Late Registration

A resident is any person who resides within the City’s corporate limits. Do you pay Bloomington property taxes? Do you have a City of Bloomington trash pickup service? If you can answer “yes” to both of these questions, then you are a “City of Bloomington Resident.” If you are in an apartment and unsure if the property is “in-city” we can verify by checking your address. Even if your mailing address is “Bloomington,” it does not necessarily mean you are a City resident. Please call the City of Bloomington Parks and Recreation office at 349-3700 if you have residency questions.

Fees and Charges

City of Bloomington Parks and Recreation is a City of Bloomington department under the administration of the Mayor of Bloomington. City of Bloomington residents, through property taxes, make a significant contribution to the operation of the park system. Non-resident fees are charged so non-resident participants can fairly contribute to overall financing of the park system. Fees are listed separately for City of Bloomington residents and non-city residents. Residency verification may be requested.

Waiver of Liability

The City of Bloomington is not responsible for any injuries sustained as a result of participation in any department sponsored activity, or while using departmental facilities. It is recommended that anyone enrolled in a program or using facilities make provisions for adequate coverage within their own insurance plan.
