Councilman Fee stated that uniformity in parking meters both downtown and on the arterial streets is being considered along with the acquisition of an additional city parking lot downtown at Seventh and Walnut Streets.

Council President Faris asked that the City Attorney give the status of the annexation of the Hoosier Acres and Ralph Rogers tracts.

Mr. Cotner replied that it is now too late to remonstrate on the Hoosier Acres tract and, as of January 20, 1967, it will be too late to remonstrate on the Ralph Rogers tract.

Councilman Fee stated that in September, 1965 the Mayor's Committee on Annexation was appointed as follows: Bruce Temple, Chairman; Jerry Gates; Lowell Whaley; Eugene Bender; Mrs. John Fraser Hart; David Stipp; Richard Atwell, Biagio Presti and Guy Moulden.

Council President Faris said the Council prepared proposed annexation Ordinance No. 65-17 which was read for the first time on August 15, 1965. Since this proposed Ordinance did not have a second reading, Council President Faris asked the members of the Council for recommendations concerning this matter.

City Attorney Cotner recommended that a new ordinance be prepared because of the number of the number of tracts that have been annexed on a voluntary basis and because of the possibility of appeal on the annexation suit now in litigation. He suggested that we try to have the new ordinance ready for first reading at the next meeting and have a public hearing at the same time.
