

RENTAL MOVE-IN CHECKLIST

This rental move-in checklist is intended for use by both renters and landlords. Be sure to inspect the housing unit thoroughly and mark any damages or defaults that can be found. Proper inspection at the time of move-in can ease the moving out process for all parties involved. After this sheet is filled out completely, have both the tenant(s) and the landlord sign the reverse side and distribute copies to all people involved. Also, make sketches or take pictures of the areas to retain for your records.
