RE: GOALS AND ACCOMPLISHMENT REPORT FOR CITY

Hello M. Carpenter,

I am relatively new to the role of Title VI coordinator for the City of Bloomington. In the past, we have not been required to complete a Goals and Accomplishments report because we are not a State Highway Agency for under the definitions found in 23 CFR 200.9. It appears this report is only required of State Highway Agencies. (If it helps, we are a separate entity from Bloomington Transit.)

That said, our Planning and Engineering departments applied for a grant program through INDOT for federal safety funds to be used on local projects. In order to receive any such funds, we had to indicate when we would complete and submit our Goals and Accomplishments report.

Enclosed, please find the report, along with our updated ADA/Title VI Implementation plan.

If you have any questions or advice, please do not hesitate to reach out to me directly.

Best,
Audrey Brittingham
