Upon unanimous vote of the Plan Commission, the same privilege may also be extended to a spokesperson for a neighborhood association or similar group of people wishing to make public comment.

It shall be the responsibility of the staff to publish speaking rules and make them available as handouts for the public. Speaking rules shall also be posted on the doors of the Council Chambers.

3. Thereafter, further public discussion and inquiry by the Commission shall be at the sole discretion of the presiding officer of the Commission unless these rules are modified by a majority vote.

C. Preliminary and Final Hearings:

1. Preliminary Hearings:
  - a. The purpose of the preliminary hearing shall be the exchange of information, and to allow the most thorough consideration of all sides of a controversy. All parties are encouraged to provide the Commission with written copies of their statements or position papers.
  - b. Any petitioner withholding information from the Commission or other interested parties will be denied the right to rely on such information at the final hearing.
  - c. Preliminary hearing cases shall always be forwarded to the next regularly scheduled Plan Commission meeting for a final hearing, unless the Plan Commission votes to forward the case to a different hearing date or to waive a second hearing. A Plan Commission vote is recommended, but not required, to forward cases from the preliminary hearing to the next regularly scheduled Plan Commission meeting for final hearing.
2. Final Hearings:
  - a. The final hearing shall be for the purpose of final disposition and decision of the merits of each petition.
  - b. In the event that the Commission feels that issues have been adequately aired and the case has received sufficient review, the final hearing may be waived by a majority vote and the petition may be acted upon at the first hearing. No final hearing shall be waived unless both the legal notice and the notices to interested parties have specified that such waiver is requested.
3. Single Hearing Cases. The following case types may be reviewed by the Plan Commission in one (1) hearing:
  - a. All preliminary plats which are in full conformance with Title 20 Unified Development Ordinance and all final plats which are in full conformance with approved preliminary plats and with Title 20 Unified Development Ordinance.
  - b. Any preliminary or final plat referred by the staff to the Plat Committee.

- c. Final Plans for planned unit developments which are in essential compliance with approved Preliminary Plans and which have been filed within 18 months of the date of preliminary approval by the Common Council.
  - d. Site Plans which are in essential compliance with Title 20, Section 20.09.120 "Site Plan Review" of the Bloomington Municipal Code, as amended.
4. Findings:

The minutes of the Commission shall indicate action taken and the reasons therefore and shall be furnished to any interested party upon request; provided, however, decisions upon applications for subdivision approval shall be in the form of written findings and decisions of the Plan Commission or Plat Committee. All decisions must be signed by the president and secretary of the Plan Commission, and a copy of any decision by the Plan Commission disapproving a preliminary subdivision plat must be provided to the applicant. All decisions of the Plat Committee shall be provided to interested parties, pursuant to Article II(G)(5) of these Rules and Procedures.

#### Article VI. Docket

- A. Each case to be publicly heard before the Commission or Plat Committee shall be filed in proper form, numbered serially, and placed on the docket of the Plan Commission or Plat Committee. The document numbers shall begin anew on January 1 of each year.
- B. No case shall be placed on the docket until the petitioner has consulted with a staff member who has determined that the petition has been presented in proper form with all the required exhibits and supporting documents.
- C. The staff may schedule the case for hearing before the Plan Commission or Plat Committee at its discretion, taking into account the magnitude of required review or coordination, or the desirability of modifying the petition, but subject to any time limits in these Rules, the Subdivision Control Ordinance, the Zoning Ordinance, or state law. Prior to each regularly scheduled Plan Commission hearing, the staff shall determine the estimated time length for each petition. Where it is evident that discussion on petitions would likely occur after 9:00pm, the staff shall have the authority to limit such petitions and forward them to the next regularly scheduled meeting of the Commission. Furthermore, for petitions characterized by a high

degree of complexity and public interest, staff and the Commission shall strongly consider skipping monthly meeting cycles in order to allow for more timely consideration of other petitions which have been filed.

- D. The identification of docket numbers for both Plan Commission and Plat Committee cases shall be as follows:

Adoption of or amendment to a Master Plan .....	MP
Adoption of or amendment to a Zoning Ordinance .....	ZO
Approval of Plat or Replat.....	DP
Resolutions.....	RS
Site Plan .....	SP
Planned Unit Development.....	PUD

Article VII. Final Disposition of Petitions

- A. The final disposition of any petition shall be recorded in the minutes of the Commission or Plat Committee. Following a vote against a petition, the Commission or Plat Committee president shall restate the position of the Commission for the record.
- B. The Commission or Plat Committee may dismiss a case for lack of prosecution or lack of jurisdiction. When a petitioner or their representative has failed to appear at two (2) consecutive meetings, the case may be dismissed for lack of prosecution at a subsequent meeting after notice to the petitioner.
- C. No petition may be withdrawn by the petitioner after a vote has been ordered by the presiding officer. No petition which has been withdrawn by the petitioner shall be placed on the docket again for hearing within a period of three (3) months from the date of said scheduled meeting, except upon motion to permit redocketing, adopted by the affirmative vote of a majority of the members of the Commission or Plat Committee.
- D. No zoning petition which has been disapproved by the Commission and rejected by the Common Council, either by lack of action or by vote, shall again be placed on the docket for hearing within a period of one (1) year from the date of the Commission's original disapproval. (Indiana Code section 36-7-4-609, as amended)

Article VIII. Miscellaneous Provisions

- A. Every person appearing before the Commission or Plat Committee shall abide by the order and direction of the president. Discourtesy, disorderly or contemptuous conduct shall be regarded as a breach of the privileges of the Commission or Committee and shall be dealt with as the Commission or Committee directs.

- B. No case shall be continued at the request of the petitioner unless such request has been made to the Planning and Transportation Department not later than noon, one (1) week before the scheduled hearing, and the request has been noted on the agenda before it is distributed. If the petitioner requests that a case be continued prior to the above referenced deadline, the Planning and Transportation Department, at its discretion, may act as agent for the Commission or Plat Committee and may approve such requests without formal Commission or Committee vote. Such staff approval shall be noted on the agenda. However, any request for continuance that occurs after the above-mentioned deadline requires a majority vote by the Commission or Committee. Similarly, if a petition is continued for three (3) consecutive hearings, any further request for continuance, even within the above-referenced deadline, requires a majority vote by the Commission or Committee. If the Commission or Committee denies such a request for continuance, the petition shall be treated as denied on the merits unless the petitioner elects to formally withdraw the petition within twenty four (24) hours.
- C. Amendments to these rules of procedures may be made by the Commission at any regular or special meeting upon the affirmative vote of a majority of the members of the Commission.
- D. The suspension of any rules may be ordered at any Plan Commission meeting by a unanimous vote of those present.
