

- Sustain IU event
 - Matt, Shawn and Jon were in attendance
 - IU Climate Action Plan coming at end of the month
- Rumpke Transfer Facility Opening
 - May 16th in Bloomington
 - Questions for Bill
 - About Rumpke:*
 - Do you accept and recycle glass and cartons?
 - Can they recycle all “single-stream” meaning no need to separate recycling?
 - Can Rumpke take on the city’s trash & recycling streams? (with new transfer facility)
 - What is the earliest date you could take on the City’s recycling and trash services?
 - How far is Rumpke’s landfill from the transfer station
 - Where are the recyclables processed?
 - Republic Related*
 - When does the Republic contract with the City of Bloomington end?
 - Repercussions of canceling? Financial or otherwise?
 - How much was the Republic contract and is your potential contract comparable?
 - How far is the Republic Landfill from their transfer station
 - Where are the recyclables processed?
 - (Rumpke Saves money by diverting recycling away from landfill bc of height limits)
