ROLL CALL

Members Present: Paul Ash, Alex Crowley, Julie Donham, Tracy Gates, Mary Morgan, Kate Rosenbarger, Karin St. John, Scot Wright, Jackie Yenna

Members Absent: NONE

City Staff Present: Larry Allen, Jane Kupersmith

Members of the Public: NONE

APPROVAL OF MINUTES – Motion to approve the May minutes made by Jackie Yenna. The motion was seconded by Paul Ash. Roll call vote passed unanimously.

REPORTS FROM OFFICERS & COMMITTEES

- **Financial Report** – Last month the financials were reviewed but were not voted on. Now April is being reviewed again and then both April and May’s financials will be voted on. Please see the packet for the financial reports. Alex Crowley asked about the insurance expense line as it is higher than last year. Jane Kupersmith answered that the Risk Department explained it is due to insurance premiums increasing. April and May financial reports were voted on together. Jackie Yenna motioned to approve both April and May’s financials. Paul Ash seconded the motion. Roll call vote passed unanimously

- **Director’s Report** – Jane Kupersmith is addressing outstanding questions about scholarships and public comment. Two other enterprise zone members from Fort Wayne and Lafayette were consulted on their public comment policies. They only notice meetings for public comment when they vote on late filings. It was shared that they are not opposed to public comment but they do not included an agenda item it. As for the administration of scholarship programs, Fort Wayne has deemphasized their resident scholarship program. It was found that the scholarship program is inadvertently supporting the institution rather than the zone resident as is intended. For example, the scholarship was found to reduce the financial package for the resident so the benefit is then only going to the institution. Another reason they have deemphasized it is that they feel there are better efforts to support zone residents. For example, an entrepreneurship and equity program was created after modeling a program in Detroit. Ultimately, their scholarship program is administered by them issuing a letter and then the funds are paid to the institution so the individual never pays out-of-pocket.

NEW BUSINESS

- **BUEA electronic meeting policy** - Larry Allen presented the proposed electronic meeting policy. The BUEA is still treated as a regular board with the city despite being an independent non-profit. The desire to be transparent is why the BUEA has followed the Open Door policy requires forty-eight hours advance notice for meetings and the ability for the public to participate.

Moving forward, minutes will need to be documented as to who is at the meeting in person and who is attending virtually. Larry Allen noted that there is a typo in the numbering in the document that will be corrected so this will have to be voted on as amended.

Differences in this policy from other city commissions. The law has placed restrictions on how many members can participate physically and virtually. Larry Allen referenced the public access counselor who is assigned to interpret the open door law. This public access counselor stated that enterprise zone groups are exempt from the open door law. Mary Morgan asked about a line in section three as to whether or not this is typical for other commissions. This is in regard to how BUEA may exclude members of the public upon majority vote. Larry Allen explained that line is in reference to if there is a sensitive subject and they think it is best to not have that public, then a closed meeting could be had. Secondly, Mary Morgan asked about the logistics of the virtual meetings and where the physical meeting may take place. Larry Allen explained that the ITS department is outfitting multiple conference rooms for virtual meeting. Karin St. John asked for and received confirmation that the BUEA is not required to have public meetings but that BUEA chooses to have public meetings. Additionally, Larry Allen explained that the electronic meeting policy was kept software neutral as it is unknown what may come next year. Karin St. John asked if the BUEA has been over sharing because maybe there is some sensitivity in regards to the loans that have been administered. Larry Allen stated that BUEA is not subject to Open Door laws but there is a contract with city staff and they are still bound by the way city staff can collect and share records. Jackie Yenna moved to approve as amended. Paul Ash seconded the motion. Roll call vote passed unanimously.

UNFINISHED BUSINESS - NONE

ADJOURNMENT

Motion to adjourn made by Jackie Yenna. Seconded by Paul Ash. Julie Donham adjourned the meeting at 12:54 PM.

MEMORANDUM

To: BUEA Board
CC: Larry Allen, Jeff Underwood
From: Jane Kupersmith, Executive Director
Date: 08/11/2021
Re: Additional intern support for 2021/22 school year

In the past, the BUEA has been supported part-time by Fellows from the O’Neill Service Corps. These internships deliver high quality, often skilled staff members that are paid for by the Service Corps Program. As such, the City is required to offer some hands-on educational component to the work that they do for us. In the past the Small Business Development Intern has spent part of their time in service of ESD and part of their time in service of the BUEA. On average, a fellow would spend approximately 6-7.5 hours per week on BUEA-related work.

The BUEA will continue to have part-time access to an O’Neill Service Corps fellow during 2021/22.

However, given the increased activity of the BUEA from 2020 and into 2021 over 2019; the requirements of the O’Neill Service Corps program; and the BUEA’s need for additional support with administrative tasks like ongoing social media, communications, and grant management, I would like to recommend that the BUEA hire an additional intern for the coming school year, independent of the fellowship program and exclusively in support of the BUEA.

I am awaiting formal approval from Office of the Controller, City Legal, and Human Resources that the City could onboard an intern for the BUEA and process their payroll through the City’s payroll management.

Fall 2021 Semester Budget:

(15 hrs per week x 17 weeks x \$14.01)	=	\$3,572.55
Overage for payroll taxes	=	\$ 275.40
Max total per semester	=	\$3,847.95

I would like to request that, pending approval from OOTC and HR, the BUEA formally approve the allocation of \$3,847.95 from the \$12,500 “Operational Support line that we initially earmarked for management of programs related to increased COVID programming from 2020.

I recommend that we include an additional allocation for an intern in the BUEA’s 2022 annual budget.

Re: Farm Stop Façade Grant

In May of 2021, the Rose Hill Farm Stop applied for a BUEA historic façade grant in the amount of \$5,401.25 at the recommendation of the then Historic Preservation Program Coordinator. Since the grant was awarded, after discussing the project with City Legal, I believe the project, if the board so chooses, could be eligible for the full \$10,000 grant amount.

CURRENT ALLOCATION

Landlord contribution:	\$10,802.50
Farm Stop contribution:	\$5,401.25
<u>BUEA contribution:</u>	<u>\$5,401.25</u>
Project total:	\$21,605

ALTERNATE ALLOCATION

Landlord Contribution:	\$10,802.50
Farm Stop contribution:	\$802.50
<u>BUEA contribution:</u>	<u>\$10,000.00</u>
Project total:	\$21,605.00

I attach the Farm Stop's original grant application as well as the updated Façade Grant Program Guidelines, which we updated earlier this year, for your consideration. If the board elects to change the funding amount, a vote will be required.

HISTORIC FACADE GRANT GUIDELINES

Sponsored by the Bloomington Urban Enterprise Association

DESCRIPTION

The Bloomington Urban Enterprise Association Historic Facade Preservation Grants are designed to protect and enhance Bloomington's historic character by preserving and rehabilitating its historic downtown environment and maintaining structurally sound places of business.

Financial assistance is available to qualifying business in the form of a grant of up to ten-thousand dollars per application with a limit of twenty-thousand dollars per organization per calendar year.

ABOUT THE BLOOMINGTON URBAN ENTERPRISE ASSOCIATION (BUEA)

The mission of the Bloomington Urban Enterprise Association is to provide the means to improve the economic, physical and social environment for zone residents and businesses. The geographic boundaries of the Zone can be found at <https://data.bloomington.in.gov/dataset/bloomington-urban-enterprise-zone-maps>. Since its establishment by Indiana State Code 1992, the BUEA has created and retained hundreds of jobs and spurred millions of dollar in increased investment in the area.

ELIGIBILITY

All commercial, industrial, or residential investment properties on the local historic survey and properties determined to be historic by City Staff within the Bloomington Urban Enterprise Zone are eligible to receive grant assistance for exterior rehabilitation. Applicants should consult with the Historic Preservation program manager of the Housing and Neighborhood Development Department, City of Bloomington to ensure that their property is eligible for grant funding.

PROGRAM DETAILS

BUEA staff will review pertinent financial information submitted by the grantee and complete a feasibility analysis. The grant may be up to **\$10,000.00** per application. Funds may be used towards the cost of the actual facade rehabilitation, stabilization, weatherization, or other activities deemed appropriate by staff. Funds may also be used for historically accurate signage. In addition, up to **\$500.00** of grant money may be used for expenses related to the design and/or engineering of the project. Please note that funds may not be used for indirect costs! These include shipping, travel, project management, etc. Also note that the application for a facade grant may be denied if the building has significant structural deficits, as determined by an inspector with the Housing and Neighborhood Development Department.

ASSISTANCE PRIOR TO SUBMISSION

If you have questions, want further information, or wish to apply for a grant, please contact the historic preservation program manager at the Department of Housing and Neighborhood Development at 812-349-3507.

After contacting the historic preservation program manager, applicants should submit the following to the historic program manager:
