Re: Parking Commission Process for Parking Requests

Process

All persons seeking approval for a parking request are encouraged to contact the City Planning and Transportation Department as early as possible to schedule a pre-application meeting. This meeting is required and must occur by the deadline listed in this schedule.

Following the pre-application meeting with Planning and Transportation staff, the project will be reviewed. Once an application has been filed, the deadline for submitting any revisions or additional information to staff is two weeks prior to the Parking Commission meeting, or as specifically noted in this schedule.

2019 Parking Commission Schedule

Please schedule filing meetings with the case manager 48 hours prior to the filing date. Regular Parking Commission meetings generally take place on the 4th Thursday of each month, from 5:30 pm to 7:00 pm, in the Hooker Conference Room (#245) unless otherwise announced.
