

City of Bloomington Utilities
600 E Miller Drive
Bloomington, IN 47401

Example Food Service Establishment
123 Street Name
City, ST 12345

Reminder of Action Required: Enroll in Online Fats, Oils, and Grease Reporting Program

The City of Bloomington Utilities is pleased to announce a new online reporting system to support our fats, oils, and grease (FOG) program. **Your business is requested to enroll via the link below to stay in compliance with the City of Bloomington Utilities' Grease Control Regulation..**

Complete the short form at: **fogregister.com/bloomington-in**
Or scan the QR code using the camera on your mobile device.

The improved tracking system will help food service establishments like yours to improve compliance and help the City of Bloomington Utilities prevent sanitary sewer blockages by reducing overall FOG discharges and increasing compliance accuracy.
