**VI. NEW BUSINESS**

**A. Resolution 17-48: Approval of Project Agreement with Tasus.** Alex Crowley stated in November of 2016, Tasus and the City of Bloomington worked together on a letter of intent. The letter of intent had very broad parameters. Tasus is committed to building their North American headquarters and research facility in the southeast corner of the Trades District. The City of Bloomington also laid out some of their commitments. The letter of intent was non-binding. Resolution 17-48 is the formalization of that letter of intent in the form of a project agreement.

Mayor John Hamilton thanked Tasus, the Redevelopment Commission, and City staff, for all of their hard work on the Trades District and the Tasus project agreement.

Angela Parker, Attorney with Carmin & Parker, introduced Jay Brown and Zoul Ballman, Tasus staff. Parker, Brown, and Ballman were all available to answer any questions.

Thomas Cameron stated the project agreement itself is between the Redevelopment Commission, Tasus, and a holding company, TGNA Holdings. TGNA Holdings is an entity that Tasus set-up to actually own the land while Tasus operates the building on the land.

Cameron outlined each article in the project agreement.

Sue Sgambelluri asked the value of the 10 year tax abatement that is mentioned in the project agreement. Crowley estimated \$900,000.

Staff recommends that the Redevelopment Commission approve a project agreement with TASUS Corporation and TGNA Holdings. TASUS will pay the Redevelopment Commission one dollar (\$1.00) for approximately 0.9 acres of property within the Middle Parcels at the northwest corner of West 10<sup>th</sup> Street and North Madison Street, which will be used to construct a new research and development center with headquarter offices for the company’s corporate staff. Don Griffin is authorized to sign the project agreement on behalf of the Redevelopment Commission. He is also authorized to sign all documents referenced in the project agreement on behalf of the Redevelopment Commission.

Don Griffin asked for public comment. There was no public comment.

Sue Sgambelluri made a motion to approve Resolution 17-48. Jennie Vaughan seconded the motion. The board unanimously approved.

*To Be Completed by Requesting Party:***Project Name: Bloomington Animal Shelter Addition/Renovation****Project Managers: Adam Wason and Virgil Sauder****Project Description:**

The City of Bloomington is a leader in the animal care and control industry, which speaks to the nature and character of the community. Often, when new Bloomington residents come into the Shelter, they are blown away by the staff, environment, and the healthy pets available for adoption. Over the last decade we have reduced euthanasia by 59%, increased adoptions by 25%, and reduced the total number of animals entering the system by 23%. For us to continue this type of success we must upgrade the Shelter.

In 2011, a building analysis and planning study was completed for the Shelter. (A copy of that study is attached to this Project Review and Approval Form.) The study's goal was to recommend renovations and additions that would allow the existing facility to provide "a solid basis for service into the next two decades."

In conducting that review, the consultant concluded that the numerous issues with the 1970s era portion of the shelter—including issues with the lighting, drainage, and HVAC—would require significant renovation in order to properly support the sheltered animals in a healthy environment, and that the cost of renovations would likely exceed the value of the entire building.<sup>1</sup>

---

<sup>1</sup> The study also noted inherently unworkable traffic patterns caused by the 1970s building and the 2004 expansion, which could not be resolved by a renovation.

This project would demolish the 1970s era portion of the shelter (which is currently used as the dog kennel area, Monroe County Humane Association Offices, Euthanasia Room, and Special Care Cat Room), reuse the 2004 expansion, and develop a new addition to accommodate the Shelter’s current and projected future needs. This will both increase the Shelter’s ability to properly care for the animals entering the Shelter and create a safe environment for the thousands of guests that enter the Shelter each year.

This project is a permissible use of Tax Increment. Although the starting point is an existing building, the scope of the project is more akin to new construction. If the TIF Test applied, all four factors would be satisfied:

1. It is substantial and complex work that involves the addition of new parts.
2. It will directly increase the value of the Shelter, replacing an old, flawed building with a new building sufficient for the next two decades.
3. The Shelter after the completion of the project will perform as well as a newly constructed Shelter.
4. This project—demolition and new construction—was not contemplated as part of the normal life cycle of the existing Shelter.

Additionally, this is a project that would be capitalized under the IRS’s guidelines.

WHEREAS, in order to complete the activation of the Dimension Mill, the Commission also requires Activation Coordination Services (“Services”); and

WHEREAS, BEDC is qualified, willing, and able to provide the necessary Services for the Commission pursuant to the terms of this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants herein contained, the parties hereto agree as follows:

**Article 1. Scope of Services:**

BEDC shall diligently pursue the Services described in more detail below and shall complete the services described in this Agreement prior to October 1, 2017, consistent with the Standard of Care identified in Article 2.

1. Work with the Commission to establish the necessary groundwork to activate the Dimension Mill as a technology office space once the construction is complete. This will include:
  - a. Creation of a separate nonprofit entity for operation of the Dimension Mill, including: (i) finding and retaining an attorney to set up the nonprofit, (ii) finding and retaining accounting services to set up the financials, (iii) obtaining customary and typical insurance for the nonprofit, and paying the initial premium of the insurance (not to exceed Five Thousand Dollars), and (iv) purchase of appropriate office equipment and other necessary materials (not to exceed Five Thousand Dollars).<sup>1</sup>
  - b. Establishment of an Advisory Board for the separate nonprofit entity, expected to consist of local stakeholders in entrepreneurship, innovation, technology, life sciences, education, and community and economic development (among others) to help guide the separate nonprofit entity.
  - c. Development of job descriptions for an “executive director” or “entrepreneur in residence”. Upon the development of job descriptions consistent with the vision of the Dimension Mill, successful recruitment—in consultation with the Commission’s designee—of an individual to fill that position. The parties expect both positions to be filled by independent contractors and initially funded by the City. The City and BEDC will work together to negotiate the contract, which may initially be between the independent contractor and either the BEDC or the separate nonprofit entity. The City and BEDC expect both contracts will ultimately be assigned to the separate nonprofit entity.

The BEDC shall provide the Commission with progress reports as requested by the Commission or Staff.

In the performance of BEDC’s work, BEDC agrees to maintain such coordination with the Commission as may be requested and desirable, including primary coordination with the Director of Economic and Sustainable Development, currently Alex Crowley, as the representative of the Commission. BEDC agrees that any information or documents, including digital GIS information, supplied by the City or Commission pursuant to Article 3, below, shall be used by BEDC for this project only, and shall not be reused or reassigned for any purpose.

---

<sup>1</sup> For the avoidance of doubt, the Commission will follow all relevant, applicable processes set forth in state law prior to the transfer of any possessory interest in the Dimension Mill to any other entity.

**Article 2. Standard of Care:** BEDC shall be responsible for completion of the Services in a manner consistent with that degree of care and skill ordinarily exercised by members of similar organizations in similar circumstances. The Commission shall be the sole judge of the adequacy of BEDC's work in meeting such standards; however, the Commission shall not unreasonably withhold its approval as to the adequacy of such performance. Upon notice to BEDC, BEDC will without additional compensation, correct those services not meeting such a standard.

**Article 3. Responsibilities of the Commission:** The Commission shall provide all necessary information regarding requirements for the Services, including access to the Dimension Mill as is necessary for BEDC to perform its work. The Commission shall furnish such information as expeditiously as is necessary for the orderly progress of the work, and BEDC shall be entitled to rely upon the accuracy and completeness of such information. The Commission shall designate Alex Crowley to act on its behalf with respect to this Agreement.

**Article 4. Compensation:**

Upon completion of the Services and upon receipt of an invoice from the BEDC, the Commission shall pay BEDC Twenty Five Thousand Dollars (\$25,000.00), which shall include all expenses paid to approved subcontractors, including attorneys and accountants associated with the completion of the Services.

The Commission shall make payment within forty-five (45) days of receipt of BEDC's invoice.

BEDC shall submit all invoices to:

Alex Crowley  
City of Bloomington  
401 N. Morton, Suite 150  
PO Box 100  
Bloomington, Indiana 47404  
crowleya@bloomington.in.gov

Invoices may be sent via first class mail postage prepaid or via email.

Additional services not set forth in Article 1, or changes in services must be authorized in writing by the Commission or its designated project coordinator prior to such work being performed, or expenses incurred. The Commission shall not make payment for any unauthorized work or expenses.

**Article 5. Appropriation of Funds:** Notwithstanding any other provision of this Agreement, if funds for the continued fulfillment of this Agreement by the Commission are at any time not forthcoming or are insufficient, through failure of any entity, including the Commission itself, to appropriate funds or otherwise, then the Commission shall have the right to terminate this Agreement without penalty.

**Article 6. Termination:** In the event of a party's substantial failure to perform in accordance with the terms of this Agreement, the other party shall have the right to terminate the Agreement upon written notice. The nonperforming party shall have fourteen (14) calendar days from the receipt of the termination notice to cure or to submit a plan for cure acceptable to the other party.

The Commission may terminate or suspend performance of this Agreement at the Commission's prerogative at any time upon written notice to BEDC. BEDC shall terminate or suspend performance of the Services on a schedule acceptable to the Commission and the Commission shall pay BEDC for all the Services performed up to the date that written notice is received, plus reasonable termination or suspension expenses. Upon restart, an equitable adjustment shall be made to BEDC's compensation and the schedule of services. Upon termination or suspension of this Agreement, all finished or unfinished reports, drawings, collections of data and other documents generated by BEDC in connection with this Agreement shall become the property of the Commission and BEDC, as set forth in Article 9 of this Agreement.

**Article 7. Identity of the Consultant:** BEDC acknowledges that one of the primary reasons for its selection by the Commission to perform the duties described in this Agreement is the qualification and experience of BEDC. However, as set forth above, BEDC may use subcontractors and consultants in the performance of certain aspects of the Services, such as attorneys and accountants. Any subcontractor or consultant must be approved by the Commission's designee in advance. The Commission's designee reserves the right to reject any of BEDC's personnel or outside professional sub-consultants, and the Commission's designee reserves the right to request that acceptable replacement personnel be assigned to the project.

**Article 8. Reuse of Instruments of Service:** All documents, including but not limited to, drawings, specifications and computer software prepared by BEDC pursuant to this Agreement are instruments of service in respect to this project. They are not intended or represented to be suitable for reuse by the Commission or others on modifications or extensions of this project or on any other project. The Commission may elect to reuse such documents; however any reuse or modification without prior written authorization of BEDC will be at the Commission's sole risk and without liability or legal exposure to BEDC. The Commission shall indemnify, defend, and hold harmless BEDC against all judgments, losses, claims, damages, injuries and expenses arising out of or resulting from such unauthorized reuse or modification. Any verification or adaptation of documents by BEDC will entitle BEDC to additional compensation at rates to be agreed upon by the Commission and BEDC.

**Article 9. Ownership of Documents and Intellectual Property:** All documents, drawings and specifications, including digital format files, prepared by BEDC and furnished to the Commission as part of the Services shall become the property of the Commission. BEDC shall retain its ownership rights in its design, drawing details, specifications, databases, computer software and other proprietary property. Intellectual property developed, utilized or modified in the performance of the Services shall remain the property of BEDC.

**Article 10. Independent Contractor Status:** During the entire term of this Agreement, BEDC shall be an independent contractor, and in no event shall any of its personnel, agents or subcontractors be construed to be, or represent themselves to be, employees of the Commission or the City of Bloomington. BEDC shall be solely responsible for the payment and reporting of all employee and employer taxes, including social security, unemployment, and any other federal, state, or local taxes required to be withheld from employees or payable on behalf of employees.

**Article 11. Insurance:** During the performance of any and all Services under this Agreement, BEDC shall maintain the following insurance in full force and effect:

- a. General Liability Insurance, with a minimum combined single limit of \$1,000,000 for each occurrence and \$2,000,000 in the aggregate.
- b. Automobile Liability Insurance, with a minimum combined single limit of \$1,000,000 for each person and \$1,000,000 for each accident.
- c. Professional Liability Insurance (“Errors and Omissions Insurance”) with a minimum limit of \$2,000,000 annual aggregate.
- d. Workers’ Compensation Insurance in accordance with the statutory requirements of Title 22 of the Indiana Code.

All insurance policies shall be issued by an insurance company authorized to issue such insurance in the State of Indiana. The City of Bloomington, the Commission, and the officers, employees and agents of each shall be named as insured under the General Liability, Automobile, and Worker’s Compensation policies, and such policies shall stipulate that the insurance will operate as primary insurance and that no other insurance effected by the City will be called upon to contribute to a loss hereunder.

BEDC shall provide evidence of each insurance policy to the Commission’s designee. Approval of the insurance by the Commission’s designee shall not relieve or decrease the extent to which BEDC may be held responsible for payment of damages resulting from service or operations performed pursuant to this Agreement. If BEDC fails or refuses to procure or maintain the insurance required by these provisions, or fails or refuses to furnish the Commission required proof that the insurance has been procured and is in force and paid for, the Commission shall have the right at the Commission’s election to forthwith terminate the Agreement.

**Article 12. Conflict of Interest:** BEDC declares that it has no present interest, nor shall it acquire any interest, direct or indirect, which would conflict with the performance of the Services required under this Agreement. BEDC agrees that no person having any such interest shall be employed in the performance with this agreement.

In the interests of full disclosure, it is expected that the BEDC will become a tenant of the Dimension Mill upon the completion of the construction. This shall not inherently create a conflict

of interest. At all times while performing the Services under this Agreement, the BEDC shall act in the best interests of the Commission.

**Article 13. Waiver or Breach:** No failure of either party to enforce a term of this Agreement against the other shall be construed as a waiver of that term, nor shall it in any way affect the party's right to enforce that term. No waiver by any party of any term of this Agreement shall be considered to be a waiver of any other term or breach thereof. No waiver shall be valid unless it is in writing and signed by an authorized representative of the waiving party.

**Article 14. Severability:** The invalidity, illegality or unenforceability of any provision of this Agreement or the occurrence of any event rendering any portion or provision of this Agreement void shall in no way affect the validity or enforceability of any other portion or provision of this Agreement. Any void provision shall be deemed severed from this Agreement, and the balance of the Agreement shall be construed and enforced as if it did not contain the particular provision to be held void. The parties further agree to amend this Agreement to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision. The provisions of this Article shall not prevent this entire Agreement from being void should a provision which is of the essence of this Agreement be determined void.

**Article 15. Assignment:** Neither the Commission nor BEDC shall assign any rights or duties under this Agreement, provided, however, BEDC may assign its rights to payment without the Commission's consent. Unless otherwise stated in the written consent to an assignment, no assignment will release or discharge the assignor from any obligation under this Agreement.

**Article 16. Third Party Rights:** Nothing in this Agreement shall be construed to give any rights or benefits to anyone other than the Commission and BEDC.

**Article 17. Governing Law and Venue:** This Agreement shall be governed by the laws of the State of Indiana. Venue of any disputes arising under this Agreement shall be in the Monroe Circuit Court, Monroe County, Indiana.

**Article 18. Non-Discrimination:** BEDC shall comply with City of Bloomington Ordinance 2.21.020 and all other federal, state and local laws and regulations governing nondiscrimination in employment.

**Article 19. Compliance with Laws:** In performing the Services under this Agreement, BEDC shall comply with any and all applicable federal, state and local statutes, ordinances, plans and regulations, including any and all regulations for protection of the environment. When appropriate, BEDC shall advise the Commission of any and all applicable regulations and approvals required by the Federal Environmental Management Agency (FEMA). Where such statutes, ordinances, plans or regulations of any public authority having any jurisdiction on the project are in conflict, BEDC shall proceed using its best judgment only after attempting to resolve any such conflict between such governmental agencies, and shall notify the Commission in a timely manner of the conflict, attempts of resolution, and planned course of action.

**Article 20. E-Verify.** BEDC is required to enroll in and verify the work eligibility status of all newly-hired employees through the E-Verify program. (This is not required if the E-Verify program no longer exists). BEDC shall sign an affidavit, attached as Exhibit A, affirming that BEDC does not knowingly employ an unauthorized alien. “Unauthorized alien” is defined at 8 U.S. Code 1324a(h)(3) as a person who is not a U.S. citizen or U.S. national and is not lawfully admitted for permanent residence or authorized to work in the U.S. under 8 U.S. Code chapter 12 or by the U.S. Attorney General.

BEDC and any subcontractors may not knowingly employ or contract with an unauthorized alien, or retain an employee or contract with a person that BEDC or subcontractor subsequently learns is an unauthorized alien. If the City obtains information that BEDC or a subcontractor employs or retains an employee who is an unauthorized alien, the City shall notify BEDC or its subcontractor of the contract violation and require that the violation be remedied within 30 days of the date of notice. If BEDC or the subcontractor verified the work eligibility status of the employee in question through the E-Verify program, there is a rebuttable presumption that BEDC or subcontractor did not knowingly employ an unauthorized alien. If BEDC or subcontractor fails to remedy the violation within the 30 day period, the City shall terminate the contract, unless the City Commission or department that entered into the contract determines that terminating the contract would be detrimental to the public interest or public property, in which case the City may allow the contract to remain in effect until the City procures a new Consultant. If the City terminates the contract, BEDC or subcontractor is liable to the City for actual damages, even if the actual damages exceeds the amount paid to BEDC or its subcontractor under this Agreement.

BEDC shall require any subcontractors performing work under this contract to certify to the BEDC that, at the time of certification, the subcontractor does not knowingly employ or contract with an unauthorized alien and the subcontractor has enrolled in and is participating in the E-Verify program. BEDC shall maintain on file all subcontractors’ certifications throughout the term of the contract with the City.

**Article 21. Notices:** Any notice required by this Agreement shall be made in writing to the addresses specified below:

**Article 22. Intent to be Bound:** The Commission and BEDC each bind itself and its successors, executors, administrators, permitted assigns, legal representatives and, in the case of a partnership, its partners to the other party to this Agreement, and to the successors, executors, administrators, permitted assigns, legal representatives and partners of such other party in respect to all provisions of this Agreement.

**Article 23. Integration and Modification:** This Agreement, including all Exhibits incorporated by reference, represents the entire and integrated agreement between the Commission and BEDC. It supersedes all prior and contemporaneous communications, representations and agreements, whether oral or written, relating to the subject matter of this Agreement.

This Agreement may be modified only by a written amendment signed by both parties hereto.

**Article 24. Indemnification:** BEDC shall defend, indemnify, and hold harmless the City of Bloomington, the Commission, and the officers, agents, and employees of the City and the Commission from any and all claims, demands, damages, costs, expenses, or other liability arising out of the Agreement or occasioned by the reckless or negligent performance or attempted performance of any provision thereof, including, but not limited to, any reckless or negligent act or omission to act or any willful misconduct on the part of BEDC or its agents or employees or independent contractors directly responsible to BEDC.

**Article 25. Non-Collusion:** BEDC is required to certify that it has not, nor has any other member, representative, or agent of BEDC, entered into any combination, collusion or agreement with any person relative to the price to be offered by any person nor prevented any person from making an offer nor induced anyone to refrain from making an offer and that this offer is made without reference to any other offer. BEDC shall sign an affidavit, attached hereto as Exhibit B, affirming that BEDC has not engaged in any collusive conduct. Exhibit B is attached hereto and incorporated by reference as though fully set forth.

**IN WITNESS WHEREOF**, the parties hereto have caused this Agreement to be executed the day and year first written above.
