

BDU / Technology Infrastructure Advisory Committee

Meeting Date: February 15, 2018, 4PM

Location: Bloomington City Hall McCloskey Room

Board Attendance: Chris Robb, Mike Allen, Mike Sullivan, Eric Dockendorf

Staff Attendance: Rick Dietz

Public Attendance: Student journalist

Rick Dietz reported on CoB activities:

- Fiber Initiative:
 - Large financial services firm is still considering scenarios for Bloomington builds including conversations with Google Fiber. It's uncertain how this will play out but conversations are ongoing.

Chris Robb: GlobalNOC is now managing NOAA network and this is going well.

Mike Allen: Smithville is beginning to offer a streaming service.

Chris Robb: YouTubeTV now has big 10 Network.

Next meeting is set for April 5.
