Step 1

Pick up your Passport to Play at any Bloomington Parks and Recreation facility, our main office, or partner location. Remember to put your name inside so we know it's yours!

Step 2

Visit Bloomington parks, facilities, programs, and events! Have a staff member or a grownup date and initial that you attended or participated. Flip through your passport to see eligible events.

Step 3

We will have opportunities for you to check in with us throughout the summer—at the park, at the library, at camp, and more. To stay up to date on check-ins, visit tinyurl.com/btownpassport.

Step 4

Get prizes! The more activities you have checked off, the more prizes you can choose from!

Quick Tips

You will notice symbols next to some programs listed in the passport. Here's what they mean:

Pre-registration is required.

A registration or entry fee is required.

Try to keep your passport in a place where you'll remember to fill it out each day. Going to summer camp? Take your passport with you!

Prizes

Staff will be at kid-friendly events, programs, camps and places periodically throughout the summer to hand out prizes. Show us your passport and in exchange for all your hard work, you can redeem for prizes like water bottles, T-shirts, and more!

PLACES

This is a list of just a few of Bloomington's city parks! When you visit each place, have a Parks and Recreation staff member or a grownup initial and date the corresponding spot on your Passport. There are some extra spaces to fill in other fun places you visit as well!

PHYSICAL ACTIVITY LOG

Did you know? It's recommended that kids ages 6–17 yrs. get **ONE HOUR** (60 minutes) of physical activity *per day!* This can include: running, biking, swimming, playing tag, doing chores, hiking, gardening, and **MORE!** Use the space below to keep track of all your active time this summer. It doesn't have to be 60 minutes all at once. Remember, the more you record, the more prizes you can choose from!

Intensity means how hard you feel like your body is working when doing a certain activity. Circle one of the emojis next to each activity to let us know how challenging an activity felt for you!
