

How It Works

Sign Up for Smart911
and create a secure Safety Profile for your household.

If you ever call 9-1-1,
the call taker can see the emergency information you want them to see.

Emergency Responders
can then use this key information to help you faster and more efficiently.

Security and Privacy

You Decide What to Include

Provide as much or as little information as you want. Smart911 only asks for information that is relevant to aid emergency response.

Only Seen If You Call 9-1-1

Your information is only available to 9-1-1 call takers and first responders if you have an emergency.

Industry Leading Security

Your information is housed in top-tier secure facilities complete with 24/7 physical security, video surveillance, and alarms. We utilize the same SSL certificate authority and encryption technologies used by leading financial institutions.

Keep Your Loved Ones Safe.

Smart911 is the only way to provide lifesaving information directly to 9-1-1 and first responders in an emergency.

Smart911 is free, private, secure, and protects **over 31 million people** nationwide.
