Statement on public meetings during public health emergency

As a result of the Governor's Executive Orders 20-04 and 20-09, the Council and its committees may adjust normal meeting procedures to adhere to guidance provided by state officials. These adjustments may include:

- allowing members of the Council to participate in meetings electronically;
- posting notices and agendas for meetings solely by electronic means (See <https://bloomington.in.gov/council>);
- using electronic meeting platforms to allow for remote public attendance and participation, when possible;
- encouraging the public to watch meetings via Community Access Television Services broadcast or livestream rather than attending meetings in person, and encouraging remote submissions of public comment; and
- reducing seating capacity for Council meetings to encourage social distancing.
