This Addendum No. 1 shall supplement, amend and become a part of the Request for Qualifications (RFQ) for the City of Bloomington Pre-Approved Consultant List. All Statements of Qualifications shall be based on these modifications to the original document.

**Item No. 1: Questions and Answers**

(Q) We are on the current List and do not have any changes. Can we remain on the pre-approved list for the City without submitting anything?

(A) Yes. Firms that are currently on the List are not being removed during this open enrollment and are not required to reapply.

(Q) We are on the current List. Can I send you updated contact information without a formal submission?

(A) Yes, very minor updates may be handled without a formal submission.

(Q) We are on the current List and have added an INDOT prequel. Do you need a resubmission or are we still covered under the existing pre-approved list?

(A) You are not required to resubmit. Very minor updates may be handled without a formal submission.

(Q) We are on the current List. Can we edit our original submission in order to send a new submission with all information?

(A) Yes, the City generally encourage any updates or resubmissions to be short and focused on the updates that a firm wants to convey. Updating the original submission is fine, but we recommend somehow highlighting the changes to ensure the City notices those parts.
