# Meeting Schedule and Project Deadlines

## Process

All persons seeking approval for a site plan, subdivision, rezoning, Planned Unit Development, or variance are encouraged to contact the City Planning and Transportation Department as early as possible to schedule a pre-application meeting. This meeting is required and must occur by the deadline listed in this schedule.

Following the pre-application meeting with Planning and Transportation staff, the project will be scheduled for DRC review. Once an application has been filed, the deadline for submitting any revisions or additional information to staff is two weeks prior to the Plan Commission or BZA hearing, or as specifically noted in this schedule.

## Development Review Committee

The Development Review Committee (DRC) was created to ensure a development review process that is fair, certain in timing, coordinated among reviewing departments, and thorough in its scope of review. The DRC is made up of representatives of a variety of City of Bloomington departments and other local agencies, including: Bloomington Transit, Economic and Sustainable Development, Fire Department, Housing and Neighborhood Development, Indiana Department of Transportation, Legal, Monroe County Community School Corporation, Office of the Mayor, Parks and Recreation, Planning and Transportation, Police, Public Works, and Utilities.

## Schedule

Meetings of the DRC occur approximately every four weeks. All DRC meetings take place in the McCloskey Conference Room and begin at 1:30 pm, unless otherwise announced. Applicants are encouraged, but not required, to attend DRC meetings addressing their projects. Due to COVID-19, all meetings are held via email chain or Zoom until further notice.
