

NOTE: While formal minutes are not produced for budget hearings; the following summarizes actions taken at the budget hearings.

The Common Council met nightly from August 19-22 to discuss the 2020 budget for the City of Bloomington as proposed by Mayor Hamilton. Each department presented its budget for 2020 and received a preliminary vote from the Council. Throughout the remainder of August and September, the administration will work with the Council and various departments to prepare a final version of the 2020 budget for the City of Bloomington. In October, the Common Council hears the budget and makes a final vote. At that time, councilmembers may vote to reduce the budget but may not add to the budget.
