engineering and T&D both worked to remedy the situation and he feels the reporting was fair. Board member Roberts reminded the other members that on Nov. 16th at 11am Kelson was leading a Monroe Water Treatment Plant tour for USB members.

ADJOURNMENT: The meeting was adjourned at 5:35 p.m.

A handwritten signature in black ink, appearing to read "Samuel K. Frank", written over a horizontal line.

17. **Severability.** The invalidity, illegality or unenforceability of any provision of this Agreement or the occurrence of any event rendering any portion or provision of this Agreement void shall in no way affect the validity or enforceability of any other portion or provision of this Agreement. Any void provision shall be deemed severed from this Agreement, and the balance of the Agreement shall be construed and enforced as if it did not contain the particular provision to be held void. The parties further agree to amend this Agreement to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision. The provisions of this Article shall not prevent this entire Agreement from being void should a provision which is of the essence of this Agreement be determined void.
18. **Assignment.** Neither the City nor the Consultant shall assign any rights or duties under this Agreement without the prior written consent of the other party; provided, however, Consultant may assign its rights to payment without the City's consent. Unless otherwise stated in the written consent to an assignment, no assignment will release or discharge the assignor from any obligation under this Agreement.

19. **Third Party Rights.** Nothing in this Agreement shall be construed to give any rights or benefits to anyone other than the City and the Consultant.

22. **Verification of New Employees' Immigration Status.** Contractor is required to enroll in and verify the work eligibility status of all newly-hired employees through the E-Verify program. (This is not required if the E-Verify program no longer exists). Contractor shall sign an affidavit, attached as **Exhibit "C"**, affirming that Contractor does not knowingly employ an unauthorized alien. "Unauthorized alien" is defined at 8 U.S. Code 1324a(h)(3) as a person who is not a U.S. citizen or U.S. national and is not lawfully admitted for permanent residence or authorized to work in the U.S. under 8 U.S. Code chapter 12 or by the U.S. Attorney General.

Contractor and any subcontractors may not knowingly employ or contract with an unauthorized alien, or retain an employee or contract with a person that the contractor or subcontractor subsequently learns is an unauthorized alien. If the City obtains information that the Contractor or subcontractor employs or retains an employee who is an unauthorized alien, the City shall notify the Contractor or subcontractor of the contract violation and require that the violation be remedied within 30 days of the date of notice. If the Contractor or subcontractor verified the work eligibility status of the employee in question through the E-Verify program, there is a rebuttable presumption that the Contractor or subcontractor did not knowingly employ an unauthorized alien. If the Contractor or subcontractor fails to remedy the violation within the 30 day period, the City shall terminate the contract, unless the Board or department that entered into the contract determines that terminating the contract would be detrimental to the public interest or public property, in which case the City may allow the contract to remain in effect until the City procures a new contractor. If the City terminates the contract, the Contractor or subcontractor is liable to the City for actual damages.

Contractor shall require any subcontractors performing work under this contract to certify to the Contractor that, at the time of certification, the subcontractor does not knowingly employ or contract with an unauthorized alien and the subcontractor has enrolled in and is participating in the E-Verify program. Contractor shall maintain on file all subcontractors' certifications throughout the term of the contract with the City.

23. **Non-Collusion.** Service Provider is required to certify that it has not, nor has any other member, representative, or agent of Service Provider, entered into any combination, collusion or agreement with any person relative to the price to be offered by any person nor prevented

any person from making an offer nor induced anyone to refrain from making an offer and that this offer is made without reference to any other offer. Service Provider shall swear under oath, via signed affidavit, attached as **Exhibit "D"** and by this reference incorporated herein, that Service Provider has not engaged in any collusive conduct.

24. Compliance with Laws. In performing the Services under this Agreement, Consultant shall comply with any and all applicable federal, state and local statutes, ordinances, plans and regulations, including any and all regulations for protection of the environment. When appropriate, Consultant shall advise City of any and all applicable regulations and approvals required by the Federal Environmental Management Agency (FEMA). Where such statutes, ordinances, plans or regulations of any public authority having any jurisdiction on the project are in conflict, Consultant shall proceed using its best judgment only after attempting to resolve any such conflict between such governmental agencies, and shall notify the City in a timely manner of the conflict, attempts of resolution, and planned course of action.

25. Notices. Any notice required by this Agreement shall be made in writing to the addresses specified below:

Consultant: Fields Environmental, 2335 W Fountain Drive, Bloomington,

Nothing contained in this Article shall be construed to restrict the transmission of routine communications between representatives of the City and the Consultant.

26. Intent to be Bound. The City and the Consultant each bind itself and its successors, executors, administrators, permitted assigns, legal representatives and, in the case of a partnership, its partners to the other party to this Agreement, and to the successors, executors, administrators, permitted assigns, legal representatives and partners of such other party in respect to all provisions of this Agreement.

27. Integration and Modification. This Agreement, including all Exhibits incorporated by reference, represents the entire and integrated agreement between the City and the Consultant.
