

## Agenda

City of Bloomington Tree Commission

Wednesday November 17, 2021, 9:30-10:45

By Zoom

### Introduction

1. Introductions
2. Thanks

### Consent agenda

3. Approval of Minutes of October 20, 2021 meeting
4. Next meeting will be Wednesday December 15, 2021, 9:30am. Online or in person TBD

### Discussions and Presentations

5. Any?

### Reports

6. Urban Forester's Report
7. Tree issues at IU, if any (Mia)
8. Report from Environmental Commission (Dave)

### Old Business

### New Business

9. MC-IRIS proposes that Callery Pear is their target species for removal for 2022. Homeowners who wish to remove public trees must apply for a tree work permit. However, Callery Pear makes up a significant portion of the tree canopy for the City of Bloomington. How should the Urban Forester treat homeowner requests to remove this species that is both an invasive species and an important part of the tree canopy?
