RE: FIRE INVESTIGATION TASK FORCE ACTIVATION

Special Notices:

PURPOSE:

The purpose of this General Order is to establish procedures to follow for a Fire Investigation Task Force call out.

DEFINITION:

“Monroe Fire Investigation Task Force”- a multi-agency unit that investigates fires

POLICY:

The Task Force may be called upon to investigate fires.

PROCEDURES:

The commander on scene makes the determination that the Task Force is needed.
~~By policy, the Chief of Police or Deputy Chief is to be notified in the event of a call out. The patrol supervisor on duty or the CIRT leader will make that notification.~~

When CEDC is notified that the Task Force activation is requested, the Telecommunicator will take the following actions:

1. They will attach the Task Force unit (MFIT) to the CFS and this will automatically send a page to the Task Force. ~~will automatically be paged~~
2. If there isn't an existing call for service the Telecommunicator will send a manual page to the Task Force.
