

# GOOD NEIGHBORING 101

Living in an off-campus neighborhood is a lot different from living in a residence hall on campus. You're part of a community with all kinds of people:

- families with kids,
- retirees,
- professionals,
- other students.

Be a positive and contributing member of the off-campus community by following the common sense guidelines found here:

## **BE RESPECTFUL**

Take time to introduce yourself to those living around you and discuss mutual expectations for being a good neighbor.

## **BE CONSIDERATE**

Always keep the areas outside of your residence clean and orderly.

## **BE MINDFUL**

Keep music and other noise at reasonable levels, especially after 9 PM.

## **BE SAFE**

Always practice safe drinking strategies, including avoiding excessive alcohol consumption while in the community and always stay with friends.
