When you are ready to add an animal to your family, please bring this completed form to the City of Bloomington Animal Shelter. This offer will be valid for one year from the date of the fire. Please note that you will still need to complete an adoption application, visit with an adoption counselor and meet the Animal Shelter's adoption criteria, which are summarized below.

To facilitate the best match possible, we will ask you to complete an adoption application. Should the need arise, we reserve the right to verify veterinary records, contract property managers/landlords, and perform yard inspections. With rare exception, we do not approve applications for cats and dogs who will be living exclusively outdoors. We do not adopt to those looking for barn cats/mousers, hunting or guard dogs.
