Ordinance 06-08 To Amend Ordinance 05-21 Which Fixed the Salaries of Appointed Officers, Non-Union and A.F.S.C.M.E. Employees for all the Departments of the City of Bloomington, Monroe County, Indiana, for the Year 2006 - Re: Positions in the Controller's Office, Employee Services, Engineering, Fire, Office of the Mayor, Parking Enforcement, Parks and Recreation, Sanitation, and Utilities Dillman and Utilities Engineering

Ordinance 06-06 To Amend Title 15 of the Bloomington Municipal Code Entitled "Vehicles and Traffic"

Amendment #6 This amendment removes the proposed no parking zone on Southern Drive from Walnut Street to the barricade on the south side at any time.

Amendment #1 This amendment is proposed by Justin Wykoff, Manager of Engineering and changes Schedule M of the Bloomington Municipal Code by adding a "No Parking" zone on Wilson Street from Park Avenue to Woodlawn Avenue. He proposes this change because the street width cannot simultaneously accommodate two lanes of through-traffic and parking on both sides of the street. Please note that the Traffic Commission does not support this change.

It was moved and second to adopt Amendment #2.

Amendment #2 to Ordinance 06-06 received a roll call vote of Ayes: 4 (Gaal, Rollo, Ruff, Volan), Nays: 4 (Banach, Diekhoff, Mayer, Sabbagh) and thus failed.

It was moved and seconded to adopt Amendment #7.

Amendment #7 to Ordinance 06-06 received a roll call vote of Ayes: 5 (Gaal, Rollo, Mayer, Ruff, Volan), Nays: 2 (Banach, Sabbagh). Diekhoff had left the meeting before this vote.

It was moved and seconded to adopt Amendment #3.

Amendment #3 to Ordinance 06-06 received a roll call vote of Ayes: 7, Nays: 0.

It was moved and seconded to adopt Amendment #4.

Amendment #4 to Ordinance 06-06 received a roll call vote of Ayes: 7, Nays: 0.

It was moved and seconded to adopt Amendment #5.

Amendment #5 to Ordinance 06-06 received a roll call vote of Ayes: 7, Nays: 0.

Amendment #2 This amendment is proposed by the Traffic Commission and changes Schedule I of the Bloomington Municipal Code by lowering the speed limit on Wylie Farm Road from Henderson Street to Bent Tree Drive to 25 M.P.H. This change is opposed by the Manager of Engineering because it is not supported by the traffic counts and a speed study.

Amendment #7 This amendment adds a section to the ordinance that urges the Traffic Commission to revisit the lowering of the 30 mph speed limit on Wylie Farm Road between Henderson Street and Bent Tree Drive after providing the usual notice to the nearby residents.

Amendment #3 Section 25 of the ordinance allows motorists to park in the Morton Street City Hall visitor spaces on weekends without visiting City Hall. City Hall visitor parking is on Morton Street and includes five one-hour spaces on the west side immediately south of the entrance to the City Hall lot and the half block of two-hour spaces north of the alley on the east side between 7th and 8th Streets. Motorists who park there on Saturday would be subject to one-hour parking (on the west side) or two-hour parking (on the east side) from 5:00 a.m. to 5:00 p.m.

This amendment would bring the parking in line with the current signage and enforcement practices, which allow *unlimited* parking on weekends in those spaces without regard to whether the motorist is visiting City Hall. It would also reserve first space south of the City Hall parking lot for the Farmers' Market van during market season.

Amendment #4 This amendment would authorize the issuance of additional overtime parking citations for cars that are parked at two, three or more times the maximum time limit for that space in one day.

Amendment #5 This amendment specifies the number of accessible parking spaces that are required in Lot 5 at the corner of Sixth and Lincoln Streets. This was

accidentally omitted from Ord 06-06. The amendment also deletes the provision of Ord 06-06 authorizing the Board of Public Works to set maximum daily rates for City parking facilities and to establish flat rates for parking at a particular time in a particular facility. Indiana Code §36-9-11-7 directs that parking rates must first be approved by the Common Council before they become effective.

Ordinance 06-06 as amended by Amendments #1, 3, 4, 5, 6, and 7 received a roll call vote of Ayes: 7, Nays: 0.

There was no legislation to be introduced at this meeting.

It was moved and seconded to cancel the Committee of the Whole scheduled for June 14, 2006.

The motion was approved by a voice vote.

The meeting was adjourned at 10:25 pm.
