## Proposed Project Funding Table

View the current funding table for this project in the “adopted TIP with amendments” document, which is linked at [bloomington.in.gov/mpo/transportation-improvement-program](https://bloomington.in.gov/mpo/transportation-improvement-program).

Below, create a new project funding table showing all project costs and funding sources, which will replace the funding table in the current TIP. Include all phases and funding sources of the project for each year in this TIP. Funding amounts must incorporate a four percent (4%) per year inflation factor per BMCMPPO policy. All CN phases must include an appropriate amount of funding for construction inspection in addition to project construction costs. Fiscal Years start on July 1<sup>st</sup> of the previous year. For example, FY 2026 begins on July 1, 2025 and ends on June 30, 2026.

*\*Funding Sources:*

- *federal funding programs: CRP, HSIP, PROTECT, SEC 164, STBG, TA*
- *other funding sources: BRIDGE PROGRAM, HSIP SPECIAL CALL AWARD*

**\*\*Local funds must be equal to or greater than the minimum required match for each funding program.**
