The Bloomington Jaycees presented the following Resolution:

Resolution re: Urban Renewal

Proposed - General Business Meeting, Bloomington Jaycees, February 8, 1961

Whereas,

The Jaycees are interested in programs designed to elevate the standard of living in our community,

and whereas, we believe that the vigor of community citizenry is adversely affected by surrendering the financial responsibility for such programs to outside agencies, and that problems of a local nature are handled most economically by local funds;

therefore, be it resolved; that the Jaycees be on record that when the present analysis is completed the report be studied with the view in mind that problems be solved by local citizens on an urban renewal commission enlisting the support of organizations and individuals interested in investment opportunities.

The Resolution was accepted and placed on file.

Mayor Lemon presented Ed Klootwyk, President of the Jr. Chamber of Commerce a certificate of award for outstanding service in promoting democratic local self government as an inherent right of the citizen at the local level.

The following committee report was received and Councilman Peace moved its adoption, seconded by Councilman Hickman, motion unanimously carried:

Report to Council February 21, 1961
From City Building & Property Committee.
Regarding: Alley between lots number 15 & 16,
Northview Addition.

The Committee has investigated this petition and feel that said unimproved alley is not and will not be needed for the future improvement of the city or it's utilities.

However, in our investigation we find there is a four inch gas main running the length of the alley.

Assured by the attorney of the petitioner and officials of the Indiana Gas & Water Co. that all rights of easement will be maintained, this Committee asks the Council to notify the City Attorney not to oppose suit to vacate said alley.

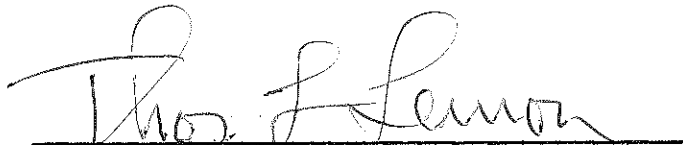

Signed James R. Faucett
Leo E. Hickman
Norbert Peace, Ch.

The Annual Report for 1960 was received from the Water Department. Financial statements were received for 1960 from the City of Bloomington and Sanitation Department.

Reports for the month of January, 1961 were received and placed on file from Rosehill Cemetery and the Police Department.

Councilman Chitwood moved, seconded by Councilman Faucett that the claims presented for payment February 22, 1961 be allowed as submitted; motion unanimously carried.

Meeting adjourned.

Presiding Officer
