

Recreation Scholarship Program

General Information

Bloomington Parks Foundation seeks and receives contributions from individuals, social groups, clubs, businesses, and service organizations to assist in providing scholarships for youth enabling them opportunities to participate in recreation programs.

1. Need is the primary criterion upon which scholarships are considered. Accepted participants are expected to pay their portion of the program fee at the time of registration. No full scholarships will be awarded.
2. Scholarships are not guaranteed and are available on an as-needed basis.
3. Bloomington Parks Foundation cannot provide scholarships for programs when primary costs are contractual (such as trips or performances, tickets or admissions) or for programs conducted by non-parks and recreation employees (i.e., Bloomington Blades, little league).
4. Scholarships are not available for late fees (i.e., Kid City).
5. Bloomington Parks Foundation reserves the right to limit the amount of scholarships awarded to an individual during the program session, particularly if the demand for scholarships by the community is high. No child will be awarded more than \$500 per calendar year.
6. Approval of any scholarship application does not automatically register that person into the program of choice. Registration for any program is the responsibility of the family requesting assistance. **All payments must be received prior to registration deadlines and participation.**
7. Scholarship applications will be accepted up until **two weeks prior to the program start date.**
8. Confidentiality: All information provided will only be used to determine the level of scholarship awarded.
