MEMO

From: Jim Blickensdorf, Chairperson, Parking Commission
To: Parking Commissions
Date: 16 May 2017
Re: **Agenda Items for the May Meeting**

Report on Resolution 2017-02 - To Gather All Data Necessary for an Annual Parking Report

On March 28th, 2017 the Commission authorized and directed the Chair to obtain specific information from City departments and to report this information to the Commission. The Commission is authorized by City ordinance to "(access) all data regarding the city's parking inventory, including usage, capital and operating costs, so long as the data is released in a manner consistent with exemptions from disclosure of public records set forth in Indiana Code § 5-14-3-4". Inquiries were made to Public Works, Planning and Transportation, the Mayor's Office, Office of the City Clerk and City Legal.

The Chair submitted a written request for information, a copy of Resolution 2017-02, and a Public Records Access Request form to Ms. Anahit Behjou, Assistant City Attorney, at the direction of City Legal. Ms. Behjou has provided general ledgers for city accounts 101, 452, 454, and 455 also referred to as Collections, Garages and Lots, the Alternative Transportation Fund (Neighborhood Zones), and the Parking Meter Fund, respectively.

The Chair's letter, Ms. Behjou's response and supporting documents are attached hereto for reference. The Chair compiled the data into summary spreadsheets included at the end of this packet. **The Chair will present details of the spreadsheets at the May meeting.**

City of Bloomington Comprehensive Plan Draft (updated)

The City of Bloomington's Department of Planning and Transportation is finalizing the City's Comprehensive Plan. Chapter 6 of the Comprehensive Plan address transportation and parking issues. The deadline to submit amendments to the Comprehensive Plan is May 31st, 2017. While anyone may submit an amendment, they must be sponsored by a member of the City's Plan Commission.

At the May meeting, the Parking Commission will discuss directing the Chair or a Member to submit amendments to Chapter 6 on behalf of the Commission.

Resolution 2017-04 - To Adopt a Comprehensive Parking Management Policy Statement

City Ordinance 16-22, the authorizing legislation for the Commission, directs the Commission to "To develop, implement, maintain, and promote a comprehensive policy on parking that takes into account the entirety of, and furthers the objectives of, the city's comprehensive plan". The Chair has presented a draft policy including excerpts from Shoup, Litman and Willson. The draft entitled, "Comprehensive Parking Management Policy", has been made available online at

https://docs.google.com/document/d/1Nz_rcDlx4SpebA5m2dezhb-GhFLbwoYgJ6_laCmz5F4/edit for commenting, editing and revision by Commissioners.

The Chair's goal is to create a framework for discussion of issues addressed by this and future Commissions, incorporating views on reducing VMT, creating an efficient Parking Service's department, financial sustainability, openness with stakeholders, while creating a policy that addresses issues of social equity and transparency of the Commission and in aspects of parking operations.

The Chair's goal for May is to establish a subcommittee for the purposes of organizing and writing a policy to be presented to the Commission during the 3rd quarter of 2017.

Updates to Title 15 of the Bloomington Municipal Code

On May 10th, the City of Bloomington Common Council adopted amendments Title 15 of the Bloomington Municipal Code (BMC), Vehicles and Traffic. The amendments were vetted by Traffic Commission and included intersection changes, traffic management changes, and recommendations on back-in parking.

Councilman Volan and Transportation & Traffic Engineer Andrew Cibor discussed modifying Title 15 to restrict idle time in a on-curb metered space. The Commission should explore this subject and review other special provisions of Title 15. that pertain to parking

Resolution 2017-03 - *An Immediate One-Time Budget Request to Fund a Parking Study**

Resolution 2017-03 requests funding from the Parking meter fund to conduct a study of parking demand, utilization, and alternatives in the Downtown area and City-wide. The resolution was introduced, read and discussed at the April meeting and amendment to the resolution were discussed at the Commission's April work session.

The proposed changes to the resolution include:

- Requests up-to \$60,000 in funds from the Parking Meter fund,
- Conduct a parking study during peak occupancy as soon as practical,
- Involve the Commission or its designee in all phases of the RFP/RFQ process and execution of the study.
- Returns any unused funds to the Parking Meter Fund

Scott Robinson contacted Mr. John Dorsett, Senior Vice President of Walker Parking Consultants to obtain an estimate of an update to and/or a new comprehensive parking study. On May 17th, Scott Robinson forwarded an email from Mr. Dorsett indicating \$50,000 as a sufficient estimate of the cost of the study.

Resolution 2017-03 will be presented for Second Reading and Discussion at the May meeting.

Call to Order

Meeting was called to order at 5:45pm.

Approval of Minutes

Mary Jo Shaughnessy moved for approval of the minutes, seconded by Faith Hawkins f. Motion approved by voice vote, 5-0.

Reports from Commissioners

Jim Blickensdorf opened a discussion concerning transparency of the commission and the important of involving stakeholders and commissions early-on in the process. Commissioners were asked to contribute agenda items and topics for resolutions no later than the end of the work session.

Jim Blickensdorf introduced Amanda Turnipseed, Director of IU Parking Operations for IU Bloomington. Amanda discussed the realignment of IU's parking permit system and the changes to the Poplar's garage that take effect May 8th, 2017. After May 8th, the Poplar's garage will be restricted to people with IU parking permits 8a-5p. IU will offer free, unattended parking after 5p and on weekends. Steve Volan inquired about the capacity of the garage and raised the possibility of purchasing permits for employees of the library.

Donna Disque commented on the need to inform non-profit organizations and downtown merchants on the existence of the Commission. Faith Hawkins remarked that the Farmer's Market would be a good venue to promote the work of the Commission.

Report from Staff

No report from staff.

Public Comment

No-one from the public was present.

Resolutions for First Reading and Discussion

Due to scheduling concerns, Resolutions for First Reading and Discussion were moved ahead of Discussions of Topics Not the Subject of Resolutions. Steve Volan discussed the background of **Resolution 2017-03** - *A budget request to fund a parking study in fiscal year 2018*. Steve Volan discussed the 2006 and 2012 Walker Study and the need for a study completed by professional consultants, five years post-installation of the meters.

Jim Blickensdorf commented that the 2006 Walker study cost the City \$55,000 according to the reports in the Herald Times. No information was available to the Commission on the cost of the 2012 study. Jim Blickensdorf noted that the authorizing legislation does not permit the Commission to encumber funds, and that the resolution is a request to staff to fund the line item, ahead of the budget-advance meetings and budget process that will begin in June of 2017 and ratified by the City Council by October of 2017.

Faith Hawkins objected to specific references to Walker Parking and indicated that she did not want the Commission to be tied to any particular consultant. Faith Hawkins suggested removal of perambulatory clause six and seven.

There was no public comment on the resolution.

Jim Blickensdorf indicated that amendments to the resolution would be discussed at the May 10th work session and that any further amendments for consideration should be submitted by email by that date.

Discussion of Topics Not the Subject of Resolutions

Jim Blickensdorf presented a slide deck entitled, "Parking Best Practices." The deck intended to summarize the work of Shoup, Willson, and Litman, emphasizing the concepts of shifting the perceived value of a parking space from convenience and proximity to shared use by priority users and provided a survey of the organization of the City of Bloomington's parking assets. A copy of the deck has been attached hereto for reference.

Discussion of the draft "Comprehensive Parking Management Policy" was informally tabled.

Member Announcements

No Member announcements.

Adjournment

Motion to adjourn at 7:10pm was made by Faith Hawkins, seconded by Mary Jo Shaughnessy. The next meeting of the Commission was set at 5:00pm May 10th in the Kelly room in City Hall.

Meeting called to order at 5pm.

Public Comment

Anne Bono from the Greater Bloomington Chamber of Commerce was present.
No-one else from the public was present.

Resolutions for First Reading and Discussion

Due to scheduling concerns, Resolutions for First Reading and Discussion were moved ahead of Discussions of Topics Not the Subject of Resolutions. Steve Volan discussed the background of **Resolution 2017-03** - *A budget request to fund a parking study in fiscal year 2018*. Steve Volan discussed the budget process, the city-wide survey released on May 5th, 2016, and his recent conversations with the Hamilton administration. Councilman Volan relayed that in light of the city-wide survey citing parking as the number two concern and after consultation with the deputy mayor, Mick Reneissen, the City may be willing to move forward with an update to the 2012 Walker study. Steve discussed the administration's attention to parking re: the Trade's District project and reported that the

administration would like the Commission's input on that parking plan. Steve reported that parking in garages and lots is a higher concern than other types of parking for the administration.

Steve suggested that the Commission contact Walker to obtain an updated estimate for a parking study update. Jim Blickensdorf expressed concerns about process and state law. Scott Robinson agreed to contact Walker on behalf of the Commission and his findings.

Jim Blickensdorf presented six amendments to **Resolution 2017-03**.

Amendments 1 & 2 were discussed in the April meeting. Motion to strike perambulatory clause 6 & 7 by Faith Hawkins, seconded by Jim Blickensdorf.

Amendment 3 was submitted by Steve Volan via email. Consensus was to amend the language to include a "one-time, immediate appropriation".

Amendment 4 was submitted by Steve Volan via email. Consensus was to amend the language consisted with the revised draft of the City's Comprehensive Plan. The final language strikes the word "habits" and replaces it with "demand, utilization, and alternatives in the Downtown area and City-wide."

Amendment 5 was submitted by Steve Volan via email. Discussion concerned the intent of the amendment to be two-fold: 1) to prevent allocated funds for being used for any purpose other than a parking study and 2) to obtain the informed-consent of the Commission in all phases of the study from RFP/RFQ to execution. Jim Blickensdorf pointed out that the authorizing legislation does not permit the Commission to direct staff to allocate funds, and Scott Robinson added, with the exception of the Board of Public Works and the Redevelopment Commission, no other City Commission has authority to or routinely approves invoices or disbursements. Consensus was to rewrite the clause to communicate the Commission's desire to be involved in the process of selection and hiring of a consultant.

Amendments 6 & 7 were submitted by Jim Blickensdorf and withdrawn. There was some discussion about the Commission forwarding amendments to the Comprehensive Plan (**Amendment 7**). The discussion will be tabled until the regular meeting on May 23rd.

Discussion of Topics Not the Subject of Resolutions

The draft of "Comprehensive Parking Management Policy" was on the agenda for the May work session. Faith Hawkins suggested dividing the document into two sections: values for the commission and values related to parking policy in Bloomington, IN. No substantive discussion about the content of the draft took place.

Member Announcements

Mary Jo Shaughnessy commented about the parking issues related to the relocation of the IU Bloomington Hospital and asked the Commission to consider the issue in future meetings.

Jim Blickensdorf discussed garage revenue, expanding supply in the CBD through a combination of private/public partnerships and utilizing on-street parking in neighborhood zone.

Donna Disque expressed concerns about the Graduate Hotel and other developments in Downtown Bloomington. She emphasized the need for swift action.

Adjournment

Meeting adjourned at 7:15pm.
