SEPTEMBER 3, 1986

Roll Call: Service, Porter, Mayer, Olcott, Register, Gross, Foley, Murphy, Young.

ROLL CALL

Register gave the agenda summation.

AGENDA SUMMATION

The minutes of August 20, 1986 were approved by a voice vote.

APPROVAL OF MINUTES

Service said that at last weeks meeting she neglected to mention that Gross had visited the Chicago incinerator site. She called attention to a recent press conference about additional sites and urged people to come forward with information about PCBs in areas not already covered by the consent decree jurisdiction. Mayer, Gross and Young welcomed Olcott back and Gross said we were truly at a loss the last few weeks trying to get legislation introduced without our parliamentarian. Olcott said he was glad to be back and thanked everyone for the cards, flowers and wishes for a speedy recovery.

MESSAGES FROM
COUNCILMEMBERS

Clerk Williams reported that an insufficient number of signatures were obtained on the recently circulated petitions to abolish the USB. 1237 signatures were submitted but upon verification, only 972 were registered voters in the city jurisdiction. In order for the referendum to be placed in the ballot 5% of the city registered voters signatures were necessary. 1151 was the number needed based on voter registration numbers as of August 8, 1986.

MESSAGES FROM CLERK

It was moved and seconded that Dr. Thomas Middleton be appointed to the USB filing the unexpired term of Andrew Tynan. (1/89)

The ordinance received a roll call vote of Ayes:9, Nays:0.

Olcott moved and Foley seconded the motion that Resolution 86-32 be introduced and read by title only. Clerk Williams read the resolution.

RESOLUTION 86-32

Gross thanked the workable program committee for working out the distribution of CDBG monies. The Council shares the feeling that the committee has gone over the requests, made the necessary decisions and presented it to the Council with necessary background information. Olcott agreed with Gross.

Melba Leach commended the Council for their budget hearing decisions and requested the Council to appoint members to a committee to evaluate the expenses incurred by the consent decree as well as expenses not covered by the decree. She said the county is willing to appoint 3 members and hoped the city could also do so.

Resolution 86-33. Betty Merriman said that this resolution needs to be filed with the State Tax Board by October 1, 1986 and that this request will represent the difference between the city park district levy and the county park district levy and it does include the building fund.

Olcott offered whatever assistance he could be to help Frank Ragan in the next few months. Ragan said the media is prepared to help-the more people who know and understand the situation can only help us.

The resolution received a Do-Pass recommendation of 9-0.

The meeting was adjourned at 8:00 P.M.
