To provide a venue for hearings and dialogue with Council on matters that are not necessarily the subject of legislation.

For Discussion:

- **Aside from annual budget, what type of legislation will BCOS be involved in this year? Are there resolutions/ordinances on the horizon? (ex: Approval of the MOU for the Convention Center)**
- **Historically, what do you think Council least understands about the work you do on BCOS?**
- **How can we best support you in your work?**
- **How can Council best support you? How can we best stay out of your way?**
