- Jacklyn Ray shared that there's now a bike lane on the bridge on Rogers around 11th. They are great.

  - City moving forward to turn the temporary bike/ped updates on Allen Street into permanent changes.

### **Scooter Discussion**

- BPSC members were generally aligned with the NACTO guidance for cities regarding scooter sharing programs. Mark Stosberg and Jim Rosenbarger encouraged the City to issue some common sense interim guidance about scooters (as IU has done) while more thorough regulations are developed.
- One idea the City is considering more public bike parking in neighborhoods. Mark Stosberg suggested adding some bike racks at Park Ridge Park. This could be used for scooter-share and bike-share.
