

Agenda

City of Bloomington Tree Commission

Wednesday December 11, 2019, 9:30-11:00am

City Hall, McCloskey Room (#135), 401 N. Morton Street, Bloomington IN 47404

Introduction

1. Introductions
2. Thanks
3. Update on search for Urban Forester (Dave Williams)

Discussions and Presentations

4. We will spend most of the time identifying our next steps as a Tree Commission by discussing the results of the Urban Tree Canopy Assessment Summary Report, by Davey Resource Group, September 2019 and by examining our new tree inventory system, TreeKeeper. You can find both of them at the City of Bloomington Street Trees and Landscaping page.

Please look up your local trees at TreeKeeper.

<https://bloomington.in.gov/about/trees>

Please read the report and formulate questions about it.
