

# SHAPE THE FUTURE OF HOUSING IN BLOOMINGTON!

## Your Voice Matters!

Join your fellow residents in sharing ideas on how Bloomington should prioritize housing and community development over the next five years. We want to hear your thoughts on affordable housing, neighborhood preservation, public infrastructure, and more!

## Why Attend?

Bloomington is developing important community planning documents required by the U.S. Department of Housing and Urban Development (HUD). These plans ensure we continue receiving crucial funding for affordable housing and community development activities benefiting our low- and moderate-income residents.
