RES. 86-2

Mayor Allison said that quite some time ago the Arts Commission considered changing the City Logo and a number of persons were asked to submit ideas. This design was selected by the Commission and Councilmember Tim Mayer was asked to develop the logo idea that he submitted. This design is meant to be non-representative and it can mean a number of things to different people. The design is based on folk quilt patterns, the peony and the lily, and also depicts a starburst quality that is appropriate for Bloomington.

Service said the Arts Commission has considered this problem for several years and thought the design was appropriate for Bloomington today.

The resolution received a roll call vote of Ayes:9, Nays:0. A copy of the logo will be attached to the resolution.

It was moved and seconded that the following ordinances be introduced and read by title only. Clerk Williams read the ordinances by title only. Appropriation Ordinance 86-1 To Specially Appropriate from the Cumulative Capital Development Fund Expenditures Not Otherwise Appropriated.
