

POLICY COMMITTEE

March 12, 2021

1:30 – 3:00 p.m.

Virtual Location via Zoom:

<https://bloomington.zoom.us/j/97881454524?pwd=YUlxQVZUcmtzZTVaM2lIT2J4YS8zQT09>

Find your local number: <https://bloomington.zoom.us/u/adNpHw2oTL>

Clicking on the link will take you to the meeting. You will automatically receive a dial-in number if you want to use your phone for audio and not your computer microphone.

- I. Call to Order and Introductions
- II. Approval of the Agenda*
- III. Approval of the Minutes*
 - a. February 12, 2021
- IV. Communications from the Chair
- V. Reports from Officers and/or Committees
 - a. Citizens Advisory Committee
 - b. Technical Advisory Committee
- VI. Reports from the MPO Staff
 - a. Coordinated Human Services Public Transportation Plan
https://www.surveymonkey.com/r/Indiana_Transportation
 - b. FY 2022 - 2026 Transportation Improvement Program
 - (1) Call for Projects and Development Timeline
- VII. Old Business
 - a. None.
- VIII. New Business
 - a. FY 2020 - 2024 Transportation Improvement Program Amendments*
 - (1) DES#1902890 - INDOT Seymour District IDIQ Bridge Maintenance at various locations.
 - (2) DES#2100084 - Monroe County Bridge Inspections, FY 2022 to FY 2025
 - b. Draft FY 2022 Unified Planning Work Program*
 - (1) FHWA/FTA Planning Emphasis Areas
 - (2) Budget Constraints
 - (3) Work Elements
- IX. Communications from Committee Members (*non-agenda items*)
 - a. Topic Suggestions for Future Agendas
- X. Upcoming Meetings
 - a. Technical Advisory Committee - March 28, 2021 at 10:00 a.m. (Virtual)
 - b. Citizens Advisory Committee - March 28, 2021 at 6:30 p.m. (Virtual)
 - c. Policy Committee - April 9, 2021 at 1:30 p.m. (Virtual)

Adjournment

**Action Requested / Public comment prior to vote (limited to five minutes per speaker).*

Auxiliary aids for people with disabilities are available upon request with adequate notice. Please call [812-349-3429](tel:812-349-3429) or e-mail human.rights@bloomington.in.gov.

POLICY COMMITTEE

February 12, 2021

1:30 – 3:00 p.m.

Virtual Location via Zoom:

<https://bloomington.zoom.us/j/97335455773?pwd=Q1BHTjhRTVo4d01MOHZsOERBa2FqZz09>

Members Present: Lisa Ridge, Kent McDaniel, Kate Wiltz, Scott Robinson (proxy), Nate Nickel (proxy), Sarah Ryterband, Jason Banach, Pamela Samples, Penny Githens, Chris Wahlman, Margaret Clements, Penny Githens, and Pam Samples

Staff Present: Pat Martin, Ryan Clemens

- I. Call to Order and Introductions
 - a. Lisa Ridge called the meeting to order.

- II. Approval of the Agenda*
 - a. Sarah Ryterband moved to approve the agenda. Scott Robinson seconded. Motion passed unanimously by roll call vote (9-0).

- III. Approval of the Minutes*
 - a. January 8, 2021
 - (1) Kate Wiltz moved to approve the minutes. Sarah Ryterband seconded. Motion passed by roll call vote (6-0-3).

- IV. Communications from the Chair
 - a. None

- V. Reports from Officers and/or Committees
 - a. Citizens Advisory Committee
 - (1) Sarah Ryterband reported on the January Citizens Advisory Committee meeting.
 - b. Technical Advisory Committee - No report.

Penny Githens and Pam Samples joined the meeting.

- VI. Reports from the MPO Staff
 - a. Pat Martin reported on the *Coordinated Human Services Public Transportation Plan* under development for the metropolitan area with an INDOT consultant.
 - b. Pat Martin reported on INDOT's approval letter for the FY 2022 Cost Allocation Plan. Discussion ensued.
 - c. Pat Martin reported on the FY 2022 FHWA-FTA Planning Emphasis Areas letter issued to all Indiana MPOs and additions to the Draft FY 2022 UPWP for addressing all emphasis areas.

Lisa Ridge left the meeting. Vice Chair Sarah Ryterband assumed the meeting Chair role.

- d. FY 2022-2023 Unified Planning Work Program
 - (1) Bloomington Transit Fuel Conversion Study. Pat Martin noted that Bloomington Transit will undertake an *Alternative Fuels and Infrastructure Assessment Study* in the FY 2022 UPWP to compare and contrast different fleet power technologies (compressed natural gas

and electric) and potential derived cost benefits. The BMCMPPO will use surplus FY2020 and 2021 federal planning funds for partial support of the study along with Bloomington BMCMPPO meetings in April will include additional details.

VII. Communications from Committee Members (*non-agenda items*)

- a. Topic Suggestions for Future Agendas

VIII. Upcoming Meetings

- a. Technical Advisory Committee - February 24, 2021 at 10:00 a.m. (Virtual)
- b. Citizens Advisory Committee - February 24, 2021 at 6:30 p.m. (Virtual)
- c. Policy Committee - March 12, 2021 at 1:30 p.m. (Virtual)

Adjournment

**Action Requested / Public comment prior to vote (limited to five minutes per speaker).*

Auxiliary aids for people with disabilities are available upon request with adequate notice. Please call [812-349-3429](tel:812-349-3429) or e-mail human.rights@bloomington.in.gov.

To: BMCMPO Policy Committee

From: Pat Martin, Ryan Clemens

Date: March 5, 2021

Re: FY 2020 - 2024 Transportation Improvement Program (TIP) Amendments

INDOT requests one (1) amendment to the BMCMPO FY 2020-2024 TIP and Monroe County requests one (1) amendment to the FY 2020 – 2024 TIP. The proposed amendments include:

INDOT Bridge Maintenance and repair contract for IDIQ. (Indefinite Delivery, Indefinite Quantity) at various locations to be determined as needed in the Seymour District – System Preservation (DES#1902890). Typical projects under the “system preservation” heading of bridge maintenance may include deck patching, joint replacement, thin deck overlay, scour protection, railing repair, and other similar work activities dependent upon assessed engineering needs within a given program funding year.

INDOT Seymour District - Bridge Maintenance & Repair Contract for IDIQ (DES#1902890)					
Project Phase	Fiscal Year	Federal Source	Federal Funding	State Match	Total
CN	2022	STBG	\$800,000	\$200,000	\$1,000,000
Totals			\$800,000	\$200,000	\$1,000,000

Monroe County - Countywide Bridge Inspection and Inventory Program for Cycle Years 2022-2025 – System Preservation (DES#2100084).

Monroe County - Countywide Bridge Inspection and Inventory Program (DES#2100084)					
Project Phase	Fiscal Year	Federal Source	Federal Funding	Local Match	Total
PE	2022	Local Bridge	\$120,501.00	\$30,125.00	\$150,626.00
PE	2023	Local Bridge	\$9,725.00	\$2,431.00	\$12,156.00
PE	2024	Local Bridge	\$104,783.00	\$26,196.00	\$130,979.00
PE	2025	Local Bridge	\$6,915.00	\$1,729.00	\$8,644.00
Totals			\$241,924.00	\$60,481.00	\$302,405.00

Requested Action

Recommend the addition of the presented projects to the BMCMPO FY 2020-2024 Transportation Improvement Program for the March 12, 2021 BMCMPO Policy Committee meeting.

Date

Section 3: Project Information

- A. Project Name: **Bridge Maintenance and Repair Contract for IDIQ. (Indefinite Delivery, Indefinite Quantity.)**
- B. Is project already in the TIP?
x Yes No
- C. DES # (if assigned): **1902890**
- D. Project Location (detailed description of project termini): IDIQ, Various locations, some to be determined, throughout the Seymour District.
- E. Please identify the primary project type (select only one):
 - Bicycle & Pedestrian
 - Bridge**
 - Road – Intersection

- Road – New/Expanded Roadway
- Road – Operations & Maintenance
- Road – Reconstruction/Rehabilitation/Resurfacing
- Sign
- Signal
- Transit

F. Project Support (local plans, LRTP, TDP, etc.):

G. Allied Projects:

H. Does the Project have an Intelligent Transportation Systems (ITS) component?

- Yes x No

If yes, is the project included in the MPO's ITS Architecture?

- Yes x No

I. Anticipated Letting Date: _____

Section 4: Financial Plan

Identify all anticipated costs for all phases of the project, including any costs anticipated in years beyond the scope of this TIP. All phases must incorporate a four percent (4%) per year inflation factor per BMCMPO policy. All CN phases must include an appropriate amount of funding for construction inspection in addition to project construction costs.

Note: Fiscal Year 2018 begins on July 1, 2017, and ends on June 30, 2018.

Phase	Funding Source	FY 2020	FY 2021	FY 2022	FY 2023	FY 2024	Outlying Years
PE		\$	\$	\$	\$	\$	\$
		\$	\$	\$	\$	\$	\$
		\$	\$	\$	\$	\$	\$
RW		\$	\$	\$	\$	\$	\$
		\$	\$	\$	\$	\$	\$
		\$	\$	\$	\$	\$	\$
CE		\$	\$	\$	\$	\$	\$
		\$	\$	\$	\$	\$	\$
		\$	\$	\$	\$	\$	\$
CN	STBG	\$	\$	\$ 800,000	\$	\$	\$
	State	\$	\$	\$ 200,000	\$	\$	\$
		\$	\$	\$	\$	\$	\$
	Totals:	\$	\$	\$ 1,000,000.00	\$	\$	\$

Section 5: Complete Streets Policy

A. Select one of the following:

- Compliant** - This project is subject to the Complete Streets Policy because it involves the new construction or reconstruction of local roadways that will use federal funds through the BMCMPO for

any phase of project implementation. *Additional Information items 1-8 (below) must be submitted for Compliant projects.*

Not Applicable - This project is not subject to the Complete Streets Policy because it is a transit project, a non-roadway project, a resurfacing activity that does not alter the current/existing geometric designs of the roadway, or is a project that uses federal funds for which the BMCMPPO does NOT have programming authority. *No Additional Information items (below) have to be provided for projects to which the Complete Streets Policy does not apply.*

Exempt – The LPA is requesting that this project be exempted from the Complete Streets Policy due to certain circumstances or special constraints, as detailed in Section IV of the Complete Streets Policy. Please provide a detailed explanation of why the project should be exempted. *Additional Information items 1, 4-8 (below) must be submitted for Exempt projects.*

Justification for Exemption: _____

B. Additional Information:

Attach to this application form the following information as required by the Complete Streets Policy. If any items are unknown at the time of application, the applicant may indicate that “specific information has not yet been determined.” Any required information not provided at the time of this application must be reported to the MPO as soon as it becomes available.

- 1) Detailed Scope of Work – Provide relevant details about the project that would be sufficient to use when seeking consulting services (detailed project description, vehicular elements, non-vehicular elements, new construction/reconstruction).
- 2) Performance Standards – List specific performance standards for multimodal transportation, including, but not limited to transit, pedestrian, bicycle, and automobile users, ADA and Universal Design, environmental, utilities, land use, right of way, historic preservation, maintenance of services plan, and any other pertinent design component in relation to current conditions, during implementation/construction, and upon project completion.
- 3) Measurable Outcomes – Identify measurable outcomes the project is seeking to attain (e.g. safety, congestion and/or access management, level-of-service, capacity expansion, utility services, etc.).
- 4) Project Timeline – Identify anticipated timelines for consultant selection, public participation, design, right-of-way acquisition, construction period, and completion date.
- 5) Key Milestones – identify key milestones (approvals, permits, agreements, design status, etc.).
- 6) Project Cost – Identify any anticipated cost limitations, additional funding sources, project timing, and other important cost considerations not included in the table above.
- 7) Public Participation Process – Describe the public participation process (types of outreach, number and type of meetings, etc.), and the benchmark goals for the project (participation rates, levels of outreach, levels of accountability and corresponding response methods to input received, etc.).
- 8) Stakeholder List – Identify the key parties/agencies/stakeholders/interest groups anticipated to be engaged during project development and their respective purpose for being on the list.

Section 5: Complete Streets Policy

A. Select one of the following:

- Compliant** - This project is subject to the Complete Streets Policy because it involves the new construction or reconstruction of local roadways that will use federal funds through the BMCMPPO for

any phase of project implementation. *Additional Information items 1-8 (below) must be submitted for Compliant projects.*

- Not Applicable** - This project is not subject to the Complete Streets Policy because it is a transit project, a non-roadway project, a resurfacing activity that does not alter the current/existing geometric designs of the roadway, or is a project that uses federal funds for which the BMCMPPO does NOT have programming authority. *No Additional Information items (below) have to be provided for projects to which the Complete Streets Policy does not apply.*
- Exempt** – The LPA is requesting that this project be exempted from the Complete Streets Policy due to certain circumstances or special constraints, as detailed in Section IV of the Complete Streets Policy. Please provide a detailed explanation of why the project should be exempted. *Additional Information items 1, 4-8 (below) must be submitted for Exempt projects.*

Justification for Exemption: _____

B. Additional Information:

Attach to this application form the following information as required by the Complete Streets Policy. If any items are unknown at the time of application, the applicant may indicate that “specific information has not yet been determined.” Any required information not provided at the time of this application must be reported to the MPO as soon as it becomes available.

- 1) Detailed Scope of Work – Provide relevant details about the project that would be sufficient to use when seeking consulting services (detailed project description, vehicular elements, non-vehicular elements, new construction/reconstruction).
- 2) Performance Standards – List specific performance standards for multimodal transportation, including, but not limited to transit, pedestrian, bicycle, and automobile users, ADA and Universal Design, environmental, utilities, land use, right of way, historic preservation, maintenance of services plan, and any other pertinent design component in relation to current conditions, during implementation/construction, and upon project completion.
- 3) Measurable Outcomes – Identify measurable outcomes the project is seeking to attain (e.g. safety, congestion and/or access management, level-of-service, capacity expansion, utility services, etc.).
- 4) Project Timeline – Identify anticipated timelines for consultant selection, public participation, design, right-of-way acquisition, construction period, and completion date.
- 5) Key Milestones – identify key milestones (approvals, permits, agreements, design status, etc.).
- 6) Project Cost – Identify any anticipated cost limitations, additional funding sources, project timing, and other important cost considerations not included in the table above.
- 7) Public Participation Process – Describe the public participation process (types of outreach, number and type of meetings, etc.), and the benchmark goals for the project (participation rates, levels of outreach, levels of accountability and corresponding response methods to input received, etc.).
- 8) Stakeholder List – Identify the key parties/agencies/stakeholders/interest groups anticipated to be engaged during project development and their respective purpose for being on the list.

Federal Transit Administration **Federal Highway Administration**
Region V Indiana Division
200 West Adams St., Suite 320 575 N. Pennsylvania St., Rm 254
Chicago, IL 60606-5253 Indianapolis, IN 46204-1576

December 16, 2020

In Reply Refer To: HAD-IN

Dear Indiana MPO Directors and INDOT:

The Indiana Division Office of Federal Highway Administration (FHWA) and Federal Transit Administration Region V (FTA) are issuing its annual planning emphasis areas (PEAs) for incorporation into the FY 2022 Unified Planning Work Programs, Statement of Works and the Statewide Planning & Research Part 1 program. They are:

- Pedestrian Safety
- Resiliency
- Metropolitan Planning Area & Urbanized Area Boundaries
- Human Service Coordinated Transportation Plan
- Micromobility

Pedestrian Safety has been highlighted by FHWA recently due to the acknowledgement of the increase in pedestrian fatalities far out pacing the increase in overall traffic fatalities over the past decade (44% increase for ped fatals vs. 9% increase for all fatals). While only one city in Indiana has been designated a pedestrian/bicycle focus city by FHWA, all metropolitan areas would benefit from an emphasis on addressing pedestrian safety in their plans. Eighty-one percent of all pedestrian fatalities occur in urban settings (2018 data). The focus on getting a good handle on the data, data analysis, programming improvements (hot spot and systemic), and constructing projects will ultimately save lives and prevent serious injuries to the most vulnerable users of our transportation system. Here is a resource on how to develop a pedestrian safety action plan: https://safety.fhwa.dot.gov/ped_bike/ped_focus/docs/fhwasa17050.pdf.

Resiliency is one of the ten planning factors per Fixing America's Surface Transportation Act (FAST Act). It is defined as the ability to anticipate, prepare for, and adapt to changing conditions and withstand, respond to, and recover rapidly from disruptions. INDOT and the MPOs need to ensure resiliency is being considered in the transportation planning process. FAST Act makes reducing the vulnerability of the existing transportation infrastructure to natural disasters a part of the metropolitan transportation plan. It also adds the requirement for MPOs to coordinate with officials responsible for natural disaster risk reductions when developing the MTP and TIP. FHWA anticipates issuing a new guidebook on this subject. In the meantime, please refer to this link for additional information: <https://www.fhwa.dot.gov/environment/sustainability/resilience/>

INDOT and the MPOs should work together to prepare updates to the Metropolitan Planning Area Boundaries as well as any adjusted Urbanized Area Boundaries as a result of the 2020 Census.

As part of the Human Service Coordinated Transportation Plan (HSCTP) review or update, the Federal Team recommends review of the [Coordinated Council on Access and Mobility \(CCAM\)](#) tools, particularly the [inventory of federal programs](#) that fund transportation. We encourage partnerships with other Federal agencies as there are matching opportunities available to allow for 100% federal support of transit projects. The FTA-funded National Center for Mobility Management (NCMM) can help identify CCAM partners, explore cooperative funding and match programs, and address technical assistance needs. Contact your [NCMM regional liaison](#).

In furtherance of efforts relating the Americans with Disabilities Act compliance and the growing use of micromobility modes and their potential impacts on the pedestrian environment, MPOs, advocacy groups and government partners are encouraged continue to coordinate through the E-Scooter/ADA Committee as coordinated by the statewide MPO Council.

Should you have any questions, please feel free to call Erica Tait, FHWA, at 317-226-7481/erica.tait@dot.gov or Cecilia Crenshaw, FTA, at 317/705-1268/ cecilia.crenshaw@dot.gov.

Sincerely,

Sincerely,

SFY 2022 Unified Planning Work Program/Simplified Statement of Work Development Timeline - Year 2

PHASE	SFY 2022 UPWP DEVELOPMENT MILESTONE	DECEMBER	JANUARY	FEBRUARY	MARCH	APRIL	MAY	JUNE	JULY
UPWP Development	INDOT sends SFY 2021 PL and 5303 Funding Estimates to MPO Finance Committee	12/01/20							
	MPO submit Indirect Cost Allocation Plans to Cognizant Agencies for Approval.								
	PL/5303 Funding Formula is used to set preliminary PL/5303 distributions. MPO Finance Committee reviews distributions with MPO Council ratifying the final funding adjustments for the SFY 2021 PL/5303 distribution funding "Marks".								
	DES Numbers issued for SFY 2020-2022 will continue to be used for SFY 2022. However, since KIPDA and OKI operate on a year-to-year basis, they will each be issued new DES numbers for their SFY 2022 UPWPs.								
	FHWA and FTA issue the Planning Emphasis Areas (PEAs)	12/16/2020							
	MPOs develop and submit draft UPWP to INDOT for review and comment								
	Flexed STBG, and HSIP or CMAQ funds amended into MPO TIPs and INDOT STIP								
UPWP Review	INDOT provides UPWP comments back to MPOs								
	MPOs address comments and resubmit draft UPWP to INDOT								
	Final UPWP should all be approved by MPO Policy Boards by this month.								
	INDOT sends letter to FHWA/FTA recommending approval of MPO UPWP/SOW								
UPWP Approval	FHWA/FTA issue letter of approval to INDOT for final MPO UPWPs								
	INDOT send UPWP CONTRACT to MPO for signatures								
	MPO submits UPWP Contract to INDOT to begin State signature approval process								
	INDOT prepares CapWise for UPWP FMIS request								
	INDOT submits FMIS Requests to FHWA								
	FHWA approves MPO UPWP FMIS request								
	INDOT notifies MPO that the UPWP Contract has finished signature process and Issues Purchase Order								
								June 8th	
								By June 30th	
									TARGET

NOTES:

The UPWP is a two-year funding document where the first year SFY 2021 follows an approved budget. The dollars listed for the second (outer) year SFY 2022 are reasonable estimates.

All of the MPOs where INDOT is lead shall use the two-year UPWP format. The two MPOs where INDOT is not lead, KIPDA and OKI will follow a single, one-year UPWP format.

The Kokomo MPO is the only MPO that is currently permitted to submit a Simplified Statement of Work (SOW).

All MPOs will use the State Fiscal Year for their respective UPWPs. The exceptions to this rule are Columbus and Indianapolis; both of which operate on a Calendar Year basis.

Introduction

OVERVIEW

The Governor of the State of Indiana designated the City of Bloomington Plan Commission as the Metropolitan Planning Organization (MPO) for the Bloomington urbanized area in March 1982. The MPO is responsible for ensuring that the Bloomington urbanized area has a continuing, cooperative, and comprehensive (3-C) transportation planning process as mandated by Federal law. Federal certification of the 3-C planning process is a prerequisite for obtaining approval of any subsequent transportation improvement projects funded by the FHWA and/or FTA.

The Fixing America's Surface Transportation (FAST) Act (Pub. L. No. 114-94) signed into law on December 4, 2015, currently guides Federal transportation policy and programs related to MPOs. The FAST Act provides long-term funding certainty for surface transportation infrastructure planning and investment. Ten (10) national transportation planning factors that guide the programs and policies of all MPOs under current Federal legislation include:

- *Economic Vitality*: Support the economic vitality of the metropolitan area, especially by enabling global competitiveness, productivity, and efficiency;
- *Safety*: Increase the safety of the transportation system for motorized and non-motorized users;
- *Security*: Increase the security of the transportation system for motorized and non-motorized users;
- *Mobility*: Increase accessibility and mobility of people and freight;
- *Environment*: Protect and enhance the environment, promote energy conservation, improve the quality of life, and promote consistency between transportation improvements and State and local planned growth and economic development patterns;
- *System Integration*: Enhance the integration and connectivity of the transportation system across and between modes for people and freight;
- *System Management*: Promote efficient system management and operation;
- *System Preservation*: Emphasize the preservation of the existing transportation system;
- *System Resiliency and Reliability*: Improve the transportation system and reduce or mitigate storm water impacts of surface transportation; and
- *Travel and Tourism*: Increase travel and tourism.

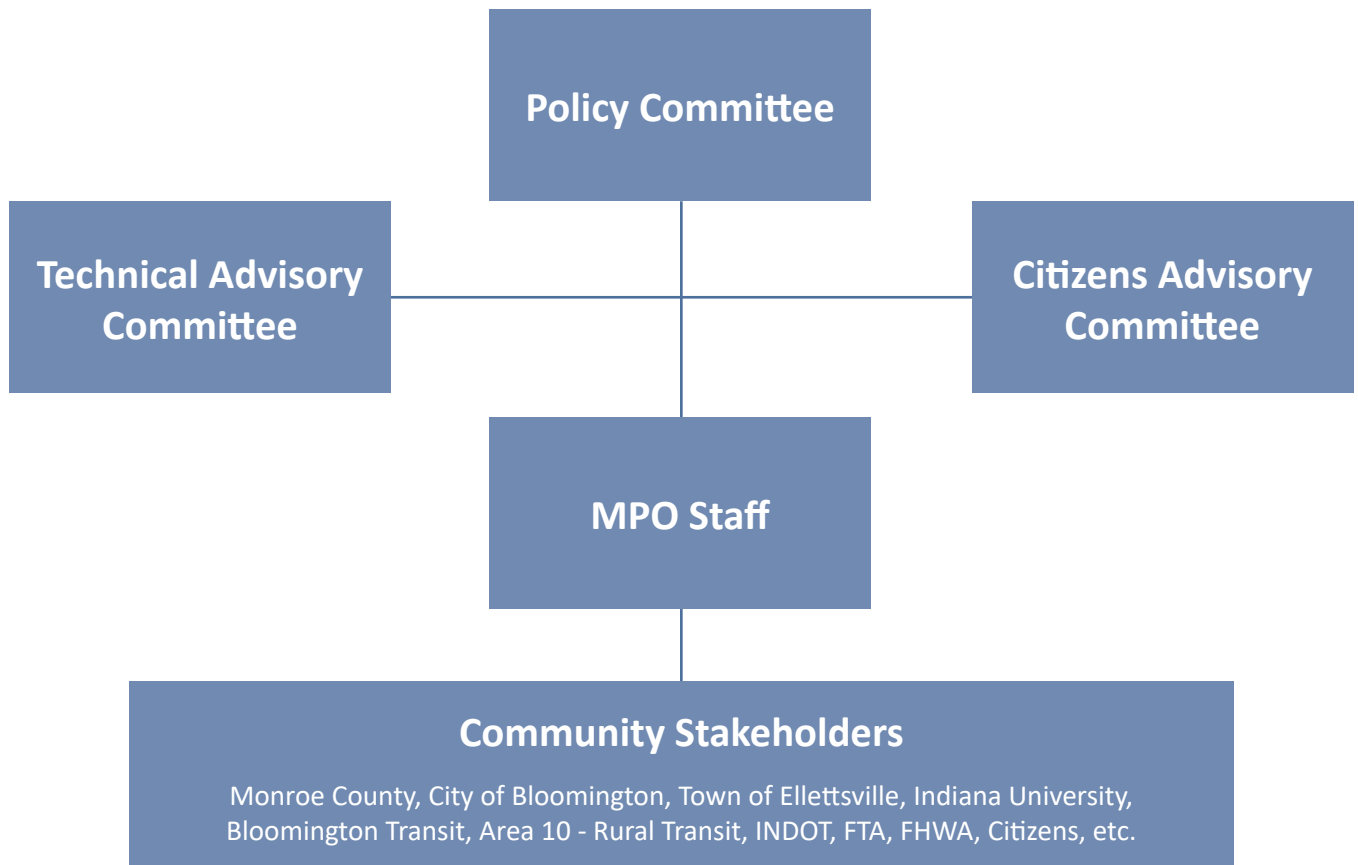

One of the requirements of the urban transportation planning process for an MPO involves the development of a Unified Planning Work Program (UPWP) that describes all planning activities anticipated in the urbanized area over the programming years, and documents the work performed with Federal planning funds. This FY 2022 UPWP satisfies the Bloomington-Monroe County Metropolitan Planning Organization (BMCMPPO) work program requirement for Fiscal Year 2022 (July 1, 2021 to June 30, 2022).

BMCMPO ORGANIZATION & COMPOSITION

The Bloomington-Monroe County Metropolitan Planning Organization (BMCMPO) consists of a three-part intergovernmental steering committee with the City of Bloomington Plan Commission as the contracting entity, and the City of Bloomington Planning Department as the lead staff agency.

The three-part intergovernmental steering committee consists of a Policy Committee (PC) which acts as the decision-making body for the MPO, a Technical Advisory Committee (TAC), and a Citizens Advisory Committee (CAC). This arrangement provides for close communication between key policy/decision makers, the representative technical planning staffs, and citizen representatives. Appendix A illustrates the representative BMCMPO committee membership.

The MPO Staff maintains close working relationships with Monroe County, the City of Bloomington, and the Town of Ellettsville departments and agencies, the Bloomington Public Transportation Corporation, Indiana University, Monroe County and Richland Bean Blossom Community School Corporations, the Indiana Department of Transportation (INDOT), the Federal Highway Administration (FHWA), the Federal Transit Administration (FTA), and all citizens.

PLANNING EMPHASIS AREAS

The Federal Highway Administration (FHWA), the Federal Transit Administration (FTA), and the Indiana Department of Transportation (INDOT) annually issue a set of Planning Emphasis Areas (PEAs) to Indiana MPOs in addition to the general planning factors discussed previously. The Indiana Division Office of Federal Highway Administration (FHWA) and Federal Transit Administration Region V (FTA) annual Planning Emphasis Areas (PEAs) for the BMCMPPO FY 2022 UPWP are as follows:

- Pedestrian Safety
- Resiliency
- Metropolitan Planning Area & Urban Area Boundaries
- Human Service Coordinated Transportation Plan
- Micromobility.

These PEAs prioritize key tasks and policies for implementation by MPOs in their Unified Planning Work Programs. The fulfillment of these tasks and policies implement the provisions of Fixing America’s Surface Transportation Act (FAST Act). The following paragraphs detail the BMCMPPO FY 2022 UPWP Planning Emphasis Area elements.

Pedestrian Safety

Pedestrian Safety has been highlighted by FHWA recently due to a national/state increase in pedestrian fatalities far out pacing the increase in overall traffic fatalities over the past decade (44% increase for pedestrian fatalities vs. 9% increase for all fatalities). While only one city in Indiana has been designated a pedestrian/bicycle focus city by FHWA, all metropolitan areas would benefit from an emphasis on addressing pedestrian safety in their plans. Eighty-one percent of all pedestrian fatalities occur in urban settings (2018 data). The focus on the Indiana State Police reported data, analyses of these data, programming improvements (“hot spot” and systemic), and constructing projects will ultimately save lives and prevent serious injuries to the most vulnerable users of our transportation system. The BMCMPPO will rely upon https://safety.fhwa.dot.gov/ped_bike/ped_focus/docs/fhwasa17050.pdf for a Pedestrian Safety Plan. The BMCMPPO will address this PEA through Element 202 of the FY 2022 UPWP.

Resiliency

Resiliency is one of the ten planning factors identified within the Fixing America’s Surface Transportation Act (FAST Act) defined as “the ability to anticipate, prepare for, and adapt to changing conditions and withstand, respond to, and recover rapidly from disruptions.” INDOT and Indiana MPOs must ensure that resiliency is considered in the transportation planning process. The FAST Act makes reducing the vulnerability of the existing transportation infrastructure to

natural disasters a part of the Metropolitan Transportation Plan (MTP). The FAST Act also adds the requirement for MPOs to coordinate with officials responsible for natural disaster risk reductions when developing the MTP and TIP. FHWA anticipates issuing a new guidebook on this subject. The following U.S. Department of Transportation link provides additional information: <https://www.fhwa.dot.gov/environment/sustainability/resilience/>. The BMCMPPO will address this PEA through Work Element 401 of the FY 2022 UPWP.

Metropolitan Planning Area & Urban Area Boundaries

The BMCMPPO and INDOT shall work jointly address Metropolitan Planning Area and Urbanized Area Boundary adjustments from the 2020 Census data for the fulfillment of this PEA. The BMCMPPO, in cooperation with INDOT and the FHWA shall review the proposed boundaries and make any necessary local adjustments. The BMCMPPO shall additionally review the boundaries to ensure MPO planning program standards and consistency. The BMCMPPO will address this PEA through Element 101 of the FY 2022 UPWP.

Human Service Coordinated Transportation Plan

As part of the Human Service Coordinated Transportation Plan (HSCTP) review or update, the FHWA/FTA Team recommends review of the Coordinated Council on Access and Mobility (CCAM) tools, particularly the inventory of federal programs that fund transportation. FHWA/FTA further encourage partnerships with other Federal agencies as there are matching opportunities available to allow for 100% federal support of transit projects. The FTA-funded National Center for Mobility Management (NCMM) can help identify CCAM partners, explore cooperative funding and match programs, and address technical assistance needs. Contact your NCMM regional liaison. The BMCMPPO will address this PEA through Element 602 of the FY 2022 UPWP.

Micromobility

In furtherance of efforts relating the Americans with Disabilities Act compliance and the growing use of micromobility modes and their potential impacts on the pedestrian environment, MPOs, advocacy groups and government partners are encouraged continue to coordinate through the E-Scooter/ADA Committee as coordinated by the statewide MPO Council. The BMCMPPO will address this PEA through Element 104 of the FY 2022 UPWP.

This page intentionally left blank.

FY 2021-2022 BMCMPPO Budget

FUND USE BY MATCHING AGENCY

The table below summarizes FY 2021-2022 funding allocations based on the agency using the programmed funds. The figures in the MPO column represent BMCMPO staff time spent per work element, including fringe and indirect costs. The Bloomington Transit and Consultant columns identify funds set aside for consultant services, purchase of equipment, and other direct MPO expenses separate from staff costs. The Contract Service Agreement (CSA) column shows funds identified for use by partner agencies through Contract Service Agreements. Later sections of the BMCMPO UPWP further identify cost breakdowns of each work element.

Work Element	MPO Staff	BT	Cons/Supp	CSA	Total
100	Administration & Public Participation				
FY 2021	\$125,593	\$0	\$5,600	\$0	\$131,193
FY 2022	\$162,630	\$0	\$1,750	\$0	\$164,380
200	Data Collection & Analysis				
FY 2021	\$19,100	\$0	\$29,465	\$7,000	\$55,565
FY 2022	\$25,759	\$0	\$4,400	\$13,000	\$43,159
300	Short Range Planning & Management Systems				
FY 2021	\$62,097	\$0	\$0	\$27,000	\$89,097
FY 2022	\$69,091	\$0	\$0	\$26,000	\$95,091
400	Long Range Planning				
FY 2021	\$52,858	\$0	\$1,500	\$0	\$54,358
FY 2022	\$11,441	\$0	\$1,500	\$0	\$12,941
500	Transit & Active Transportation				
FY 2021	\$7,704	\$4,000	\$1,500	\$0	\$13,204
FY 2022	\$10,406	\$4,000	\$284	\$0	\$14,690
600	Other Planning Initiatives & Special Projects				
FY 2021	\$10,213	\$0	\$0	\$0	\$10,213
FY 2022	\$11,096	\$0	\$0	\$0	\$11,096
	TOTAL				
FY 2021	\$277,566	\$4,000	\$38,065	\$34,000	\$353,631
FY 2022	\$290,423	\$4,000	\$7,934	\$39,000	\$341,357
TOTAL	\$567,989	\$8,000	\$45,999	\$73,000	\$694,988

OBJECT CLASS BUDGET BY FUNDING SOURCE

The Object Class Budget table shown below summarizes FY 2021-2022 UPWP funding allocations by object class and funding source. Fringe and Indirect expenses for FY 2022 are calculated rates found in the approved FY 2022 Cost Allocation Plan. Funding allocations for BMCMPPO staff, Bloomington Transit, Consultants/ Other, and Contract Service Agreements (CSAs) illustrate underlying object class budgeted expenses. Please refer to the individual work element sections later in this document for further details on each category.

Object Class	Federal	Local	Total
Direct Chargeable Salary			
<i>FY 2021</i>	\$88,896	\$22,249	\$111,245
<i>FY 2022</i>	\$86,752	\$21,688	\$108,440
Fringe Expenses			
<i>FY 2021</i>	\$74,320	\$18,580	\$92,900
<i>FY 2022</i>	\$80,428	\$20,107	\$100,534
Indirect Expenses			
<i>FY 2021</i>	\$58,737	\$14,684	\$73,421
<i>FY 2022</i>	\$65,159	\$16,290	\$81,449
Bloomington Transit			
<i>FY 2021</i>	\$3,200	\$800	\$4,000
<i>FY 2022</i>	\$3,200	\$800	\$4,000
Consultants/Supplies			
<i>FY 2021</i>	\$30,452	\$7,613	\$38,065
<i>FY 2022</i>	\$6,347	\$1,587	\$7,934
Contract Service Agreements			
<i>FY 2021</i>	\$27,200	\$6,800	\$34,000
<i>FY 2022</i>	\$31,200	\$7,800	\$39,000
TOTAL			
<i>FY 2021</i>	\$282,905	\$70,726	\$353,631
<i>FY 2022</i>	\$273,086	\$68,271	\$341,357
TOTAL	\$555,991	\$138,997	\$694,988

SUMMARY BUDGET BY FUNDING SOURCE

The table below summarizes the FY 2021-2022 budget for each of the work elements in the Unified Planning Work Program with elemental federal funding/local match splits highlights. As illustrated in this summary table, the FY 2021 and 2022 funding allocations fall within the total available funding noted previously.

	Work Element	Federal	Local	Total
100	Administration & Public Participation			
	<i>FY 2021</i>	\$104,955	\$26,239	\$131,934
	<i>FY 2022</i>	\$131,504	\$32,876	\$164,380
200	Data Collection & Analysis			
	<i>FY 2021</i>	\$44,452	\$11,113	\$55,565
	<i>FY 2022</i>	\$34,527	\$8,632	\$43,159
300	Short Range Planning & Management Systems			
	<i>FY 2021</i>	\$71,277	\$17,819	\$89,097
	<i>FY 2022</i>	\$76,073	\$19,018	\$95,091
400	Long Range Planning			
	<i>FY 2021</i>	\$43,487	\$10,872	\$54,358
	<i>FY 2022</i>	\$10,353	\$2,588	\$12,941
500	Transit & Active Transportation			
	<i>FY 2021</i>	\$10,563	\$2,641	\$13,204
	<i>FY 2022</i>	\$11,752	\$2,938	\$14,690
600	Other Planning Initiatives & Special Projects			
	<i>FY 2021</i>	\$8,171	\$2,043	\$10,213
	<i>FY 2022</i>	\$8,877	\$2,219	\$11,096
	TOTAL			
	<i>FY 2021</i>	\$282,905	\$70,726	\$353,631
	<i>FY 2022</i>	\$273,086	\$68,271	\$341,357
	TOTAL	\$555,991	\$138,997	\$694,988

Summary Budget For Active Purchase Orders

The tables below summarize the FY 2021-2022 budget for prior BMCMPPO active and open purchase orders (P.O.). The FY 2021 purchase order will expire on June 30, 2023. Funds will not be available after these dates. Please note that the remaining unspent funds do not include current FY 2021 quarterly billings. The BMCMPPO will allocate unspent FY 2020 and FY 2021 funds for a Bloomington Transit fleet fuel conversion study examining life cycle costs of diesel fuel to alternative fuels, such as, compressed natural gas and electric or an optimal combination thereof.

Active Purchase Order Balances		
INDOT Purchase Orders	Expiration Date	Current P.O. Balances
FY 2020 P.O.	6/30/2022	\$55,283.35
FY 2021 P.O.	6/30/2023	TBD
FY 2022 P.O.	6/30/2024	TBD
<i>Total</i>		TBD

CONTRACT SERVICE AGREEMENTS

The Bloomington-Monroe County Metropolitan Planning Organization (BMCMPPO) enters into annual Contract Service Agreements (CSAs) with the Monroe County Highway Department, the Town of Ellettsville, and the City of Bloomington Public Works Department in order to assist with the completion of specific UPWP work elements. The BMCMPPO will additionally employ a CSA with the new City of Bloomington Engineering Department for traffic volume counting services.

Each CSA provides a mechanism of coordination thereby avoiding the duplication of transportation planning services. Each CSA will follow the scope of work detailed within this Unified Planning Work Program and will have approval by the BMCMPPO Policy Committee. Each non-MPO government entity entering into a CSA with the BMCMPPO is responsible for all “up-front” costs detailed within a CSA. The table below summarizes the funding allocated to CSAs for each local agency within the BMCMPPO urbanized area boundary.

Agency	Federal	Local	Total
City of Bloomington - Public Works Department			
<i>FY 2021</i>	\$8,800	\$2,200	\$11,000
<i>FY 2022</i>	\$8,800	\$2,200	\$11,000
City of Bloomington - Engineering Department			
<i>FY 2021</i>	N/A	N/A	N/A
<i>FY 2022</i>	\$8,000	\$2,000	\$10,000
Monroe County Highway Department			
<i>FY 2021</i>	\$8,800	\$2,200	\$11,000
<i>FY 2022</i>	\$8,800	\$2,200	\$11,000
Town of Ellettsville			
<i>FY 2021</i>	\$9,600	\$2,400	\$12,000
<i>FY 2022</i>	\$5,600	\$1,400	\$7,000
TOTAL			
<i>FY 2021</i>	\$27,200	\$6,800	\$34,000
<i>FY 2022</i>	\$31,200	\$7,800	\$39,000
<i>TOTAL</i>	\$58,400	\$14,600	\$73,000

Work Elements

ADMINISTRATION & PUBLIC PARTICIPATION

100

COMMITTEES

See Appendix A for a list of BMCMPPO Committees.

101 Intergovernmental Coordination

The BMCMPPO staff will administer the MPO Policy Committee, the MPO Technical Advisory Committee, the Citizens Advisory Committee, and other routine MPO activities. Meetings of the MPO Committees generally occur on a monthly basis. Activities that occur in association with these committees include the preparation of information packets for each meeting, clerical support activities, and documentation of such meetings. All meetings are open to attendance by the public.

The fourteen (14) Metropolitan Planning Organizations in the State of Indiana have a statewide MPO association, known as the Indiana MPO Council that meets monthly to discuss and act on matters of mutual interest. The monthly meetings provide an opportunity for the MPOs to coordinate their transportation planning activities and to work collectively with INDOT and FHWA. The BMCMPPO staff will attend and/or participate in these meetings to represent the interests of BMCMPPO on the State and Federal levels.

Every four years, each MPO must undergo a certification review by the Federal Highway Administration. The last BMCMPPO certification review completed in May 2016. The BMCMPPO has a scheduled certification review at the beginning of FY 2022 in July 2021.

Responsible Agency and End Products

- MPO Staff to conduct up to ten (10) Policy Committee meetings per fiscal year. [Estimated Completion: Monthly]
- MPO Staff to conduct up to ten (10) Technical Advisory Committee meetings per fiscal year. [Estimated Completion: Monthly]
- MPO Staff to conduct up to ten (10) Citizens Advisory Committee meetings per fiscal year. [Estimated Completion: Monthly]
- MPO Staff to attend up to twelve (12) MPO Council monthly meetings per fiscal year. [Estimated Completion: Monthly]
- MPO Staff to participate in Federal MPO Certification Review. [Estimated Completion: As Required]
- MPO staff and INDOT shall jointly and cooperatively address 2020 Census data Metropolitan Planning Area and Urban Area boundary adjustments with reviews of proposed boundaries and make any necessary local adjustments. The MPO shall additionally review the boundaries to ensure MPO planning program standards and consistency. [Estimated Completion: Q4/FY22]

102 Unified Planning Work Program (UPWP)

The development and administration of a Unified Planning Work Program (UPWP) is a requirement of the metropolitan transportation planning process. The UPWP describes all planning activities anticipated in the BMCMPPO study area over two (2) Fiscal Years and documents anticipated end products with financial support from Federal planning and local matching funds. This element also includes the preparation of a Cost Allocation Plan/Indirect Cost Proposal that determines BMCMPPO staff billing rates.

MPO Staff will administer the FHWA and FTA planning grants associated with the FY 2021-2022 UPWP. The staff shall prepare and provide quarterly progress reports, billing statements, and the financial status of the FY 2021-2022 UPWP to the Policy Committee and to the member agencies for the measurement of MPO activity progress pursuant to the completion of the UPWP.

Responsible Agency and End Products

- MPO Staff to develop amendment(s) to FY 2022 Unified Planning Work Program. [Estimated Completion: Q1/FY22 through Q3/FY22]
- MPO Staff to develop FY 2022 UPWP. [Estimated Completion: Q4/FY21]
- MPO Staff to develop the FY 2023 Cost Allocation Plan as part of the FY 2022-2023 UPWP. [Estimated Completion: Q3/FY22]
- MPO Staff to prepare and submit the FY 2021 Annual Completion Report to INDOT. [Estimated Completion: Q1/FY22]
- MPO Staff to prepare and submit the FY 2022 Annual Completion Report to INDOT. [Estimated Completion: Q1/FY23]
- MPO Staff to prepare and submit the FY 2022-2022 Self Certification Review Statement to INDOT/FHWA/FTA representatives. [Estimated Completion: Q4/FY22, with TIP]
- MPO Staff to prepare and submit eight (8) quarterly progress reports to INDOT for review. [Estimated Completion: FY22 Quarterly]
- MPO Staff to prepare and submit eight (8) quarterly billing statements to INDOT for reimbursement. [Estimated Completion: FY22 Quarterly]

COST ALLOCATION PLAN

See Appendix B for further details.

103 Staff Training and Education

The ongoing development of MPO staff expertise will occur through attendance and participation in transportation related courses, seminars, and conferences, as well as the purchase of educational/reference materials, professional periodical subscriptions, and technical software training. These educational tools are essential for the professional development of all MPO staff and to enhance local knowledge of regional and national best practices in transportation planning.

Responsible Agency and End Products

- MPO Staff to attend the annual Indiana MPO Conference in a virtual format. [Estimated Completion: Q1/FY 2022]
- MPO Staff to attend the annual Purdue Road School and/or other educational conference opportunities including (but not limited to) webinars, classes, and/or conferences and utilize educational materials for professional development from national associations such as the American Planning Association, the Association of Pedestrian and Bicycle Professionals, the Urban Land Institute, and Institute of Transportation Engineers. [Estimated Completion: Ongoing]
- MPO Staff to renew professional membership dues to the American Planning Association and other relevant professional organizations. As part of its business practices, the BMCMPPO will verify that expenditures are compliant with the requirements of 2 CFR 200.403-405 Factors Affecting Allowability of Cost. [Estimated Completion: Ongoing]

104 Public Outreach

The BMCMPO will continue to review and update the Public Participation Plan (PPP), procedures required by 23 CFR 450.210 and 450.316, and processes to (1) ensure that all community members potentially affected by a transportation decision are invited to engage in the decision making process, and (2) ensure continuous and equitable public engagement in the transportation planning and decision making process.

The BMCMPO staff will post meeting notices, agendas, minutes and MPO documents on-line and in hard copy for access by interested citizens. Staff will assist the CAC with recruitment materials, such as a brochure and letter to local organizations, to provide diverse representation among CAC participants.

Staff will maintain the MPO web site (a subsection of the City of Bloomington web site) as a key point of public engagement. Citizens, businesses, and other community members can access and download reports, data, updates, and other information related to the functions of the MPO, in addition to the traditional forms of correspondence that are available. Staff will continue to explore new methods of communication, such as social media, in order to enhance public engagement with the MPO.

Responsible Agency and End Products

- MPO Staff to post MPO Committee agendas, minutes, and MPO documents on-line. [Estimated Completion: Ongoing]
- MPO Staff to implement all procedures required to ensure compliance with the MPO's Public Participation Process. [Estimated Completion: Ongoing]
- MPO Staff to ensure proper public posting of MPO meeting agendas and proposed plans and documents, including printing of legal notices for public comment periods in the local newspaper. [Estimated Completion: Ongoing]
- MPO Staff to further efforts relating the Americans with Disabilities Act (ADA) compliance and the growing use of micromobility modes, including their potential impacts on the pedestrian environment through the E-Scooter/ADA Committee as coordinated by the statewide MPO Council consistent with community guidelines (<https://bloomington.in.gov/transportation/scooters>). [Estimated Completion: Ongoing]
- MPO Staff to coordinate with INDOT and ensure new strategies and tools (e.g., social media and virtual public involvement tools), are incorporated into public participation plans and procedures, and that plans include documented evaluation of progress toward plan goals. [Estimated Completion: Ongoing]

Work Element 100 Budget

	Task	FY 2021	FY 2022	Total
101	Intergovernmental Coordination			
	<i>Federal Share</i>	\$53,179	\$59,201	\$112,380
	<i>Local Share</i>	\$13,295	\$14,800	\$28,095
	Total	\$66,474	\$74,001	\$140,475
102	Unified Planning Work Program			
	<i>Federal Share</i>	\$18,944	\$40,172	\$59,116
	<i>Local Share</i>	\$4,736	\$10,043	\$14,779
	Total	\$23,680	\$50,215	\$75,895
103	Staff Training & Education			
	<i>Federal Share</i>	\$16,145	\$14,410	\$30,555
	<i>Local Share</i>	\$4,036	\$3,603	\$7,639
	Total	\$20,181	\$18,013	\$38,194
104	Public Outreach			
	<i>Federal Share</i>	\$16,687	\$17,721	\$34,408
	<i>Local Share</i>	\$4,172	\$4,430	\$8,602
	Total	\$20,859	\$22,1521	\$43,010
	TOTAL FEDERAL SHARE	\$104,955	\$131,504	\$236,459
	TOTAL LOCAL SHARE	\$26,239	\$32,876	\$59,115
	TOTAL	\$131,194	\$164,380	\$295,574

Work Elements

DATA COLLECTION & ANALYSIS

200

201 Traffic Volume Counting

The MPO staff, in conjunction the Town of Ellettsville and the City of Bloomington Engineering Department, will conduct vehicular volume counts within the Metropolitan Planning Area (MPA) for arterial and collector streets/roads on a rotational cycle that will provide complete coverage of the MPO's functionally classified roadway network.

The BMCMPPO will additionally complete special counts upon the request of local entities to assist with engineering alternatives analysis and design decisions (e.g., traffic control warrant studies, traffic calming requests, safety examinations, development petition reviews, corridor studies, etc.). The BMCMPPO will conduct traffic volume link and segment counts throughout the urbanized area on a rotating basis of once every three (3) years, or as requested.

The traffic volume sampling program data will support INDOT's HPMS data collection efforts continuously refining link volumes, capacities, and speeds for calibration of the BMCMPPO travel demand forecast model. The BMCMPPO will purchase new counting equipment, software and supplies including but not limited to battery replacements, a portable traffic analyzer, replacement tubing, nails, padlocks, and other related materials as necessary for the maintenance and capital replacement of traffic counting equipment.

Responsible Agency and End Products

- MPO staff to perform approximately 150 coverage counts on behalf of the City of Bloomington Planning & Transportation Department and Monroe County Highway Department. [Estimated Completion: Annually]
- Town of Ellettsville staff to perform approximately 80 coverage counts. [Estimated Completion: Annually]
- MPO Staff to perform one-third of the required HPMS traffic counts for INDOT. [Estimated Completion: Annually]
- MPO staff to purchase traffic and/or bicycle & pedestrian counting equipment, software (purchase and/or licenses renewals) and supplies to support annual traffic counting program needs. [Estimated Completion: As Needed]
- MPO staff shall purchase annual software licenses for Adobe Software and GIS Software. [Estimated Completion: Annually]
- City of Bloomington, Engineering Department, to maintain traffic coverage counts, HPMS counts, and seasonal bike/ped counts with the provision of quarterly status reports to the BMCMPPO under a CSA. [Estimated Completion: Ongoing, Annually]

202 Annual Crash Report

The BMCMPPO produces an Annual Crash Report identifying hazardous intersections and corridors within the MPO study area and associated causal factors contributing to aggregate crash data. The analysis of crash data allows local jurisdictions to undertake roadway safety improvements and to establish longitudinal measures of effectiveness for the evaluation of alternative actions over time. The Annual Crash Report additionally assists the BMCMPPO with the identification of project locations that may have Highway Safety Improvement Program (HSIP) and/or Road Safety Audit (RSA) eligibility. The staff shall further assist with development of Local Road Safety Plans (LRSPs) and Traffic Incident Management (TIM) within the BMCMPPO area.

Responsible Agency and End Products

- MPO Staff to produce the Calendar Years 2017-2020 Crash Report. [Estimated Completion: Q4/FY21]
- MPO Staff to produce the Calendar Years 2018-2021 Crash Report. [Estimated Completion: Q4/FY22]
- MPO Staff to renew MS2 TCLS (Traffic Crash) - Pro Plus License software, TCLS Annual Support, and data migration reader for ARIES crash data and subsequent Crash Reports. [Estimated Completion: Q4/FY21 and Q4/FY22]
- MPO Staff to assist local agencies in developing Local Road Safety Plans (LRSPs) as a tool for reducing roadway fatalities and serious injuries. [Estimated Completion: Annually As Needed]
- MPO Staff will consider Traffic Incident Management (TIM) activities supporting multiple planning factors related to safety, mobility freight movement, air quality and transportation system reliability. [Estimated Completion: Annually As Needed]
- MPO Staff renewal of MS2 TCLS (Traffic Crash) - Pro Plus License software, TCLS Annual Support, and data migration reader for ARIES crash data and subsequent Crash Reports. [Estimated Completion: Q4/FY21 and Q4/FY22]
- MPO Staff to focus on the pedestrian crash data, analyses of data, programming improvements (“hot spot” and systemic), and constructing projects relying upon https://safety.fhwa.dot.gov/ped_bike/ped_focus/docs/fhwas17050.pdf for a Pedestrian Safety Plan. [Estimated Completion: Q4/FY22]
- MPO Staff will initiate research and formulation of a “Vision Zero” policy for adoption by the Policy Committee consistent with the stated goals of the 2045 Metropolitan Transportation Plan. [Estimated Completion: Q4/FY22]

Work Element 200 Budget

	Task	FY 2021	FY 2022	Total
201	Traffic Volume Counting			
	<i>Federal Share</i>	\$37,053	\$17,002	\$54,055
	<i>Local Share</i>	\$9,263	\$4,251	\$13,514
	Total	\$46,317	\$21,253	\$67,570
202	Annual Crash Report			
	<i>Federal Share</i>	\$7,399	\$17,525	\$24,924
	<i>Local Share</i>	\$1,850	\$4,381	\$4,561

Work Elements

SHORT RANGE PLANNING & MANAGEMENT SYSTEMS

300

301 Transportation Improvement Program (TIP)

The development and maintenance of a Transportation Improvement Program (TIP) is a Federal requirement for MPOs that intend to implement projects with Federal funds. All Federal-aid projects must be included in the TIP, and the adopted program of projects must have “fiscally constraint” for inclusion within the Indiana Statewide Transportation Improvement Program (INSTIP) prepared by the Indiana Department of Transportation (INDOT). The BMCMPPO will coordinate with its LPAs to develop and administer a valid TIP on an ongoing basis. This includes processing required amendments, managing a Quarterly Project Tracking program, assisting LPAs with Red Flag Investigations, and other activities as outlined below. The BMCMPPO will work with INDOT and the LPAs to develop best practices for project scheduling and cost estimation.

Responsible Agency and End Products

- MPO Staff to administer the FY 2020 – 2024 TIP through coordination with LPAs and INDOT, management of the Change Order Policy, and processing of TIP amendments as needed. [Estimated Completion: Ongoing]
- MPO Staff to assist LPAs with development of Red Flag Investigations for new transportation projects for addition to the TIP. [Estimated Completion: Ongoing]
- MPO Staff to administer the Quarterly Project Tracking Program for local projects in the TIP, including quarterly meetings with LPAs, design consultants, INDOT and FHWA. [Estimated Completion: Quarterly]
- MPO Staff to produce the Fiscal Year 2021 Annual List of Obligated Projects. [Estimated Completion: Q1/FY22]
- MPO Staff to attend County/City projects team meetings for interagency coordination and participation. [Estimated Completion: Monthly]
- MPO Staff, in concert with Local Public Agencies, will review the adopted Complete Streets Policy for the Fiscal Year 2020-2024 Transportation Improvement Program. [Estimated Completion: Annually]

302 Highway Safety Improvement Program (HSIP)

The BMCMPO has an established local Highway Safety Improvement Program (HSIP) in compliance with FAST Act legislation and INDOT/FHWA directives. Going forward, the BMCMPO staff will administer procedures whereby appropriate projects solicited from LPAs and HSIP funding awards will depend upon project compliance with HSIP selection criteria. The MPO will encourage LPAs to implement low-cost systemic improvements to treat the factors contributing to severe crashes in the community. Opportunities will also seek the programming of HSIP funds for Road Safety Audits and other INDOT/FHWA approved planning purposes.

Responsible Agency and End Product

- MPO Staff to administer the FY 2020-2024 HSIP funding. [Estimated Completion: Q4/FY21 and Q4/FY22, As Needed]

FY 2022 PEA

See Appendix E for detailed requirements.

303 Transportation Alternatives (TA)

The Bloomington-Monroe County MPO has an established local Transportation Alternatives Program (TA) in compliance with FAST Act legislation and INDOT/FHWA directives. With the adoption of the new FAST Act legislation, program revisions will reflect the new Transportation Alternatives (TA). The BMCMPPO staff will administer procedures for the solicitation and funding of LPA projects in compliance with TA selection criteria.

Responsible Agency and End Product

- MPO Staff to administer the FY 2020-2024 TA funding. [Estimated Completion: Q4/FY21 and Q4/FY22, As Needed]

304 Infrastructure Management Systems

The BMCMPPO has historically supported the efforts of its LPAs to establish and maintain robust asset management systems using Contract Service Agreements (CSAs). The City of Bloomington, Monroe County, and the Town of Ellettsville regularly collect asset condition data for infrastructure components such as pavement, signs, and street markings, and manage it using an appropriate software package. This methodology allows the respective jurisdictions to develop long term management plans for their infrastructure assets. These asset management systems will undergo continuous updating to ensure maintenance of data, quality and conditions.

Responsible Agency and End Products

- City of Bloomington Public Works Department to maintain Five-Year Pavement Management Plan and provide quarterly status reports to the BMCMPPO under a CSA. [Estimated Completion: Ongoing, Annually]
- Monroe County Highway Department to maintain Five-Year Pavement Management Plan and provide quarterly status reports to the BMCMPPO under a CSA. [Estimated Completion: Ongoing, Annually]
- Town of Ellettsville Street Department to maintain Five-Year Pavement Management Plan and provide quarterly status reports to the BMCMPPO under a CSA. [Estimated Completion: Ongoing, Annually]

305 ITS Architecture Maintenance

Intelligent Transportation Systems (ITS) use a number of technologies, including information processing and communications to achieve transportation network operating efficiencies. ITS allows the Bloomington-Monroe County Urban Area to improve safety, reduce congestion, improve mobility, enhance economic productivity, and save public investment dollars without negatively affecting the environment. The Bloomington-Monroe County MPO completed its Regional ITS Architecture in 2008. Administrative modifications to the ITS Architecture are warranted when an LPA wishes to include a new technology into a transportation project. Updates and revisions as needed shall ensure that the Architecture remains current and accounts for changes and improvements in the transportation network. Staff will also assist local entities with the implementation of ITS projects as detailed in the ITS Architecture.

Responsible Agency and End Product

- MPO Staff to maintain the established Intelligent Transportation Systems (ITS) architecture. [Estimated Completion: As Needed]

306 Performance Measures

Fixing America’s Surface Transportation Act (FAST) Act signed into law on December 4, 2015, along with its predecessor, Moving Ahead for Progress in the 21st Century Act (MAP-21), establishes new requirements for performance management to ensure the most efficient investment of Federal transportation funds. States will invest resources in projects to achieve individual targets that collectively will make progress toward the national goals.

The national performance goals for Federal Highway programs include:

- Safety – to achieve a significant reduction in traffic fatalities and serious injuries on all public roads.
- Infrastructure Condition – To maintain the highway infrastructure asset system in a state of good repair.
- Congestion Reduction – To achieve a significant reduction in congestion on the National Highway System (NHS).
- System Reliability – To improve the efficiency of the surface transportation system.
- Freight Movement and Economic Vitality – To improve the national freight network, strengthen the ability of rural communities to access national and international trade markets, and support regional economic development.
- Environmental Sustainability – To enhance the performance of the transportation system while protecting and enhancing the natural environment.
- Reduced Project Delivery Delays – To reduce project costs, promote jobs and the economy, and expedite the movement of people and goods by accelerating project completion through eliminating delays in the project development and delivery process, including reducing regulatory burdens and improving agencies’ work practices.

The Federal Highway Administration (FHWA) and Federal Transit Administration (FTA) transportation planning issued rules on the statewide and metropolitan transportation planning processes reflect the use of a performance-based approach to decision-making in support of national goals. These processes must document in writing how the Metropolitan Planning Organizations (MPOs), Indiana Department of Transportation (INDOT) and providers of public transportation shall jointly agree to cooperatively develop and share information related to transportation performance data, the selection of performance targets, the reporting of performance to be used in tracking progress toward attainment of critical outcomes for the region of the MPO (see 23 CFR 450.306(d)) and the collection of data for the INDOT asset management plan for the National Highway System specified in 23 CFR 450.314(h).

FY 2022 PEA

See Appendix E for detailed requirements.

The Federal Transit Administration (FTA) additionally has performance measures for Transit Asset Management with published and effective final regulations. FHWA has performance measures and final regulations published for Safety, Bridge and Pavement Conditions, Congestion Reduction and System Reliability.

INDOT along with the MPOs and FHWA will continue to identify Performance Targets for each Performance Measure. Once Performance Targets are established, the Transportation Improvement Program (TIP) and Statewide Transportation Improvement Program (STIP) modifications will reflect this information. Data collection and analysis evaluations shall determine the success of established targets.

For FHWA and FTA to approve any TIP amendments after May 27, 2018, the INDOT, MPOs and Public Transit Operators must reflect this information and describe how projects in the TIP/STIP, to the maximum extent practicable, achieve the Federally required performance targets identified in the Statewide and Metropolitan Transportation Plans, linking investment priorities to these performance targets.

Responsible Agency and End Product

- MPO Staff and the MPO Policy Committee shall support and adopt Performance Measures developed by INDOT in accordance with Federal Rules. [Estimated Completion: Q4/FY21 and Q4/FY22.]

Work Elements

LONG RANGE PLANNING

400

FY 2022 PEA

See Appendix E for detailed requirements.

401 2045 Metropolitan Transportation Plan (MTP)

Federal requirements mandate that the Metropolitan Transportation Plan (MTP) shall maintain a minimum twenty-year time horizon. The BMCMPPO staff initiated a non-technical 2045 Metropolitan Transportation Plan (2045 MTP) update process in January 2020 (FY 2020) and achieved formal Policy Committee adoption in October 2020 (FY 2021). The 2045 Metropolitan Transportation Plan includes extensive metropolitan planning area public outreach opinion data as the singular significant component of the plan's non-technical development. The 2045 MTP encompasses a multi-modal assessment of future transportation needs, financial forecasts, travel demand model scenarios, transportation planning requirements, performance measures, plan development & public involvement methodology, travel demand model documentation, an environmental justice assessment, air quality and climate change scientific assessments, potential projects within the specified twenty-five year time horizon with reliant upon high-level cost estimates, a glossary of terms, and 2045 Metropolitan Transportation Plan Record of Public Comments addressed under the Draft Plan. Topical focus areas of the 2045 Metropolitan Transportation Plan include the COVID-19 pandemic, a concomitant pandemic-induced economic collapse, social and racial justice equity challenges, and the immediate threats of climate change on human health, the economy, the natural environment, and the built environment.

The current BMCMPPO Travel Demand Model (TDM) requires TransCAD modeling software and an annual software license renewal fee for software support and periodic upgrades.

Responsible Agency and End Products

- MPO Staff to review Transportation System Policy Priorities (Safety, Vision Zero, Maintaining Existing Facilities, Climate Resilience, Economic Resilience, Healthy Outcomes, Air Quality, Electric Vehicle Charging Stations, Public Transportation for Environmental Quality, Public Transportation Electric Fleet Conversion, and Carpooling/Bicycle/Scooters/Shared Vehicles for Environmental Quality for developing 2045 Metropolitan Transportation Plan amendments. [Estimated Completion: Annually]
- MPO to pay annual TransCAD license support and activation renewal fees. [Estimated Completion: Annually]

Work Element 400 Budget

Work Elements

TRANSIT & ACTIVE TRANSPORTATION

500

501 Bicycle & Pedestrian Coordination

The BMCMPPO staff in conjunction with the Bloomington Bicycle and Pedestrian Safety Commission (BBPSC) will continue to build upon safety/awareness efforts that will promote and encourage bicycle and pedestrian activities as viable modes of transportation. One MPO staff member is a certified instructor of bicycle safety curricula developed by the League of American Bicyclists. The MPO will utilize this skill set to host bicycle skills and safety training seminars that are open to the public. Educational outreach activities may include structured classes developed by the League of American Bicyclists or may be informal presentations to target populations on the subject of bicycle and pedestrian safety.

Staff will assist the BBPSC in reviewing local development proposals for bicycle and pedestrian issues, and will develop policy recommendations for education and safety programs for bicyclists and pedestrians.

Responsible Agency and End Products

- MPO Staff will attend regular monthly meetings of both County and City of Bloomington Bicycle and Pedestrian Safety Commissions, including the formal business meetings and the interim work sessions. [Estimated Completion: Monthly]
- MPO Staff will conduct bicycle and pedestrian outreach, education, workshops, and other events such as, but not limited to, League of American Bicyclists training programs, informational booths at special events, and presentations to targeted groups. [Estimated Completion: Ongoing, As Needed]

502 Bicycle/Pedestrian Counts

Bicycle and pedestrian data collection is an important component of the overall data collection and analysis program for the MPO. Collecting this data aids LPAs in developing and prioritizing projects and programs that enhance the quality of these transportation modes. The MPO will conduct counts to determine usage of bicycle and pedestrian facilities within the MPO area in order to assist LPAs in this effort.

Responsible Agency and End Products

- MPO Staff to conduct seven-day seasonal baseline counts (spring, summer, and fall) on multi-use trails and bike lane facilities to establish baseline data for bicycle and pedestrian volume counts. [Estimated Completion: Q4/FY21, Q4/FY22]
- MPO Staff to report on the results of the seasonal coverage counts conducted under Element 502(A). [Estimated Completion: Q4/FY21, Q4/FY22]
- MPO Staff will work in collaboration with INDOT to identify best practice opportunities for improved mid-block pedestrian crossings recognizing the State of Indiana's identification as a "Focus State". [Estimated Completion: Ongoing, As Needed]

503 Bloomington Transit Alternative Fuels and Infrastructure Assessment

Bloomington Transit shall explore the use of alternative fuels and optimal future directions with respect to powering its transit bus fleet. Battery electric technology is rapidly emerging and maturing as a technology choice for transit fleets. Compressed natural gas is a reliable, proven, mature technology widely used in public transit fleets for several decades. Both technologies require significant up-front infrastructure investments for Bloomington Transit as well as physical space. Both technologies offer different environmental benefits and come with different investment requirements.

Responsible Agency and End Products

- Bloomington Transit shall undertake a transit alternative fuels and infrastructure assessment study to compare and contrast different technologies and the potential derived cost benefits. The transit alternative fuels and infrastructure assessment study will necessitate a contract engagement of a qualified consulting firm with experience in helping transit systems identify and assess the challenges each technology brings, and provide Bloomington Transit with a conceptual roadmap that policymakers can use to make important decisions. [Estimated Completion: Q4/FY22]

504 Transit Ridership Counts and Fleet Conversion Study

Bloomington Transit conducts annual transit ridership counts for all of its routes and services. This information aids in establishing annual passenger mile estimates for mass transit, in identifying facilities that are under or over utilized, and in the prioritization of capital improvements. The counts follow FTA guidelines which describe the methodology to estimate annual passenger miles based on data from a sample of randomly selected bus trips for Bloomington Transit fixed route and demand response service (i.e., statistically stratified random sample methodology).

Responsible Agency and End Products

- Bloomington Transit to collect operating data required for estimates of annual passenger miles. [Estimated Completion: Annually]
- Bloomington Transit to report annual passenger mile data estimates for Bloomington Transit fixed route and demand response service. [Estimated Completion: Annually]
- Bloomington Transit to conduct a special planning study examining the potential conversion fleet fuels away from diesel to alternative fuels, such as Compressed Natural Gas (CNG), total electric, or an optimal combination to alternative fuels. [Estimated Completion: Q4/22]

Work Elements

OTHER PLANNING INITIATIVES & SPECIAL PROJECTS

600

FY 2021 PEA

See Appendix E for detailed requirements.

601 Title VI Plans

MPOs must ensure that jurisdictional local public agencies (LPAs) with projects in the Transportation Improvement Program (TIP) have complied with Title VI nondiscrimination requirements. MPOs should survey local governments to determine if they have a current Title VI Plan that identifies a person responsible for Title VI, Notification of Nondiscrimination, a complaint process and steps used to collect and evaluate data on the impacts of the LPA's programs and projects. The MPO should provide technical assistance to LPAs that do not have such plans in place. MPOs must monitor Title VI status going forward and move toward limiting funding to those entities not meeting their requirements as Federal-aid recipients.

Responsible Agency and End Product

- MPO Staff to assist LPAs in complying with Title VI as part of Transportation Improvement Program (TIP) development process and in the development of Title VI Plans as needed. [Estimated Completion: Q4/FY22]

602 Coordinated Human Services Public Transit Plan

SAFETEA-LU created new funding opportunities for public transportation programs, including the Jobs Access Reverse Commute (JARC) program and the New Freedom program. At present, eligible activities are elements of the 5307 Urban Formula Grant Program and continue under the FAST Act. Certain eligibilities were additionally included in the 5310 Enhanced Mobility of Seniors and Individuals with Disabilities grant program. In order for local transit operators to use these funding sources, any proposed project funding must have inclusion in a locally developed Coordinated Human Services Public Transit Plan, which the MPO originally completed in 2007, updated in 2012, and updated again in FY2021, thereby expanding the list of eligible transportation providers, the identification of new transportation needs in the community, and new strategies for addressing those needs. The MPO staff will continue to assist local transportation providers with the implementation of key projects outlined in the local plan in Fiscal Year 2022.

The FHWA/FTA recommends a FY2022 review of the Coordinated Council on Access and Mobility (CCAM) tools, particularly the inventory of federal programs that fund transportation. FHWA/FTA further encourage partnerships with other Federal agencies as there are matching opportunities available to allow for 100% federal support of transit projects. The FTA-funded National Center for Mobility Management (NCMM) can help identify CCAM partners, explore cooperative funding and match programs, and address technical assistance needs.

Responsible Agency and End Product

- MPO staff to identify transportation connectivity gaps in access to essential services, performance measures & analytical methods for assessing system connectivity to essential services for identifying gaps and possible solutions including traditionally underserved populations from recent route optimization studies. [Estimated Completion: Q4/FY22]
- MPO Staff to assist local transit and human services providers with the implementation of projects specified in the Coordinated Human Services Public Transit Plan. [Estimated Completion: Q4/FY22]
- MPO Staff to review Coordinated Council on Access and Mobility (CCAM) tools, inventory federal transportation funding program opportunities, and contact the NCMM regional liaison for coordinated assistance. [Estimated Completion: Q1/FY22]

Pat Martin, Senior Transportation Planner
 Bloomington/Monroe County Metropolitan Planning Organization
 City of Bloomington Planning and Transportation Department
 P. O Box 100
 Bloomington, IN 47402

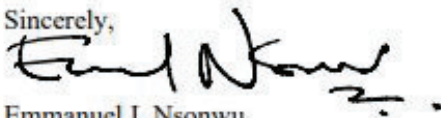

Dear Mr. Martin,

INDOT has reviewed the FY 2022 Cost Allocation Plan presented by Bloomington MPO for the period of July 1, 2021 through June 30, 2022.

In accordance 2 CFR 200.331, the Indiana Department of Transportation (INDOT), acting as the pass-through entity for the Federal Highway Administration (FHWA) approved the following indirect and fringe rates which will be monitored with respect to your Unified Planning Work Program Grant. Please include a copy of this letter in your UPWP for future reference. Should the indirect rates change during the FY 2022 grant period, please provide the revised information for re-approval and inclusion of the new rate letter as modification/inclusion in your UPWP Appendix. The approved rates are as follows:

Fringe	92.71%
Indirect	75.11%

Please feel free to contact me if you have any questions or concerns regarding these rates.

Sincerely,

 Emmanuel I. Nsonwu

In Reply Refer To: HAD-IN

Dear Indiana MPO Directors and INDOT:

The Indiana Division Office of Federal Highway Administration (FHWA) and Federal Transit Administration Region V (FTA) are issuing its annual planning emphasis areas (PEAs) for incorporation into the FY 2022 Unified Planning Work Programs, Statement of Works and the Statewide Planning & Research Part I program. They are:

- Pedestrian Safety
- Resiliency
- Metropolitan Planning Area & Urbanized Area Boundaries
- Human Service Coordinated Transportation Plan
- Micromobility

Pedestrian Safety has been highlighted by FHWA recently due to the acknowledgement of the increase in pedestrian fatalities far out pacing the increase in overall traffic fatalities over the past decade (44% increase for ped fatalities vs. 9% increase for all fatalities). While only one city in Indiana has been designated a pedestrian/bicycle focus city by FHWA, all metropolitan areas would benefit from an emphasis on addressing pedestrian safety in their plans. Eighty-one percent of all pedestrian fatalities occur in urban settings (2018 data). The focus on getting a good handle on the data, data analysis, programming improvements (hot spot and systemic), and constructing projects will ultimately save lives and prevent serious injuries to the most vulnerable users of our transportation system. Here is a resource on how to develop a pedestrian safety action plan: https://safety.fhwa.dot.gov/ped_bike/ped_focus/docs/fhwasal7050.pdf.

Resiliency is one of the ten planning factors per Fixing America's Surface Transportation Act (FAST Act). It is defined as the ability to anticipate, prepare for, and adapt to changing conditions and withstand, respond to, and recover rapidly from disruptions. INDOT and the MPOs need to ensure resiliency is being considered in the transportation planning process. FAST Act makes reducing the vulnerability of the existing transportation infrastructure to natural disasters a part of the metropolitan transportation plan. It also adds the requirement for MPOs to coordinate with officials responsible for natural disaster risk reductions when developing the MTP and TIP. FHWA anticipates issuing a new guidebook on this subject. In the meantime, please refer to this link for additional information: <https://www.fhwa.dot.gov/environment/sustainability/resilience/>

INDOT and the MPOs should work together to prepare updates to the Metropolitan Planning Area Boundaries as well as any adjusted Urbanized Area Boundaries as a result of the 2020 Census.

As part of the Human Service Coordinated Transportation Plan (HSCTP) review or update, the Federal Team recommends review of the [Coordinated Council on Access and Mobility \(CCAM\)](#) tools, particularly the [inventory of federal programs](#) that fund transportation. We encourage partnerships with other Federal agencies as there are matching opportunities available to allow for 100% federal support of transit projects. The FTA-funded National Center for Mobility Management (NCMM) can help identify CCAM partners, explore cooperative funding and match programs, and address technical assistance needs. Contact your [NCMM regional liaison](#).

In furtherance of efforts relating the Americans with Disabilities Act compliance and the growing use of micromobility modes and their potential impacts on the pedestrian environment, MPOs, advocacy groups and government partners are encouraged continue to coordinate through the E-Scooter/ADA Committee as coordinated by the statewide MPO Council.

Should you have any questions, please feel free to call Erica Tait, FHWA, at 317-226-7481/erica.tait@dot.gov or Cecilia Crenshaw, FTA, at 317/705-1268/cecilia.crenshaw@dot.gov.

TRANSIT OPERATOR LOCAL MATCH ASSURANCE

Transit Operator Local Match Assurance

DRAFT - Transit Operator Local Match Assurance

FY 2022 Federal Highway Administration (FHWA) Planning Funds (PL) and Federal Transit Administration (FTA) Section 5303 Planning Funds:

The City of Bloomington Public Transportation Corporation (hereinafter referred to as the “Transit Provider”) HEREBY GIVES ITS ASSURANCES THAT the local matching requirements for its FY 2022 FHWA and FTA grants shall be met. The MPO is requesting FHWA and FTA Planning grant funds totaling **\$4,000**, requiring **\$800** local match for Bloomington Transit studies. As specified in the **FY 2022 Unified Planning Work Program (UPWP)**, the Transit Provider shall be responsible for **\$4,000** of the total grant, requiring **\$800** in local match for the following UPWP elements:

- 1) Element 504 – Annual Passenger Count Data Collection
- 2) Element 504 – Annual Passenger Count Report
